Completion of this application is required to obtain a permit to import Antarctic marine living resources under provisions of the Antarctic Marine Living Resources Convention Act of 1984 (16 USC 2431 et seq). No authorization to import will be issued without completion of this application. Pre-approval of toothfish imports enables NMFS to track all imports and ensure that all AMLR are being imported in compliance with all applicable regulations. Continuing measures and U.S. regulations implementing them appear in Volume 50, Part 300, Subpart G of the Code of Federal Regulations. Annual measures are noticed in the Federal Register and are also available at CCAMLR website located at http://www.ccamlr.org.

Public reporting burden for completing this form is estimated to average 15 minutes per response, including the time reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Notwithstanding any other provision of the law, no person is required to respond nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number. Send Comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to National Marine Fisheries Service, F/IA, 1315 East West Highway, Attention: CCAMLR Permit Office, Silver Spring, Maryland, 20910.
