Case Number	Part Number	Title	Synopsis	Status
2008-D047	211 , 252	Government Assigned Serial Number	<p>To prescribe DFARS language for contract requirements for assigning a method of serialization to major end-items.</p> <p>Government serial numbers are assigned to a limited number of types of major end items to either satisfy requirements of law, regulation, configuration management, logistics support, or asset identification for accountability and visibility. These Government-assigned serial numbers have a specialized, fixed human readable information format to convey intelligence about the major end item, which is used to readily identify the item in military operations. This requirement is in addition to the manufacturer's serial number applied to supply, maintenance and property accountability documentation.</p>	02/18/2009DARC Will discuss draft proposed DFARS rule on 03/11/2009.
2008-D046		Trade Agreements with Costa Rica, Oman, and Peru	<p>At the request of the USTR, we are implementing the Free Trade Agreements with Costa Rica, which took effect on January 1, 2009, and with Peru, which took effect on February 1, 2009. The Oman FTA, which took effect on January 1, 2009, for other Government agencies does not apply to DoD acquisitions. Also adds Taiwan as a designated country under the World Trade Organization Government Procurement Agreement.</p>	02/11/2009On hold pending designation of DoD Approving Authority.

Case Number	Part Number	Title	Synopsis	Status
2008-D034	215, 217, 243, PGI 217	Management and Reporting of Unpriced Change Orders	Expands the definition of the term "contract action." Presently, DFARS 217.7401 states that "contract action" is "an action which results in a contract" and "does not include change orders, administrative changes, funding modifications, or other contract modification that are within the scope and under the terms of the contract, e.g. engineering change proposals, value engineering change proposals, and over and above work requests as described in Subpart 217.77." It is recognized that a significant amount of the undefinitized contract actions issued throughout the Department are issued as change orders or other unpriced modifications to existing contracts. In order to provide full accountability and management oversight of this contracting approach, the definition of UCA will be broadened.	01/27/2009DAR Editor Reviewing.
2008-D032	212.7002	Service Contract Surveillance	The DoD Improvement Plan for the GAO High Risk Area - Contract Management includes a commitment for the Department to review the existing DFARS and DFARS PGI realting to ensuring appropriate surveillance plans are included in contracts for services, and to provide any clarifications and/or enhancements that may necessary.	02/11/2009DARC agreed to draft proposed DFARS rule. Case manager processing.
