Discussion guides will be used to (1) conduct in-depth discussions with 11 intermediaries in 2013 (to understand the strategies in place for scaling, replicating and/or expanding evidence based program models and how evidence was used to influence expansion; and (2) conducting in-person discussions with 15 subgrantee SIF program directors, subgrantee executive directors, and subgrantee evaluators, and stakeholders to document the extent to which expanded programs adhere to the original program model and understand how different program expansion strategies may be categorized.
