Office of Juvenile Justice and Delinquency Prevention

The Office of Juvenile Justice and Delinquency Prevention (OJJDP) was established by the President and Congress through the Juvenile Justice and Delinquency Prevention (JJDP) Act of 1974, Public Law 93–415, as amended. Located within the Office of Justice Programs of the U.S. Department of Justice, OJJDP’s goal is to provide national leadership in addressing the issues of preventing and controlling juvenile delinquency and improving the juvenile justice system.

OJJDP sponsors a broad array of research, demonstration, and training initiatives to improve State and local juvenile programs and to benefit private youth-serving agencies. These initiatives are carried out by seven components within OJJDP, described below.

Research and Program Development Division

develops knowledge on national trends in juvenile delinquency; supports a program for data collection and information sharing that incorporates elements of statistical and systems development; identifies the pathways to delinquency and the best methods to prevent, intervene in, and treat it; and analyzes practices and trends in the juvenile justice system.

Training and Technical Assistance Division provides juvenile justice training and technical assistance to Federal, State, and local governments; law enforcement, judiciary, and corrections personnel; and private agencies, educational institutions, and community organizations.

Special Emphasis Division provides discretionary funds to public and private agencies, organizations, and individuals to develop and support programs and replicate tested approaches to delinquency prevention, treatment, and control in such pertinent areas as mentoring, gangs, chronic juvenile offending, and community-based sanctions.

State and Tribal Assistance Division provides funds for State, local, and tribal governments to help them achieve the system improvement goals of the JJDP Act, address underage drinking, conduct State challenge activities, implement prevention programs, and support initiatives to hold juvenile offenders accountable. This Division also provides training and technical assistance, including support to jurisdictions that are implementing OJJDP’s Comprehensive Strategy for Serious, Violent, and Chronic Juvenile Offenders.

Information Dissemination and Planning Unit produces and distributes information resources on juvenile justice research, statistics, and programs and coordinates the Office’s program planning and competitive award activities. Information that meets the needs of juvenile justice professionals and policymakers is provided through print and online publications, videotapes, CD-ROM’s, electronic listservs, and the Office’s Web site. As part of the program planning and award process, IDPU identifies program priorities, publishes solicitations and application kits, and facilitates peer reviews for discretionary funding awards.

Concentration of Federal Efforts Program promotes interagency cooperation and coordination among Federal agencies with responsibilities in the area of juvenile justice. The Program primarily carries out this responsibility through the Coordinating Council on Juvenile Justice and Delinquency Prevention, an independent body within the executive branch that was established by Congress through the JJDP Act.

Child Protection Division administers programs related to crimes against children and children’s exposure to violence. The Division provides leadership and funding to promote effective policies and procedures to address the problems of missing and exploited children, abused or neglected children, and children exposed to domestic or community violence. CPD program activities include supporting research; providing information, training, and technical assistance on programs to prevent and respond to child victims, witnesses, and their families; developing and demonstrating effective child protection initiatives; and supporting the National Center for Missing and Exploited Children.

The mission of OJJDP is to provide national leadership, coordination, and resources to prevent and respond to juvenile offending and child victimization. OJJDP accomplishes its mission by supporting States, local communities, and tribal jurisdictions in their efforts to develop and implement effective, multidisciplinary prevention and intervention programs and improve the capacity of the juvenile justice system to protect public safety, hold offenders accountable, and provide treatment and rehabilitative services tailored to the needs of individual juveniles and their families.

Introduction

The Office of Juvenile Justice and Delinquency Prevention (OJJDP) was created by Congress in 1974 to help communities and States prevent and control delinquency and improve their juvenile justice systems. A component of the U.S. Department of Justice, Office of Justice Programs, OJJDP is the primary Federal agency responsible for addressing the issues of juvenile crime and delinquency and the problems of abused, neglected, missing, and exploited children, and for coordinating Federal agency efforts in these areas.

Although the nature and extent of delinquency and abuse have changed considerably since OJJDP was created, the Office continues to provide national leadership and to support an array of activities that help States, tribal jurisdictions, communities, and local governments meet the many juvenile justice challenges facing them. These challenges include dealing with the small percentage of juveniles who are serious, violent, and chronic offenders; holding offenders accountable for their unlawful actions; combating alcohol and drug abuse; addressing gang and juvenile gun violence; addressing the growing number of girls entering the juvenile justice system; recognizing the mental health needs of juvenile offenders; and helping children victimized by crime and child abuse.

The Office funds important research and evaluation efforts, statistical studies, and demonstration programs; provides technical assistance and training; produces and distributes publications and other products containing reliable information about juvenile justice topics; manages programs that address the issue of missing and exploited children; and administers formula, block, and discretionary grant programs.

This *OJJDP Application Kit* provides application instructions, forms (including the SF-424), and review guidelines that apply to all OJJDP funding opportunities, unless otherwise noted. Separate program announcements will be published for each funding opportunity, and each announcement will address the program's nature and purpose and enumerate application requirements and deadlines. (These program announcements will not include application forms.) Potential applicants are encouraged to contact the Juvenile Justice Clearinghouse and subscribe to JUVJUST, OJJDP's electronic mailing list (see page 6), to keep abreast of OJJDP funding opportunities as they are announced.

OJJDP focuses its funding and support activities on the development and implementation of programs with the greatest potential for reducing juvenile delinquency and improving the juvenile justice system. OJJDP is committed to supporting development of innovative programs, evaluation of these and other programs, and collection of national data. With the results of these efforts, policy-makers and practitioners will be in a better position to develop and implement effective programs and approaches to best serve their communities.

Application and Administrative Requirements

Application and Administrative Requirements

Instructions for Completing Applications for Assistance

Applying for funds from a Federal agency can be challenging for any applicant. The Office of Juvenile Justice and Delinquency Prevention (OJJDP) provides resources and the following instructions and examples to help alleviate this confusion. These recommended steps provide an overview of the application process:

- ◆ Review the specific program announcement, paying specific attention to the eligibility requirements and due date(s). Program announcements are available from the Juvenile Justice Clearinghouse. This *Application Kit* outlines general eligibility requirements but may be overridden by specific ones outlined in the program announcement.
 - ◆ Read the *Application Kit* from cover to cover to familiarize yourself with the application instructions and forms, paying particular attention to the **required components** of the application package, other format and content guidelines, and the Peer Review Guideline (the established review process followed by OJJDP and its contracting agency—see appendix B).
 - ◆ Contact the Juvenile Justice Clearinghouse with questions or for more copies of the program announcement or *Application Kit*. See Reference and Resource Support (page 6) for details on contacting the Clearinghouse.
 - ◆ Contact the OJJDP Program Manager for specific questions about the contents of the program announcement.
- ◆ Using the instructions and details outlined in General Application Requirements (page 7), prepare an application package that includes these **required components**:
 - ❖ **Forms and Privacy Certificate** (Standard Form 424, Assurances, Certifications, Disclosure, and Privacy Certificate face sheet and attachment detailing procedures for protecting the confidentiality of data).
 - ❖ **Project Specifications** (Project Abstract, Budget Detail/Narrative Worksheet, and program narrative).
 - ❖ **Appendix** (Timeline of major milestones including project deliverables and résumés of all personnel).

Original copies of forms and other attachments should be signed in blue ink. Prepare and include a table of contents and be sure to also use and include the Checklist for OJJDP Applications on page 15 of this *Application Kit* for assistance in submitting a complete application package. (Program announcements may contain an additional checklist of items related to specific funding opportunities; if so, this checklist should also be included in the application package.)

- ◆ Review the application package to ensure that it is complete and that all required forms are signed and included.
- ◆ Submit the original and five copies of the application package using a mail carrier or delivery service that will ensure delivery by 5 p.m. ET on the due date. The original must be marked “original” and include original signatures on the forms in blue ink. The due

date is specified in each program announcement. Unless otherwise noted in the program announcement, the address for sending the application package is provided under General Submission Requirements (page 10). Be sure that the name of the program you are applying for appears in the lower left corner of the envelope.

- ◆ Await written or oral confirmation that your application package was received and, subsequently, whether your program was selected for funding.

General Eligibility Requirements

Applications are invited from eligible public and private agencies, organizations, institutions, individuals, or combinations thereof. If eligible for an assistance award, private for-profit organizations must agree to waive any profit or fee. Joint applications by two or more eligible applicants are welcome, provided that one organization is designated as the primary applicant and the other(s) as coapplicant(s).

Applicants must demonstrate that they have experience in the design and implementation of the type of program or program activity for which they are applying and have the management and financial capabilities to effectively implement a project of the size and scope delineated in the program announcement. Each applicant must also demonstrate the capability to manage the program in order to be eligible for funding consideration.

NOTE: *Eligibility differs from program to program. Please consult individual program announcements for specific eligibility requirements.*

General Application Requirements

OJJDP prepares specific program announcements that address particular programs and policy goals of the Office. Any application sent to OJJDP must respond to a particular program announcement. Each program announcement stipulates what the application must contain and the selection criteria by which each proposal will be reviewed.

The following are brief descriptions of the mandatory components of an application package broken out by the three key sections: Forms and Privacy Certificate, Project Specifications, and Appendix. Unless otherwise noted in the specific program announcement, the original and five copies of the application package must include and address each component. The package should also include a Table of Contents, and each page of the application package should be numbered.

Forms and Privacy Certificate

This section describes the required forms and Privacy Certificate that must be submitted with an OJJDP application. Copies and samples of these forms are provided in appendix A. Applicants must read, sign the original in blue ink, and include the original and five copies of the required forms. Please consult the specific program announcement to determine if other forms are required.

Standard Form 424

SF-424 is a cover sheet for the OJJDP funding application. A copy and sample, along with instructions to complete the 18 data fields, are included in appendix A. **NOTE:** *No application will be accepted without a complete, signed, original SF-424.* A frequently asked question is, What is the *Catalog of Federal Domestic Assistance* number requested in item 10 of the SF-424? Each funding opportunity has a number that corresponds to a funding source and category

(for example, the number for the FY 2001 Drug-Free Communities Support Program is 16.729). The number is found in the *Catalog of Federal Domestic Assistance* (www.cfda.gov) and should also be provided in the program announcement.

Assurances (OJP Form 4000/3)

OJP Form 4000/3 (Assurances) includes a list of assurances that govern the use of Federal funds for federally assisted projects.

Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements (OJP Form 4061/6)

OJP Form 4061/6 (Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements) commits the applicant to compliance with the certification requirements under 28 CFR Part 69, “New Restrictions on Lobbying,” and 28 CFR Part 67, “Government-Wide Debarment and Suspension (Nonprocurement)” and “Government-Wide Requirement for Drug-Free Workplace (Grants).” The certifications will be treated as material representations of the facts on which reliance will be placed by the U.S. Department of Justice (DOJ) in making awards.

Disclosure of Lobbying Activities (Standard Form LLL)

Standard Form LLL (Disclosure of Lobbying Activities) is requested pursuant to Title 31 U.S.C. § 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with a covered Federal action. **NOTE:** *SF-LLL is not required if there are no lobbying activities to disclose.*

Privacy Certificate

Applicants should be aware of the U.S. Department of Justice's (DOJ's) requirements for privacy and confidentiality in research and statistical efforts. These requirements are stipulated by 42 U.S.C. § 3879g. DOJ has issued a specific regulation concerning the implementation of this statutory requirement in 28 CFR Part 22 (see page 49 for the text of 28 CFR Part 22). In accordance with 28 CFR Part 22, applicants requesting funds for research or statistical activities must submit a Privacy Certificate with the application. The purpose of the Privacy Certificate is to ensure that the applicant has appropriate policies and procedures in place to protect the confidentiality of data identifiable to private persons. Specifically, the Privacy Certificate must be in compliance with the requirements of 28 CFR § 22.23. OJJDP has developed guidelines for preparing a Privacy Certificate in accordance with the confidentiality regulation. Please review OJJDP's Privacy Certificate Guidelines (see page 43) to determine whether your project needs a Privacy Certificate, which consists of a Face Sheet and an Attachment.

Face Sheet. This contains general information about the project and assurances. The Face Sheet should have original signatures from the Principal Investigator(s) or an authorized official from the institution conducting the project. (A blank "Privacy Certificate Face Sheet" is provided on page 45.)

Attachment. The Attachment should detail procedures for protecting the confidentiality of data identifiable to private persons. (A "Sample Attachment for Privacy Certificate" is provided on page 47.)

Applicants are further advised that any project that will involve the use of human research subjects must be reviewed by an Institutional Review Board (IRB), in accordance with DOJ regulations at 28 CFR Part 46. **IRB review is not**

required prior to submission of the application. However, if an award is made and the project involves research using human subjects, OJJDP will place a special condition on the award requiring that the project be approved by an appropriate IRB before Federal funds can be disbursed for human subjects activities. Applicants should include plans for IRB review, if applicable, in the project timeline submitted with the proposal.

Project Specifications

This section of the application should include a table of contents, the Checklist for OJJDP Applications (and, if applicable, the specific checklist provided in the program announcement), a project abstract, a budget detail/narrative worksheet, and a program narrative. The latter three are described below.

Project Abstract

The project abstract, limited to 150–200 words, highlights key points of the proposed project. The abstract should briefly present the goals of the project and how the applicant intends to accomplish them.

Budget Detail Worksheet/Budget Narrative

To understand how the grant award will be used by the applicant, OJJDP requires a Budget Detail Worksheet, accompanied by a budget narrative, to be included in the application. The Budget Detail Worksheet must break down into more explicit terms the costs associated with the project. It must show how the applicant arrived at the total amount of the requested award.

The budget narrative should closely follow the content of the Budget Detail Worksheet. The narrative must provide justification for all proposed costs. Among other things, the narrative must explain how fringe benefits were calculated, how travel costs were estimated, why particular items

of equipment or supplies must be purchased, and how indirect costs (if applicable) were calculated. The budget narrative should refer to the program narrative and justify the specific items listed (particularly supplies, travel, and equipment). Finally, the applicant must show that all costs in the application are reasonable.

A sample Budget Detail Worksheet with narrative incorporated is included in appendix A (page 29) to assist you. As noted on the sample, applicants can provide budget details and narrative using any format or form provided all required elements are included. However, to ensure that the application package is complete and to assist with the screening and review process, applicants are strongly encouraged to use the form provided or the outlined format.

Program Narrative

The program narrative should address the program announcement's specific criteria and/or application requirements, illustrate how the proposed project identifies and will resolve problems in the community, and fully describe the expected design and implementation of the proposed program. (Additional instructions for preparing a program narrative are provided in appendix A, see page 35.) Unless the program announcement contains other program-specific criteria, the program narrative should address the following areas:

- ◆ **Problem(s) To Be Addressed.** The problem to be addressed by the project is clearly stated.
- ◆ **Goals and Objectives.** The goals and objectives of the proposed project are clearly defined and the outcomes are measurable. A key element to goals, objectives, and outcomes is a timeline of key milestones, including project deliverables, which should be included in the appendix.
- ◆ **Project Design.** A sound project design that contains program elements directly linked to the achievement of project objectives.
- ◆ **Management and Organizational Capability.** The project management and overall organizational capability demonstrate the applicant's capacity to successfully operate and support the project. (Résumés of key personnel are critical for establishing the applicant's management and organizational capability and should be included in the appendix.)

NOTE: *Page limits and other format guidelines noted in the program announcement must be followed.*

OJJDP requires that funded programs contain plans for continuous self-assessment to keep program management informed of progress and results, and these plans should be noted in the program narrative. In addition, many funded projects will be considered for participation in independent evaluations initiated by OJJDP or other Office of Justice Programs (OJP) agencies. Project management will be expected to cooperate fully with designated evaluators.

Appendix

Should include, but is not limited to, a timeline and résumés. Specific program announcements may require additional information to be included in the appendix.

Timeline of Major Milestones and Project Deliverables

Include a timeline that tracks when major milestones and project deliverables will be accomplished.

Résumés of Personnel

Provide résumés of key proposed staff.

NOTE: Applications that include proposed noncompetitive contracts for the provision of specific goods and services must include a sole-source justification for any procurement in excess of \$100,000.

Applicants receiving other funds in support of the proposed activity (current, recent, or expected) must include in their application information on all sources of these funds (including funding from other Federal agencies), the anticipated total amount to be received, and a brief description of any other program(s) in their domain receiving such funds.

General Submission Requirements

Use the Checklist for OJJDP Applications in appendix A, page 15, of this Application Kit (and, if applicable, the specific checklist provided in the program announcement) to ensure that a complete application package is submitted.

It is the applicant's responsibility to ensure that the application package is received by 5 p.m. ET on the due date (unless otherwise noted in the program announcement). Select a mail carrier or delivery service that will ensure receipt. Due dates are specified in each program announcement.

All application packages should be mailed or delivered to the following address:

Office of Juvenile Justice and Delinquency
Prevention
c/o Juvenile Justice Resource Center
2277 Research Boulevard, Mail Stop 2K
Rockville, MD 20850
301-519-5535 (phone number is required for some mail carriers)

Applicants must clearly write the name of the program being applied for in the lower left corner of the envelope.

OJJDP will notify applicants that their applications have been received. Subsequently, applicants will also be notified as to whether their project will be selected for funding. Applicants should provide a return address, telephone number, and fax number to assist with this notification process.

Other Requirements for Review and Compliance

Financial Requirements

Discretionary grants are governed by the provisions of the Office of Management and Budget (OMB) circulars applicable to financial assistance. The circulars, along with additional information and guidance, are contained in the *Office of Justice Programs' Financial Guide* available from OJP. This *Guide* includes information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. The *Guide* will be provided upon request and will govern the administration of funds by all successful applicants.

Civil Rights Requirements: Prohibition of Discrimination for Recipients of Federal Funds

No person in any State shall on the grounds of race, color, religion, national origin, gender, disability, or age be excluded from participation in, denied the benefits of, subjected to discrimination under, or denied employment in connection with any program or activity receiving Federal financial assistance, pursuant to the following statutes and regulations: Section 809(c), Omnibus Crime Control and Safe Streets Act of 1968, as amended, 42 U.S.C. § 3789d; Section 292(b) of the Juvenile Justice and Delinquency Prevention (JJDP) Act and DOJ nondiscrimination regulations, 28 CFR Part 42, Subparts C, D, E, and G; Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; Subtitle A, Title II of the

Americans with Disabilities Act (ADA) (1990) and DOJ regulations on disability discrimination, 28 CFR Part 35 and Part 39; Title IX of the Education Amendments of 1972; and the Age Discrimination Act of 1985.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, gender, disability, or age against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, OJP.

Government Audit Requirement

Audits of State and local units of government, institutions of higher education, and other non-profit institutions must comply with the organizational audit requirements of OMB circular A-133, which states that recipients who expend \$300,000 or more of Federal funds during their fiscal year are required to submit an organizationwide financial and compliance audit report within 9 months after the close of each fiscal year during the term of the award to the Federal Audit Clearinghouse.

Grantees must comply with the following OJP reporting requirements:

- ◆ **Financial Status Reports (SF-269s).** Financial status reports should be completed and provided to the Office of the Comptroller's Control Desk within 45 days after the end of each calendar quarter during the grant period.
- ◆ **Categorical Assistance Progress Reports (OJP Form 4587/1).** Categorical Assistance Progress Reports should be completed and provided to the Office of the Comptroller's Control Desk within 30 days after the end of the June 30 and December 31 semiannual period during the grant period.

State Single Points of Contact

Executive Order 12372 requires applicants from State and local units of government or other organizations providing services within a State to submit a copy of the application package to the State Single Point of Contact (SPOC), if one exists and if this program has been selected for review by the State. The State SPOCs are listed in appendix C of this *Application Kit*. Applicants must contact their State SPOC to determine if the program has been selected for State review. The date that the application was sent to the SPOC or the reason such submission is not required should be entered in block 16 on the SF-424.

If the SPOC requires a copy of the application, the applicant should provide that copy and include the original as part of the application package submitted to OJJDP.

Application Review Process

All applicants will be evaluated and rated by a peer review panel according to specified criteria. Peer review will be conducted in accordance with the OJJDP Peer Review Guideline contained in appendix B. When appropriate in a particular grant program, preference will be given to communities that can demonstrate broad-based, multidisciplinary planning. Applicants should explain how the grant program will be integrated into the community's overall plan.

Selection criteria for each competitive program will determine applicants' responsiveness to minimum program application requirements, organizational capability, and thoroughness and innovativeness in responding to strategic issues related to project implementation. Each competitive program announcement will indicate whether there are additional program-specific review criteria and/or changes in points assigned to criteria used in the peer reviews for that particular program.

Peer reviewers will use the categories outlined in the program narrative under General Application Requirements (see page 7) to rate applications unless the program announcement contains separate, program-specific selection criteria.

The Administrator may also give consideration to geographic distribution and regional balance when making awards. Peer reviewers' recommendations are advisory only; the final award decision is made by the Administrator. OJJDP will negotiate specific terms of the awards with the selected applicants.

Suspension or Termination of Funding

OJJDP may suspend funding in whole or in part, terminate funding, or impose another sanction on a recipient for the following reasons:

- ◆ Failing to comply substantially with the requirements or statutory objectives of the JJDP Act, program guidelines issued thereunder, or other provisions of Federal law.
- ◆ Failing to make satisfactory progress toward the goals or strategies set forth in the program announcement and application.
- ◆ Failing to adhere to the requirements in the agreement, standard conditions, or special conditions.
- ◆ Proposing or implementing substantial plan changes to the extent that, if originally submitted, the application would not have been selected for funding.
- ◆ Failing to submit reports.
- ◆ Filing a false certification in this application or other report or document.

Before imposing sanctions, OJJDP will provide reasonable notice to the recipient of its intent to impose sanctions and will attempt to resolve the problem informally. Hearing and appeal procedures will follow those set forth in DOJ regulations in 28 CFR Part 18.

Privacy Certificate Guidelines

OJP policy requires that all grantees receiving funds to conduct research or statistical activities that involve collecting data identifiable to a private person submit a Privacy Certificate in accordance with the requirements of 28 CFR Part 22.

To determine if these regulations apply to a particular project, the applicant/grantee should answer the following two questions. First, is the project a research or statistical project as defined in 28 CFR § 22.2? Second, does the project involve collecting information identifiable to a private person as defined in 28 CFR § 22.2? If the answer to both of these questions is yes, then a Privacy Certificate is required.

Projects will typically fall into one of three categories:

Category 1: The project does not involve any research or statistical activities.

Category 2: The project involves research and/or statistical activities but does not involve the collection of information identifiable to private persons.

Category 3: The project involves research and/or statistical activities and involves the collection of information identifiable to private persons.

Applicants/grantees whose projects fall into categories 1 and 2 do not need to prepare a Privacy Certificate in accordance with the regulations. However, applicants/grantees should submit a brief description of the project (one or two paragraphs) demonstrating that a Privacy Certificate is not required. For example, the project description for a project in category 1 would describe the type of activities involved (e.g., demonstration program, training and technical assistance) and contain a statement to the effect that no research or statistical activities will be conducted as part of this project. Similarly, the project description for a project in category 2 would contain a very brief description of the research/statistical activities to be conducted and the type(s) of data being collected or used in the project and would assert that no information identifiable to a private person is being collected. Applicants/grantees whose projects fall into category 3 will need to submit a Privacy Certificate in compliance with 28 CFR Part 22.

The attached documents have been created to assist OJJDP applicants/grantees in preparing a Privacy Certificate. The Privacy Certificate should include a face sheet with general project information and assurances and an attachment detailing procedures for protecting the confidentiality of data identifiable to private persons. The face sheet must be signed by the Principal Investigator/Project Director or an authorized official from the institution or organization conducting the project (with the name and title typed under each signature). **The Privacy Certificate submitted to OJJDP should contain original signatures.** A sample attachment for the Privacy Certificate has been provided and includes guidelines for complying with the regulations. Please note that each section must be completed for the Privacy Certificate to be approved. The applicable section(s) of 28 CFR Part 22 are noted in brackets for reference purposes. Guidelines for completing each section are provided in italics.

If you have any questions about preparing a Privacy Certificate, please contact your OJJDP grant manager or OJJDP's Human Subjects Protection Officer, Katharine Browning, at 202-305-4512.

Sample Attachment for Privacy Certificate

Brief description of the project: {§ 22.23(b)}

Please provide a one- or two-paragraph description of the overall project, similar to an abstract of the project. The description should include the type(s) of data to be used in the project.

Procedures to notify participants, as required by 28 CFR § 22.23(b)(4), or, if notification is to be waived, pursuant to 28 CFR § 22.27(c), justification for waiver: {§ 22.27}

Please note that many projects involving the collection of data identifiable to a private person also fall under DOJ human subjects regulations at 28 CFR Part 46. Projects involving human subjects are required to obtain informed consent in accordance with the human subjects regulations. If you have any question about whether your project involves human subjects, please consult with OJJDP or with your institution's Institutional Review Board (IRB).

If your project does not involve human subjects as defined in 28 CFR Part 46, then you are only required to notify participants, either orally or in writing, that the information obtained from them will be used strictly for research or statistical purposes and that their participation is voluntary, as required by 28 CFR § 22.27.

This section should include information on informed consent or notification procedures as appropriate for your project.

Procedures for storing and securing the data: {§ 22.23(b)(5), § 22.23(b)(7)}

Describe the procedures that will be put in place to ensure administrative and physical security of identifiable data and to preserve anonymity of private persons to whom information relates (e.g., hard copies of data will be stored in a locked file cabinet with limited access to cabinet key, procedures for protecting computer data files with identifying information, and so on).

Disposition of data will occur in the following manner: {§ 22.23(c), § 22.25}

Describe how confidentiality of identifiable data will be protected upon completion of the project.

Assurance that the anonymity of private persons will be protected: {§ 22.23(b)(8), § 22.22}

Provide assurance that project findings and reports prepared for dissemination will not contain information that can reasonably be expected to be identifiable to a private person except as authorized under 28 CFR § 22.22. If the project will result in the public release of statistical tables or microdata files, please provide assurance that appropriate measures will be taken to minimize the risk of disclosing confidential information about identifiable persons. It is not necessary to identify the precise measures that will be used. The applicant/grantee simply needs to assure OJJDP that before any statistical tables or microdata files are released to the public, the applicant/grantee will examine the tables and/or files for potential disclosure problems and take steps to prevent such disclosure.

Please provide name, address, phone number, and organizational affiliation for each of the above-mentioned individuals. If project staff and/or subcontractors have not been determined, please provide as much detail as possible about personnel (e.g., two research assistants) who will have access to data with identifying information on individuals.

Information Transfer Agreements: {§ 22.23(b)(6), § 22.24, § 22.26}

The regulations require that prior to the transfer of identifiable data to persons other than project staff and OJP staff, the persons receiving the data must enter into an Information Transfer Agreement. Please provide assurance that the transfer of identifiable data will be handled in compliance with 28 CFR § 22.24 and § 22.26. Appendix B: Peer Review Information

**UNITED STATES

OFFICE OF JUSTICE PROGRAMS

OJP G 4062.8A

Guideline

Office of Juvenile Justice and Delinquency Prevention (OJJDP) Peer Review Guideline

Purpose

This guideline establishes the procedures the Office of Juvenile Justice and Delinquency Prevention (OJJDP) will use in organizing and conducting peer reviews of applications submitted for discretionary funding to the Office of Juvenile Justice and Delinquency Prevention. This guideline replaces OJP G 4062.8 (October 15, 1990).

Scope

The provisions of this guideline apply to all discretionary grant applications submitted to OJJDP that require selection through a peer review process. This document is designed as a guide for applicants, peer reviewers, and OJJDP employees.

Background

- ◆ The Juvenile Justice and Delinquency Prevention (JJDP) Act of 1974, 42 U.S.C. 5601, *et seq.* (hereinafter referred to as the “Act”), as amended, requires that applications submitted to OJJDP for Part C discretionary funds be approved through a competitive process established by rule by the OJJDP Administrator. Programs carried out in declared disaster areas or programs that are uniquely qualified are exempt from this competitive application requirement.
- ◆ The Act further requires that programs be selected for OJJDP assistance through a formal peer review process using outside experts in fields related to the subject matter of the program, with the exception of assistance provided pursuant to Section 241(f) of the Act to an eligible organization comprised of member representatives of the State Advisory Groups.
- ◆ Accomplishing OJJDP’s mission to provide a comprehensive and coordinated approach to the problems of juvenile delinquency is dependent, to a large extent, on the success of the programs and projects OJJDP funds. To foster this success, OJJDP makes careful and informed selections of projects for funding. A very important element of the project selection process is peer review. Peer review is the technical and programmatic evaluation of projects and applications by experts from outside the Department of Justice who are qualified by training and/or experience to evaluate and make recommendations with regard to proposed programs.

Peer Review Policy

- ◆ It is OJJDP's policy to use peer review to assess all competitive assistance applications and, on an optional basis, applications for continued funding beyond a program's original project period and noncompetitive awards to uniquely qualified applicants. The following types of awards are specifically excluded from competition and peer review requirements under the terms of the OJJDP Competition and Peer Review Regulation:
 - ❖ Funds transferred to OJJDP from another Federal agency to augment authorized juvenile justice programs, projects, or purposes.
 - ❖ Funds transferred to other Federal agencies from OJJDP for program purposes as authorized by law.
 - ❖ Procurement contract awards which are subject to applicable Federal laws and regulations governing the procurement of goods and services for the benefit and use of the Federal Government.
 - ❖ Assistance awards from the 5 percent set aside of Special Emphasis funds under Section 261(e) of the Act.
 - ❖ Assistance awards under Section 241(f) of the Act.
- ◆ Peer review recommendations are advisory and do not bind the OJJDP Administrator to make the recommended decision. However, the Administrator will give full consideration to peer review recommendations in selecting projects for awards.
- ◆ In special circumstances, a grant application may require a second review. When a second review is required, the cognizant Division Director will determine whether the second review panel will be composed of new reviewers, the original reviewers, or a combination of both. Circumstances that might necessitate a second review include:
 - ❖ During the course of a review, prejudiced, misleading, or false information was presented to or used by the Peer Reviewers.
 - ❖ A procedural error made the review process inconsistent with the program announcement, specific instructions to the applicants, or the OJJDP Competition and Peer Review Regulation.

Definitions

- ◆ A **Peer Review Coordinator** is an OJJDP employee designated to oversee all aspects of the peer review process.
- ◆ **Competitive Awards** are made under OJJDP program announcements (published in the *Federal Register*) informing the public of the availability of funds for specific purposes and inviting formal applications (or, in some instances, Concept Papers). The selection criteria to be applied by the Peer Reviewers to a specific application are listed in each *Federal Register* announcement.

-
- ◆ The **Division Director** is the director of any one of the following OJJDP components: Research and Program Development Division; Special Emphasis Division; State Relations and Assistance Division; Training and Technical Assistance Division; Information Dissemination Unit; Concentration of Federal Efforts Program; or Missing and Exploited Children's Program.
 - ◆ **Financial Review** refers to review by the Office of Justice Programs, Office of the Comptroller, to determine whether the budgeted costs presented in an application are reasonable, allowable, and cost effective for the proposed activities. All applicants must meet OJP standards for fiscal integrity (as described in the current editions of the handbook on policies and procedures for OJP grants and the *Financial Guide*). A Financial Review is performed after the Administrator has decided to fund an applicant's project. Financial Review does not obviate the need for the Peer Reviewers to rate the application's response to the selection criteria for budget and cost effectiveness.
 - ◆ An **Internal Reviewer** is an officer or employee of the Department of Justice or other Federal agency qualified by experience and expertise to conduct appropriate application and program reviews.
 - ◆ An **Internal Review Group** consists of Internal Reviewers selected to review Concept Papers or applications submitted to OJJDP in response to a competitive program announcement, review noncompetitive applications, or review and evaluate the recommendations of a Peer Review Panel as part of the internal review process.
 - ◆ **Noncompetitive Awards** are made in the absence of program announcements inviting applications. These may include awards to continue a project's funding beyond the original project period or awards for uniquely qualified projects not subject to peer review.
 - ◆ A **Peer Reviewer** advises OJJDP on the merits of applications submitted for funding. A Peer Reviewer is an expert in a field related to the subject of a proposed program or in the implementation of that type of project and may not be an officer or employee of the Department of Justice.
 - ◆ **Peer Reviewer Recommendations** consist of ratings or summary rankings of Concept Papers or applications for the purpose of making recommendations regarding the selection of applications for OJJDP funding.
 - ◆ A **Peer Review Panel** consists of three or more experts selected to review, evaluate, and make recommendations on Concept Papers or applications submitted to OJJDP in response to a competitive program announcement.
 - ◆ A **Concept Paper** is an abbreviated application. Concept Papers may be requested by OJJDP for competitive programs for which a large number of applications are expected. Concept Papers will be reviewed by OJJDP staff or others who have expertise in the program area in order to eliminate applications that fail to meet minimum program or eligibility requirements, as specified in a program announcement, or clearly lack sufficient merit to qualify as potential candidates for funding consideration. Concept Papers may be subject to peer review.

-
- ◆ A **Program Announcement** is a notice published in the *Federal Register* that invites applications for a specific program and set of requirements.
 - ◆ The **Program Manager** is a member of the OJJDP staff who is directly responsible for the specific applications under peer review.
 - ◆ A **Ranking** is an application's relative position, based on summary ratings, to other applications submitted for a specific program announcement.
 - ◆ **Ratings** are scores assigned by individual Peer Reviewers based on an application's response to the selection criteria specified in the program announcement.
 - ◆ **Summary Ratings** are the averages of the total scores assigned to each application by each Peer Reviewer.

Peer Review Procedures

- ◆ **Number of Peer Reviewers on Each Panel.** The number of reviewers on a Peer Review Panel will vary by program depending on the volume of applications anticipated or received and the range of expertise required. A minimum of three Peer Reviewers will review each application.
- ◆ **Peer Reviewer Approval.** The OJJDP Administrator approves qualified consultants to serve as Peer Reviewers for each application or group of applications based on recommendations provided by the Division Director.
- ◆ **Consultant Pool.**
 - ❖ An OJJDP technical support contractor maintains a pool of qualified consultants from which Peer Reviewers shall be selected. Any individual with requisite expertise may be selected from the pool with approval of the OJJDP Administrator or the Administrator's designee. This pool is maintained for peer reviews and other technical assistance purposes, and includes a sufficient number of experts to meet OJJDP's peer review needs.
 - ❖ The Consultant Pool is managed by an OJJDP support contractor. Consultants are subcontractors employed by the OJJDP support contractor. Consultant experts are continually added to the pool to maintain a wide range of expertise, experience, background, ethnicity, gender, and geographic representation. Consultants performing peer review are reimbursed by the support contractor at a flat rate established by OJJDP.
 - ❖ Individuals who wish to be considered for the Consultant Pool may submit their credentials to the Peer Review Coordinator or to the OJJDP support contractor, who will evaluate the consultants' qualifications. Reviewers who fail to satisfactorily complete their assignments may not be reimbursed for their work.

◆ Selection of Peer Review Panels.

- ❖ The Program Manager may recommend qualified reviewers to the support contractor and will ask the support contractor to provide a listing of qualified reviewers in specific topical areas. A consultant expert must be enrolled in the Peer Review Pool to be eligible to serve as a reviewer.
- ❖ Based on the list received from the support contractor, the Program Manager and the Division Director will recommend potential reviewers from the Consultant Pool. The Administrator will approve reviewers from this list or ask for additional qualified consultant experts enrolled in the Consultant Pool.
- ❖ The Program Manager and the Division Director will submit their recommendations via a memorandum to the OJJDP Administrator. The proposed reviewers should be listed in order of preference with a brief biography attached to the recommendation memorandum. A copy of the memorandum shall be provided to the Peer Review Coordinator, who will notify the support contractor and the Division Director following approval of the Peer Reviewers.
- ❖ When considering candidates for a Peer Review Panel, the Program Manager and Division Director should recommend a highly qualified group that represents expertise related to the individual applications under review. Each panel should be structured to provide broad representation and many views on matters under the Peer Review Panel's consideration. Some considerations that should help achieve reasonable balance on the Peer Review Panel are:
 - ◆ Each member of the panel should have expertise in or complementary to the subject area under review. This does not preclude using youth representatives.
 - ◆ When possible, the Peer Review Panel should comprise researchers, practitioners, and academicians.
 - ◆ Panel members should be drawn from as wide a geographic area as is practical and should represent both urban and rural perspectives.
 - ◆ Special attention should be paid to recommending qualified women and minorities.
 - ◆ When appropriate, the Peer Review Panel should be composed of a diverse group of experts from the public and private sectors, including community-based youth-serving organizations.

Internal Review

- ◆ An internal review of applications or Concept Papers will be conducted by the Program Manager and/or by designated Department of Justice staff.
- ◆ The first stage of the internal review will determine if the application complies with minimum program and statutory requirements. Applications that do not meet basic requirements will not be

forwarded to a Peer Review Panel. Applicants whose proposals are rejected during the first internal review stage will be notified in writing of the reasons for the rejection. Examples of reasons for first stage rejection may include, but are not limited to, applications proposing activities other than those called for in the program announcement, applications proposing to serve a target population different from that specified in the program announcement, and applications from agencies or organizations that do not possess the qualifications specified in the program announcement.

- ◆ A second internal review will be conducted by the Program Manager after the completion of the external peer review. This may be supported by other Internal Reviewers and/or an Internal Review Group. Following the second internal review, the Program Manager will prepare a memorandum through the Division Director to the Administrator describing the review process, the conclusions and recommendations of the reviewers, the scores received by the application, any significant problems encountered during the review, suitability of the applicant, and significant recommendations for modifying or enhancing the application recommended for funding. The memorandum will provide a formal recommendation concerning applications recommended for grant awards.

Peer Review

- ◆ Peer reviews may be conducted by mail, conference call, in meetings, through a combination of the three, or through electronic means; a peer review meeting is preferred when practical. These peer review meetings facilitate useful dialog among the experts, provide an opportunity for the reviewers to seek clarification from the Program Manager concerning program and technical requirements, and, through careful monitoring, ensure that each application receives equal consideration.
- ◆ Infrequently, Peer Reviewers and/or Program Managers need to make site visits. In all instances, OJJDP determines the necessity of site visits. Should a Peer Review Panel believe that a recommendation cannot be finalized without a site visit, the Peer Review Panel should make a request to the Peer Review Coordinator, who will present the request to the Division Director for approval.
- ◆ For peer reviews that involve meetings, Peer Review Panel members will be assembled for instruction, including a review of the program announcement, selection criteria, and peer review procedures. The Peer Review Coordinator will provide general oversight for the peer review meeting. The Program Manager will be available to interpret the program announcement and provide objective information concerning program requirements. The OJJDP support contractor will provide staff to facilitate and record the meeting and prepare a summary of the proceedings.
- ◆ If OJJDP determines a need for reviewer communication, a conference call may be arranged among OJJDP staff, the support contractor, and the reviewers to discuss the applications.

Selection Criteria

- ◆ All OJJDP applications are, at a minimum, rated on the extent to which they meet the general selection criteria listed below:
 - ❖ The problem to be addressed by the project is clearly stated.
 - ❖ The objectives of the proposed project are clearly defined and the outcomes are measurable.
 - ❖ The project design is sound and contains program elements directly linked to the achievement of project objectives.
 - ❖ The project management and overall organizational capability demonstrate the applicant's capacity to successfully operate and support the project.
 - ❖ Budgeted costs are reasonable, allowable, and cost effective for the proposed activities.
- ◆ These criteria can also be enhanced to more clearly define the program requirements. Each competitive program announcement will indicate any additional program-specific review criteria to be considered in the peer review for that program. The assigned points for each criterion will be specified in the program announcement.

Scoring Applications

- ◆ The maximum score for each criterion shall be indicated in the program announcement, and the total possible score for all criteria shall equal 100 points.

For example:

 - ❖ Statement of the problem—15 points.
 - ❖ Definition of objectives—15 points.
 - ❖ Project design—30 points.
 - ❖ Project management and organizational capability—30 points.
 - ❖ Reasonableness of costs—10 points.
- ◆ Competitive applications will be rated by each Peer Reviewer according to the selection criteria. Summary ratings will be calculated from the numerical scores assigned to each application by the individual reviewers. The ranking of each application will be based on its summary rating. The rating categories are as follows:
 - ❖ 90–100 points Responsive with no revisions required.
 - ❖ 80–89 points Responsive with minor revisions required.
 - ❖ 70–79 points Responsive with significant revisions required.

-
- ❖ 60–69 points Minimally responsive with major deficiencies that would require extensive correction.
 - ❖ 0–59 points Not responsive and not sufficient to receive funding.

Results of Peer Review

- ◆ Peer review recommendations, in conjunction with the results of the internal review, assist the Administrator in the final selection of applications for funding.
- ◆ Peer Reviewers are encouraged to make suggestions for enhancing proposals.
- ◆ Occasionally, supplementary reviews are necessary. Supplementary reviews are performed by a Peer Reviewer for particular programs or project applications for the following reasons:
 - ❖ The applicant included highly technical aspects that initial Peer Review Panel members were not qualified to address.
 - ❖ Conflicts of interest or other disqualifying circumstance within the Peer Review Panel resulted in an insufficient number of valid peer reviews.

Standards of Conduct

All Peer Review Panelists will be treated as “special Government employees” (18 USC 202(a)) and, as such, are held to Department of Justice Standards of Conduct (28 C.F.R., Part 45).

Conflicts of Interest

In addition to the general Department of Justice conflict of interest rules set forth in its Standards of Conduct, OJJDP Peer Reviewers are subject to the OJJDP Peer Review Policy with respect to conflicts of interest.

- ◆ It is OJJDP’s policy to prohibit a Peer Review Panel member from participating in the review of any application when he or she has a real or potential conflict of interest, such as:
 - ❖ The Peer Reviewer has been, or would be, directly involved in the project (e.g., as a current or past advisory board member, consultant, collaborator, or conference speaker whose expenses would be paid from the grant).
 - ❖ The Peer Reviewer is employed by the same institution or organization as the applicant or was employed there within the past year.
 - ❖ The Peer Reviewer and the applicant collaborated within the past year on work related to the proposal.
 - ❖ The Peer Reviewer is or has been under consideration for a position at the applicant’s organization or institution.

-
- ❖ The Peer Reviewer served in an official capacity with the applicant's organization within the past year.
 - ❖ The Peer Reviewer's organization has members or closely affiliated officials (e.g., board of trustees members) who serve in an official capacity with the applicant's organization or institution.
 - ❖ The Peer Reviewer and the applicant have a familial relationship.
 - ❖ The Peer Reviewer had relations with the project director, or other key personnel identified in the application, as a student, thesis advisor, or postdoctoral advisor.
 - ❖ The Peer Reviewer and applicant are known to be either close friends or open antagonists.
 - ❖ The Peer Reviewer has a proposal planned for submission to OJJDP or currently under review by OJJDP within the same subject area as the proposed project.
 - ❖ The Peer Reviewer was declined for an OJJDP project, had a substantial budget reduction in an OJJDP-funded project, or incurred other unfavorable action from OJJDP.
 - ❖ The Peer Reviewer is currently involved in a project closely associated with the proposed project.
- ◆ The aforementioned situations should be considered by the Program Manager before a Peer Reviewer is recommended for a Peer Review Panel, and by the OJJDP support contractor and panelist before the proposed panelist accepts an invitation to serve on a specific review. Should a conflict of interest, or the appearance of a conflict of interest, develop after the individual has been selected, it should be brought to the attention of the Peer Review Coordinator by the Program Manager, Division Director, OJJDP support contractor, or Peer Reviewer.
 - ◆ During the course of a review, should a Peer Reviewer question that he/she may have a conflict of interest or the appearance of a conflict, the reviewer should immediately notify the Peer Review Coordinator or the support contractor's representative assigned to facilitate the review.

Confidentiality

Peer Review Panel members, OJJDP staff, and the support contractor must treat as absolutely confidential all application materials, reviewer identities, comments, deliberations, and recommendations of the Peer Review Panel. Panelists are prohibited from providing any information before, during, and after the review regarding their deliberations or recommendations to anyone outside the peer review process. Application materials and information about the Peer Review Panelists' discussion or recommendations on particular applications must not be divulged to, or discussed with, any persons not involved in the review process. Should a Peer Review Panel member receive a request for application materials or information about panel discussions or recommendations, the reviewer must notify the Peer Review Coordinator. Any persons requesting information about the review process, or about a specific application, should be referred to the Peer Review Coordinator.

Informing Applicants of Peer Reviewer Comments

An unsuccessful applicant may submit a written request for information about the peer review of its proposal, including a summary that specifies the strengths and weaknesses of the application, copies of the panelists' ratings and comment sheets, and a matrix of panelists' scores. Panelist identification is removed from these materials before they are provided to applicants who request them. Requests for information about the peer review of an applicant's proposal should be submitted in writing to the Program Manager. A copy of the request should be forwarded by the Program Manager to the Peer Review Coordinator.

Compensation

All Peer Reviewers will be eligible to be paid a consultant fee in accordance with Par. 6c. (2) of this guideline. In addition, Peer Review Panelists are eligible for reimbursement for travel expenses, including a per diem for lodging and meals, as authorized by Section 5703 of Title 5, United States Code. Vouchers and any necessary reimbursement forms will be provided to reviewers by the support contractor.

Managing the Peer Review Process

A technical support contractor assists the Peer Review Coordinator with managing the peer review process. The contractor identifies and secures the meeting site, records and summarizes the meeting, and reimburses the panelists for travel, lodging, and consulting fees.

State Advisory Groups, State Planning Agencies, and Juvenile Justice Specialists

As defined in the Juvenile Justice and Delinquency Prevention (JJDP) Act of 1974, as amended, funding is provided to States for the prevention, intervention, and treatment of juvenile delinquency. The State's Chief Executive Officer is responsible for designating the State agency with the responsibilities for carrying out the requirements of the JJDP Act. In addition, a Juvenile Justice Specialist is appointed and has responsibilities for developing a 3-year plan and administering the formula grants program, which provides grants to local units of government and private nonprofit organizations to prevent and control delinquency.

The JJDP Act provides for a State Advisory Group (SAG), which is appointed by the Chief Executive Officer, consisting of not less than 15 and not more than 33 members who have training, experience, or special knowledge concerning the prevention and treatment of juvenile delinquency or the administration of juvenile justice. The chair of the SAG is designated by the Chief Executive Officer and is responsible for ensuring the SAG's participation in the development and implementation of the State's JJDP 3-year plan. The following directory lists them by State and territory.

OMB State Single Points of Contact

It is estimated that in 2001, the Federal Government will outlay \$305.6 billion in grants to State and local governments. Executive Order 12372, "Intergovernmental Review of Federal Programs," was issued with the desire to foster the intergovernmental partnership and strengthen federalism by relying on State and local processes for the coordination and review of proposed Federal financial assistance and direct Federal development. The Order allows each State to designate an entity to perform this function. Below is the official list of those entities. States that are not listed have chosen not to participate in the intergovernmental review process, and therefore do not have a Single Point of Contact. If you are located within one of these States, you may still send application materials directly to a Federal awarding agency.
