Introduction to Federal Benefits and This Guide

As a Federal employee, the benefits available to you represent a significant piece of your compensation package. They may provide important insurance coverage to protect you and your family and, in some cases, offer tax advantages that reduce the burden in paying for some health products and services, or dependent or elder care services.

The purpose of this Guide is to provide you basic information about the benefits offered to you as a Federal employee, and assist you in making informed choices about these benefits as you move through your career and prepare for retirement.

Benefits Programs included in this Guide

In addition to your Civil Service or Federal Employees Retirement System benefits and the Thrift Savings Plan, the Federal government offers five benefits programs to eligible employees and retirees. This Guide includes information on the five programs:

- Federal Employees Health Benefits Program
- Federal Employees Dental and Vision Insurance Program
- Federal Flexible Spending Account Program
- Federal Employees' Group Life Insurance Program
- Federal Long Term Care Insurance Program

If you are a new Federal employee or have recently become eligible for benefits, this Guide will walk you through the benefits offered, and provide information on how and when to make your choices. If you are a current employee, it will provide the most current information regarding the benefit programs, and will support you as you make decisions during the annual Federal Benefits Open Season, or experience life events that cause you to reconsider previous choices.

This Guide also contains some tips on what to consider as you make your decisions. For instance, did you know that the Federal Employees Health Benefits (FEHB) Program, the Federal Employees Dental and Vision Insurance Program (FEDVIP) and the Federal Flexible Spending Account Program (FSAFEDS) can potentially provide you with greater benefits without costing you much more? As a Federal employee, you can choose to pay the FEDVIP and FEHB premiums with pre-tax dollars and you can use pre-tax FSA dollars to pay for eligible expenses, including FEDVIP and FEHB copays and deductibles. Dental and vision care are also eligible FSA expenses, whether combined with FEDVIP coverage or not. Please take a moment to review the information in this Guide and decide upon the right choices for you.

Additional Information

You will find references throughout this Guide to websites or other locations to obtain more detailed information than is available here. We encourage you to access these sites to become a more educated decision-maker and consumer of Federal benefit programs.

Pre-existing Condition Insurance Program (PCIP)

Do you know someone who needs health insurance but can't get it? The Pre-Existing Condition Insurance Plan (PCIP) may help.

An individual is eligible to buy coverage in PCIP if:

- He or she has a pre-existing medical condition or has been denied coverage because of the health condition;
- He or she has been without health coverage for at least the last six months. (If the individual currently has insurance coverage that does not cover the pre-existing condition or is enrolled in a state high risk pool then that person is not eligible for PCIP.);
- He or she is a citizen or national of the United States or resides in the U.S. legally.

The Federal government administers PCIP in the following states: Alabama, Arizona, District of Columbia, Delaware, Florida, Georgia, Hawaii, Idaho, Indiana, Kentucky, Louisiana, Massachusetts, Minnesota, Mississippi, North Dakota, Nebraska, Nevada, South Carolina, Tennessee, Texas, Vermont, Virginia, West Virginia, and Wyoming. To find out about eligibility, visit www.pcip.gov and/or www.healthcare.gov or call 1-866-717-5826 (TTY: 1-866-561-1604).

Thinking About Retiring?

Federal Benefits Facts

FEHB

- When you retire, you are eligible to continue health benefits coverage if you meet all of the following requirements:
 - you are entitled to retire on an immediate annuity under a retirement system for civilian employees (including the Federal Employees Retirement System (FERS) Minimum Retirement Age (MRA) + 10 retirement); and
 - you have been continuously enrolled (or covered as a family member) in any FEHB plan(s) for the 5 years of service immediately before the date your annuity starts, or for the full period(s) of service since your first opportunity to enroll (if less than 5 years).
- The 5 year requirement period can include the following:
 - the time you are covered as a family member under another person's FEHB enrollment; or
 - the time you are covered under the Uniformed Services Health Benefits Program (also known as TRICARE) as long as you were covered under an FEHB enrollment at the time of your retirement.
- As an annuitant, you are entitled to the same benefits and Government contributions as Federal employees enrolled in the same plan.
- The event of retirement is not a qualifying life event (QLE); however, there are other opportunities to change FEHB enrollment including during Open Season or when you experience a QLE.
- If you retire with a Self Only enrollment and later want to cover eligible family members, you can change to a Self and Family enrollment during the annual Open Season or when you experience certain QLEs.
- If you are not enrolled in FEHB (or covered as a family member) at the time of your retirement, you cannot enroll when you retire.
- If you are enrolled in a High Deductible Health Plan (HDHP) with a Health Savings Account (HSA) at the time of your retirement, you can still contribute to your HSA provided you have no other insurance coverage other than those specifically allowed, and are not claimed as a dependent on someone else's tax return. Some examples of other coverage that would cause ineligibility are: Medicare, TRICARE, other non-high deductible health insurance, or having received VA benefits within the previous three months. If you don't qualify for an HSA, your plan will enroll you in a Health Reimbursement Arrangement (HRA).
- If you cancel your FEHB enrollment as an annuitant, you will never be able to re-enroll in FEHB **unless** you had suspended your FEHB enrollment because you are now covered by a Medicare Advantage plan, TRICARE or CHAMPVA, or Medicaid or similar State-sponsored program of medical assistance, or Peace Corps Volunteer coverage.
- If you want your surviving family members to continue your health benefits enrollment after your death, you must be enrolled for Self and Family at the time of your death, and at least one family member must be entitled to an annuity as your survivor.
- Consider whether you need to sign-up for Medicare when you become eligible.

Thinking About Retiring?

Federal Benefits Facts *continued*

FEDVIP

- There is no 5 year requirement for continuing FEDVIP coverage into retirement.
- Your coverage will continue as a retiree. Retirees may also enroll during the annual Federal Benefits Open Season or when you experience a qualifying life event (QLE). Keep in mind that **retirement is not a QLE**.
- In most cases, changing from payroll deduction to annuity deduction is automatic, but may take one to three months to occur. It is advised that you contact BENEFEDS at 1-877-888-3337 prior to retirement in order to eliminate any suspension in coverage.
- BENEFEDS cannot deduct premiums from your annuity while you are receiving “special” or “interim” pay. Once your annuity is finalized, premium deductions will begin. If you miss one or more premium payments before your annuity is final, BENEFEDS will make double deductions until any balance due is paid. They will notify you before deducting this additional premium amount. Once there is no past due balance, the amount of premium deducted will return to the regular monthly premium.

FSAFEDS

- When you retire, you will no longer be able to participate in FSAFEDS. Your FSA will terminate as of the date of your retirement, and you will not be eligible to enroll as an annuitant. When you make your annual election for the year that you plan to retire, keep in mind that any remaining funds for which you have not incurred eligible expenses while employed will be forfeited.
- You can still submit claims for eligible medical expenses incurred prior to the date of your retirement.
- You can continue to use the remaining balance in your Dependent Care Flexible Spending Account (DCFSA) to pay for eligible dependent care expenses until the end of the Benefit Period or until your account balance is used up, whichever comes first.

Thinking About Retiring?

Federal Benefits Facts *continued*

FEGLI

- When you retire, you are eligible to continue your FEGLI life insurance coverage(s) if you retire on an immediate annuity and had the coverage for:
 - the five years of service immediately before the starting date of your annuity or, for annuitants retiring under FERS who postpone receiving their annuity, the five years immediately before their separation date for annuity purposes, or
 - all period(s) of service during which that coverage was available to you if it is less than five years, and
 - you (or your assignees) do not convert the coverage to a private policy.
- If you are eligible, you will choose via Standard Form (SF) 2818 how you wish your coverage(s) to continue during your retirement.
- If you are not enrolled in FEGLI at the time of your retirement, you cannot enroll when you retire.
- You cannot newly elect or increase existing coverage after you retire. You may only reduce or cancel coverage.
- Your premiums are subject to change in the future. Your premium could change based on your age and the experience of the Program. You will be notified if there is any change in your deductions from your annuity.

LTCP

- Your coverage continues into retirement provided you continue to pay premiums.
- If you pay premiums via payroll deduction, then shortly before you retire, you should notify Long Term Care Partners (LTCP) at 1-800-582-3337 to make other arrangements for premium payment.
- You may elect annuity deduction if you desire. LTCP cannot deduct your premium from “special” or “interim” pay. LTCP will send you a direct bill during this time. Premium deduction will begin from your annuity once it is finalized.

Federal Employees Health Benefits (FEHB) Program

What does this Program offer?

The FEHB Program offers a wide variety of types of plans and coverage to help you meet your health care needs. It is group coverage available to employees, retirees and their eligible family members. If you continuously maintain your FEHB enrollment, or are covered by another FEHB enrollment as a family member, or a combination of both, for the five years of service immediately preceding your retirement, and you retire on an immediate annuity, you can continue to participate in the FEHB program after retirement. The benefits you receive as a retiree are the same coverage Federal employees receive and at the same cost.

If you leave government employment before retiring, the Program offers temporary continuation of coverage (TCC) and an opportunity to convert your enrollment to non-group (private) coverage.

If you are currently enrolled in the FEHB and do not want to change plans or enrollment type, you do not need to do anything. Your enrollment will continue automatically.

Appendix E includes a comparison chart of all the plans in the FEHB with information comparing basic benefits and costs.

Key FEHB facts

- The FEHB Program is part of the annual Federal Benefits Open Season.
- FEHB coverage continues each year. You do not need to re-enroll each year. If you are happy with your current coverage, do nothing. Please note that your premiums and benefits may change.
- You can choose from Consumer-Driven and High Deductible plans that offer catastrophic risk protection with higher deductibles, health savings/reimbursable accounts and lower premiums, or Health Maintenance Organizations or Fee-for-Service plans with comprehensive coverage and higher premiums.
- There are no waiting periods and no pre-existing condition limitations, even if you change plans.
- If you are an active Federal employee, you can use your Health Care Flexible Spending Account or Limited Expense Health Care Flexible Spending Account with your FEHB plan.
- If you participate in premium conversion, enrollment changes can only be made during Open Season or if you experience a qualifying life event. Premium conversion allows Federal employees to use pre-tax dollars to pay their FEHB premiums.
- All nationwide FEHB plans offer international coverage.
- There are separate and/or different provider networks for each plan.
- Utilizing an in-network provider will reduce your out-of-pocket costs.

What enrollment types are available?

- Self Only, which covers only the enrolled employee;
- Self and Family, which covers the enrolled employee and all eligible family members.

Federal Employees Health Benefits (FEHB) Program

Which family members are eligible?

Family Members covered under your Self and Family enrollment are:

- Your spouse (including a valid common law marriage); and
- Children under age 26, including legally adopted children, recognized natural (born out of wedlock) children and stepchildren.

Foster children are included if they meet certain requirements. A child age 26 or over that is incapable of self-support because of a mental or physical disability that existed before age 26 is also an eligible family member.

In determining whether the child is a covered family member, your employing office will look at the child's relationship to you as an enrollee.

How much does it cost?

Temporary employees who are eligible to enroll under 5U.S.C. 8906a must pay the full enrollment charge including both the employee share and the Government contribution.

Am I eligible to enroll?

Most employees are eligible; those who are not eligible usually have limited appointments of short duration, or work sporadically only during certain seasons or when needed by their Federal agency. If you have an appointment other than a career or career conditional appointment and your agency has not provided you information about enrollment, you should contact your human resources office for information.

When you retire, you are eligible to continue health benefits coverage if you retire on an immediate annuity under a retirement system for civilian employees (including FERS MRA + 10 retirement) and you have been continuously enrolled (or covered as a family member) in any FEHB plan(s) for the 5 years of service immediately before the date your annuity starts, or for the full period(s) of service since your first opportunity to enroll (if less than 5 years).

If you suspend your FEHB coverage as a retiree because you are covered by TRICARE or CHAMPVA, a Medicare Advantage Plan, Medicaid, or Peace Corps volunteer coverage, you may reenroll under certain conditions. (You should contact your retirement system for information on your eligibility.) **If you are not enrolled in or covered as a family member under FEHB when you retire, you will not be able to enroll after retirement.**

Federal Employees Health Benefits (FEHB) Program

When can I enroll?

If you are a new employee who is eligible for FEHB or an employee who has become newly eligible to enroll, you may enroll within 60 days of becoming eligible. You may also enroll during the annual Open Season held from the Monday of the second full work week in November through the Monday of the second full work week in December. Furthermore, you may enroll, change your enrollment type, or change plans outside of Open Season if you experience a qualifying life event such as a change in family or other insurance coverage status. Appendix C contains more specific information about qualifying life events that permit employees to enroll or change enrollment in the FEHB Program.

For new or newly eligible employees who elect to enroll, coverage will be effective on the first day of the first pay period that begins after your agency receives your enrollment. An Open Season enrollment or change is effective on the first day of the first full pay period that begins in January.

How do I enroll?

You may be able to enroll using the Health Benefits Election Form (SF 2809) or through an agency self-service system such as Employee Express, MyPay, Employee Personal Page, or EBIS. Contact the human resources office of your employing agency for details.

Federal Employees Health Benefits (FEHB) Program

Did You Know... Health Information Technology can improve your health!

What is Health Information Technology? Health Information Technology (HIT) allows doctors and hospitals to manage medical information and to securely exchange information among patients and providers. In a variety of ways, HIT has a demonstrated benefit in improving health care quality, preventing medical errors, reducing costs, and decreasing paperwork.

What are examples of HIT at work?

- You can go online to review your medical, pharmacy, and laboratory claims information;
- If you complete a Health Risk Assessment (HRA), your health plan can identify you as a candidate for case management or disease management and offer suggestions on healthy lifestyle strategies and how to reduce or eliminate health risks. Health plans can provide you with tips and educational material about good health habits, information about routine care that is age and gender appropriate.
- Physicians can have the very best clinical guidelines at their fingertips for managing and treating diseases;
- While with a patient, a physician can enter a prescription on a computer where potential allergies and adverse reactions are shown immediately;
- Computer alerts are sent to physicians to remind them of a patient's preventive care needs and to track referrals and test results.

One feature of HIT is the **Personal Health Record (PHR)**. The electronic version of your medical records allows you to maintain and manage health information for yourself and your family in a private and secure electronic environment. Some health plans include your medical claims data in your PHR, which gives a more complete picture of your health status and history.

You can also find a PHR on OPM's website at www.opm.gov/insure/health/phr/tools.asp. This PHR is a fillable and downloadable form that you complete yourself and save on your home computer. We encourage you to take a look at this PHR option and, if you determine it will fulfill your record-keeping needs, take advantage of this opportunity.

Price/cost transparency is another element of health information technology. For example, many health plans allow you to use online tools that will show what the plan will pay on average for a specific procedure or for a specific prescription drug. You can also review healthcare quality indicators for physician and hospital services.

The health plans listed on our HIT website at www.opm.gov/insure/health/reference/hittransparency.asp have taken steps to help you become a better consumer of health care and have met OPM's HIT, quality and price/cost transparency standards.

No one is more responsible for your health care than you – HIT tools can help.

Federal Employees Dental and Vision Insurance Program (FEDVIP)

What does this Program offer?

The Federal Employees Dental and Vision Insurance Program provides comprehensive dental and vision insurance at competitive group rates. There are seven dental plans and three vision plans from which to choose. FEDVIP features nationwide, international, and regional plans.

A dental or vision insurance plan is much like a health insurance plan; you may be required to meet a deductible and provide a copay or coinsurance payments for your dental or vision services. With any plan choice, you should look at all the information and find a plan that will best fit your needs. You should also review your FEHB plan brochure to determine what dental and/or vision coverage the FEHB plan provides.

If you are currently enrolled in FEDVIP and you take no action during Open Season, your current coverage will continue in 2012, provided you remain eligible for the Program. Enrollment continues year to year, automatically. **Please Note:** your premiums and benefits may change for 2012.

Key FEDVIP facts

- FEDVIP is part of the annual Federal Benefits Open Season.
- FEDVIP is separate and different from the FEHB Program.
- The health care law does not change the age or unmarried requirement for dependents in FEDVIP.
- FEDVIP coverage continues each year. You do not need to re-enroll each year. If you do not want to change plans or enrollment type, do nothing.
- You can only cancel FEDVIP coverage during Open Season, upon deployment to active military duty or upon transfer to another agency where you enroll in their dental and/or vision plan and the agency pays at least 50% of the premium. You cannot cancel just because you retire or because you can no longer afford the premiums.
- If you are enrolled in an FEHB plan, it is a requirement under the FEDVIP law that your FEHB plan function as the first payer. The FEDVIP plan is always the secondary payer to the FEHB plan.
- You can use your Flexible Spending Account (FSA) with FEDVIP. You can submit your FEDVIP copayments and deductibles as eligible expenses against your FSA account.
- Cancellation of coverage can only be made during Open Season, upon deployment to active military duty, or upon transferring to an eligible position.
- All nationwide FEDVIP plans provide international coverage.
- There are separate and/or different provider networks for each plan.
- Utilizing an in-network provider will reduce your out-of-pocket costs.
- There are no pre-existing condition limitations for enrollment.
- There is no opportunity to convert to a private plan when your FEDVIP coverage ends. There is no 31-day extension of coverage, Temporary Continuation of Coverage (TCC), Spouse Equity coverage, or right to convert to an individual policy (conversion policy).

Federal Employees Dental and Vision Insurance Program (FEDVIP)

What enrollment types are available?

- Self Only, which covers only the enrolled employee or retiree;
- Self Plus One, which covers the enrolled employee or retiree plus one eligible family member specified by the enrollee; and
- Self and Family, which covers the enrolled employee or retiree and all eligible family members.

Appendix I lists the available dental and vision insurance plans along with basic benefit information.

Which family members are eligible?

Eligible family members include your spouse and unmarried dependent children under age 22. This includes legally adopted children and recognized natural children who meet certain dependency requirements. This also includes stepchildren and foster children who live with you in a regular parent-child relationship. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

FEDVIP rules and FEHB rules for family member eligibility are **NOT** the same.

Changes in dependent eligibility under healthcare reform (Affordable Care Act) do not affect eligibility for children under FEDVIP.

How much does it cost?

You pay the entire premium. There is no government contribution to the premium. If you are an active employee, your premiums are taken from your salary on a pre-tax basis if your salary is sufficient to make the premium withholding. When you retire, premiums are withheld from your monthly annuity check on a post-tax basis if your annuity is sufficient.

Premiums for the nationwide dental plans and one regional dental plan are based on where you live. This is called your rating region. Your home ZIP code is used to find your rating region. Rating regions vary by carrier. The vision plans do not have rating regions. Enrolling in a FEDVIP plan will not reduce your FEHB premium.

See Appendices J and K to find 1) the rating region assigned to the area where you live by the different dental plans and 2) the related premium you will pay. You may also go to our website at www.opm.gov/insure/dental and www.opm.gov/insure/vision for premium and rating region information.

Am I eligible to enroll?

In general, Federal employees eligible for FEHB coverage (whether or not actually enrolled) and retirees (regardless of FEHB status) are eligible to enroll in a dental and/or vision plan. Former spouses and deferred annuitants are NOT eligible to enroll. Anyone receiving an insurable interest annuity who is not also an eligible family member is NOT eligible to enroll.

Federal Employees Dental and Vision Insurance Program (FEDVIP)

When can I enroll?

If you are a new employee eligible for FEDVIP, or an employee who has become newly eligible to enroll, you may enroll within 60 days of first becoming eligible. This is a one-time opportunity outside of Open Season to enroll. There is a separate 60-day enrollment period for dental and vision. For example: you may enroll in a dental plan on day 30 and a vision plan on day 59. Once you enroll, your 60-day opportunity for that type of plan ends.

An eligible employee or retiree may also enroll during the annual Federal Benefits Open Season, which runs from the Monday of the second full work week in November through the Monday of the second full work week in December. An eligible employee or retiree may enroll, cancel, or change enrollment type or options during Open Season. They may enroll or make changes outside of Open Season if they experience a qualifying life event (QLE) such as a change in family or other insurance coverage status. Please see Appendix H for more information about QLEs that permit employees and retirees to enroll or make changes in FEDVIP.

If you enroll during Open Season, premiums are deducted beginning the first full pay period on or after January 1. For new or newly eligible employees who elect to enroll, coverage is effective the first day of the pay period following the one in which BENEFEDS receives your enrollment. An Open Season enrollment or change is effective January 1.

How do I enroll?

You may enroll on the Internet at www.BENEFEDS.com. BENEFEDS is a secure enrollment website sponsored by OPM. For those without access to a computer, please call 1-877-888-FEDS (1-877-888-3337) (TTY number, 1-877-889-5680).

You cannot enroll in a FEDVIP plan using the Health Benefits Election Form (SF 2809) or through an agency self-service system, such as Employee Express, MyPay or Employee Personal Page. However, those sites may provide a link to BENEFEDS.

What should I consider in making my decision to participate in this Program?

There are questions you should ask yourself when deciding to enroll in FEDVIP or selecting a FEDVIP plan. By considering these questions thoroughly, you will be able to determine if FEDVIP is a good option for you.

1. Does my FEHB plan provide dental or vision coverage?
2. Does the FEDVIP plan coordinate benefits with the FEHB plan and how is the coordination of benefits calculated?
3. How affordable is the plan?
 - How much will it cost me on a bi-weekly or monthly basis? Can I afford that for the entire year?
 - Must I pay a deductible?
 - If I use a FEDVIP provider outside of the network, how much will I pay to get care?
 - How frequently can I visit the dentist and how much do I have to pay at each visit?
 - Will the plan provide benefits if I am also covered by another dental or vision plan?

Federal Employees Dental and Vision Insurance Program (FEDVIP)

4. Do I have access to any provider?
 - Does the plan give me the freedom to choose my own dentist or am I restricted to a panel of dentists selected by the plan?
 - Are there enough of the kinds of dentists I want to see?
 - Where will I go for care? Are these places near where I work or live?
 - Do I need to get permission before I see a dental specialist?
 - Will the plan allow referrals to specialists? Will my dentist and I be able to choose the specialist?

5. Does the plan provide coverage for specialty services?
 - Are dentures, orthodontics, implants or replacement of missing teeth covered?
 - What are the plan's limitations or exclusions?
 - Are there annual limits on the types of services included?

How do I find my premium rate?

If you live outside the United States:

Go to Appendix K for your dental and vision premium rates.

If you live inside the United States:

Go to Appendix K for your vision premium rate. To find your bi-weekly or monthly dental premium, you must first find your rating area on the chart in Appendix J. Some plans may have changed their rating regions for the upcoming plan year.

Please Note: If you are currently enrolled and have moved or your postal service has assigned you a new ZIP code, your rating region may have changed.

1. To find your dental rating area:
 - a. Go to the chart in Appendix J.
 - b. Find your state and your corresponding Zip code (1st 3 digits).
 - c. Look under the plan name and you will find your rating area.
2. To find your bi-weekly or monthly dental premium, match your rating area with your desired FEDVIP plan on the chart in Appendix K.

Making an informed choice

- Before selecting a plan that best suits your needs, ask your carrier or access the OPM website for a copy of the plan brochure.
- If you have questions about coverage, exclusions, limitations or payment of benefits, ask the plan before making your plan selection.
- Find out which plan your provider participates in and why. Keep in mind that if your provider leaves the plan, this is not a qualifying life event allowing a change or cancellation.

Federal Flexible Spending Account Program (FSAFEDS)

What does this Program offer?

A way to SAVE MONEY. The Federal Flexible Spending Account Program, known as FSAFEDS, is a benefit that can save you money. It offers accounts where you contribute money from your salary BEFORE taxes are withheld, incur eligible expenses, and get reimbursed. It's a way to save money on dependent care and health care services and items for you and your family. It's a way to pay less tax and save money!

The money contributed to your FSAFEDS account is set aside before taxes are deducted, so in most cases you save about 30% on your Federal taxes. The average tax savings for a person earning \$50,000 who contributes \$2,000 into an FSA account is approximately \$600. That means you get \$2000 worth of FSA eligible purchasing power PLUS pay about \$600 LESS in Federal taxes.

Key FSAFEDS facts

- FSAFEDS is part of the annual Federal Benefits Open Season.
- Retirees cannot enroll in FSAFEDS.
- Employees MUST re-enroll each year – coverage does not automatically carry over to the next benefit period.
- If you enroll during Open Season you will have 14-1/2 months to spend your annual election.
- Enrollees must incur eligible expenses for their current benefit period by March 15th of the following year.
- Enrollees must file claims for their current benefit period by April 30th of the following year.
- Enrollees can use FSAFEDS accounts for copayments and deductibles from their FEHB and/or FEDVIP enrollments.
- Plan your contribution carefully and conservatively – you will lose any money in your account(s) for which you do not incur eligible expenses and timely file claims.
- Eligible health care expenses of an employee's child are covered through the end of the year in which the child turns 26.

Recent changes to FSAFEDS

- Coverage for Over-the-Counter Medicines or Drugs - Over-the-counter (OTC) products that are medicines or drugs are not eligible for reimbursement from your Health Care FSA – unless – you have a prescription for that item written by your physician. The only exception is insulin – you will not need a prescription. Other currently eligible OTC items that are not medicines or drugs will not require a prescription.
- Expanded Coverage for Your Child's Eligible Health Care Expenses - An employee enrolled in FSAFEDS may request reimbursement for eligible health care expenses incurred by a natural child, stepchild, adopted child, eligible foster child, or a child who is placed with the employee for legal adoption. The child does not need to reside with the employee or qualify as the employee's tax dependent.

Federal Flexible Spending Account Program (FSAFEDS)

What enrollment types are available?

There are three types of FSAs. Each type has a minimum annual election of \$250 and a maximum of \$5,000:

- **Dependent Care FSA (DCFSA)** – Used for eligible dependent care (non-medical) expenses that allow you and your spouse (if married) to work, look for work (as long as you have earned income at some point during the year), or attend school full-time. Eligible expenses include child care, before and after school care, late pick-up fees, and adult daycare. Dependents covered under a DCFSA include your children before their 13th birthday, and may also include any person you claim as a dependent on your Federal Income Tax return who is mentally or physically incapable of self care.
- **Health Care FSA (HCFSA)** – Used for eligible health care expenses for you, your spouse, your tax dependents, and your adult children through the end of the calendar year in which they turn age 26 that are not covered or reimbursed by FEHB, FEDVIP or other insurance. Common expenses that are reimbursable by an HCFSA include:
 - Chiropractic services
 - Coinsurance, copays and deductibles (but not insurance premiums)
 - Contact lenses, solutions, and cleaners and cases
 - Dental care and procedures
 - Eye surgery
 - Eyeglasses and prescription sunglasses
 - Hearing aids and batteries
 - Infertility treatments

An HCFSA is not health insurance and does not replace your insurance plan. It is a separate program that reimburses you for eligible out-of-pocket health care expenses.

- **Limited Expense Health Care FSA (LEX HCFSA)** – Designed for employees enrolled in or covered by a High Deductible Health Plan with a Health Savings Account. Eligible expenses are **limited** to dental and vision care expenses for you, your spouse, your tax dependents and your adult children through the end of the calendar year in which they turn age 26 that are not covered or reimbursed by FEHB, FEDVIP or other insurance. By opening a Limited Expense Health Care FSA you can save money on taxes by using your LEX HCFSA dollars for dental and vision care while preserving your Health Savings Account funds for other purposes.

Eligible expenses include your out-of-pocket costs for services and products related to:

- Dental care (e.g., cleanings, fillings, crowns, orthodontics, etc.)
- Vision care (e.g., contact lenses, eyeglasses, refractions, vision correction procedures, etc.)

Am I eligible to enroll?

Most Federal employees in the Executive branch and many in non-Executive branch agencies are eligible. For specifics on eligibility, visit www.FSAFEDS.com or call an FSAFEDS Benefits Counselor toll-free at 1-877-FSAFEDS (1-877-372-3337) TTY: 1-800-952-0450, Monday through Friday, 9 a.m. until 9 p.m., Eastern Time. Retirees cannot enroll.

Federal Flexible Spending Account Program (FSAFEDS)

Which family members are eligible?

Enrollees in FSAFEDS may request reimbursement for eligible health care expenses incurred by a spouse, tax dependent, natural child, stepchild, adopted child, eligible foster child, or a child who is placed with the enrollee for legal adoption.

When can I enroll?

If you are a new or newly eligible employee or experience a qualifying life event (QLE), such as a change in family status, you have 60 days from your hire date (QLE date) to enroll in a HCFSA or LEX HCFSA and/or DCFSA, but you must enroll before October 1. If you are hired or become eligible or experience a QLE on or after October 1, you must wait and enroll during the Federal Benefits Open Season held each fall, which runs from the Monday of the second full work week in November to the Monday of the second full work week in December. You can find more information about qualifying life events at www.FSAFEDS.com.

Enrollment does not carry over from year to year – you must make an election every year to participate!

An election made during Open Season is effective on January 1 of the benefit year. If you are a newly hired or newly eligible employee enrolling outside of Open Season, your effective date is the day after your election is accepted by FSAFEDS.

Qualifying Life Events (QLEs) that May Permit a Change in Your Flexible Spending Account Participation

The following QLEs may allow you to enroll, cancel, increase, or even decrease your election amount:

- A change in your legal marital status (i.e., marriage, legal separation, divorce, or death of your spouse)
- The birth or adoption of your child, or placement for adoption
- The death of a dependent
- Other changes in the number of your tax dependents (e.g., parents now reside with you because they are incapable of self-care)
- A change in employment status (for you, your spouse or your dependent) that affects eligibility for health insurance benefits
- Leave Without Pay (LWOP) due to military deployment
- A change in your dependent's eligibility (e.g., your child reaches age 13 when he/she is no longer eligible for coverage under a Dependent Care Flexible Spending Account)
- A change in cost or coverage for daycare or elder care (e.g., a significant cost increase charged by your current daycare provider, or a change in your provider – for Dependent Care Flexible Spending Account only)

Federal Employees' Group Life Insurance (FEGLI) Program

What does this Program offer?

The FEGLI Program offers group term life insurance.

Key FEGLI facts

- The FEGLI Program is **not** part of the annual Federal Benefits Open Season.
- Employees in eligible positions are automatically covered under Basic life insurance, unless they choose to waive that coverage.
- Employees must have Basic insurance in order to have or elect Optional insurance.
- Employees must take action, within strict time limits, to elect Optional insurance. Coverage is not automatic.
- The Government pays one-third of the cost of Basic insurance. Enrollees pay 100% of the cost of Optional insurance.
- FEGLI does not have any cash or paid-up value. You cannot get a loan by borrowing from this insurance.
- Retirees may be able to continue their FEGLI coverage into retirement, but they cannot newly elect FEGLI coverage as a retiree.
- Living benefits are life insurance benefits paid to you while you are still living, rather than paid to a beneficiary or survivor when you die. You are eligible to elect a living benefit if you are an employee, retiree, or compensation covered under the FEGLI Program who has been diagnosed as terminally ill with a life expectancy of nine months or less, and you have not assigned your insurance.

What coverage is available?

Basic insurance – your annual salary, rounded up to the next even \$1,000, plus \$2,000. Basic insurance includes accidental death and dismemberment coverage for employees (not for retirees).

Optional insurance

- **Option A - Standard** – \$10,000 of insurance. Option A includes accidental death and dismemberment coverage for employees (not for retirees).
- **Option B - Additional** – 1, 2, 3, 4 or 5 times your annual rate of basic pay after rounding it up to the next even \$1,000.
- **Option C - Family** – coverage for your spouse and all of your eligible dependent children. You can elect 1, 2, 3, 4 or 5 multiples. Each multiple is equal to \$5,000 for your spouse and \$2,500 for each eligible child.

How much does it cost?

You pay two-thirds of the premium for Basic life insurance and the Government pays one-third. Your cost for Basic life insurance is \$0.15 biweekly, per \$1,000 of coverage. Your age does not affect the cost of Basic insurance.

You pay 100% of the premium for Optional insurance. The cost depends on your age, based on 5-year age groups.

Am I eligible to enroll?

Most Federal employees are eligible to enroll in FEGLI unless they are excluded by law or regulation. Federal retirees are eligible to carry their FEGLI into retirement if they meet the following requirements: eligible to retire on an immediate annuity (including FERS MRA+10 retirement), have not converted the coverage to a private plan, and have been insured under FEGLI for the five years immediately preceding retirement or for all periods of service during which FEGLI was available to them if they have been covered for less than five years. **There is no waiver of this five-year rule.**

Federal Employees' Group Life Insurance (FEGLI) Program

Which family members are eligible?

Eligible FEGLI family members include a spouse and eligible dependent children. Eligible dependent children must be unmarried and under age 22, or if age 22 or over, incapable of self-support because of a mental or physical disability that existed before the child reached age 22. Eligible dependent children include your natural children, adopted children, stepchildren (if they live with you in a regular parent-child relationship), recognized natural children and foster children (if they live with you in a regular parent-child relationship). Stillborn children are not covered.

When can I enroll?

The FEGLI Program is **not** part of the annual Federal Benefits Open Season.

If you are a new employee who is eligible for FEGLI, or an employee who has become newly eligible to enroll, you will be automatically enrolled in Basic. If you do not want Basic, you must file a waiver with your agency.

As a new or newly eligible employee, you may enroll in Optional insurance within 60 days of becoming eligible. If you take no action, you will have Basic and will not have any Optional insurance.

If you are not a new employee or newly eligible, you may enroll in Basic life insurance and, if you wish, Option A and/or Option B coverage by providing satisfactory medical information at your own expense using the Request for Life Insurance (Standard Form 2822). You cannot enroll in Option C this way.

You may elect Basic, Option A, Option B and Option C within 60 days of a FEGLI qualifying life event. In addition, you may increase the number of multiples of Option B and/or Option C. You may elect any number of multiples for Option B and Option C as long as the total number of multiples for each option does not exceed 5.

You may also enroll during a FEGLI Open Season, which is held infrequently. You will receive plenty of notice when there is a FEGLI Open Season. The most recent FEGLI Open Seasons were held in 2004 and in 1999.

How do I enroll?

You may be able to enroll using the Life Insurance Election Form (Standard Form 2817) or through an agency self-service system such as EBIS. Contact the human resources office of your employing agency for details on how you can enroll.

Who gets the benefits paid after my death?

When you die, the Office of Federal Employees' Group Life Insurance (OFEGLI), an administrative unit of Metropolitan Life Insurance Company (MetLife), will pay life insurance benefits in a particular order set by law. The FEGLI Program Booklet, available from your human resources office and at www.opm.gov/insure/life, contains more details.

How does my beneficiary file a claim?

He or she must use a specific form (FE-6) to claim FEGLI benefits, available from your human resources office or retirement system or at www.opm.gov/insure/life.

How do I get more information about this Program?

Contact your agency human resources office. If you are retired, contact OPM's Retirement Operations Center at retire@opm.gov or by calling 1-888-767-6738. Neither OFEGLI nor OPM's Insurance Operations offices maintain records for active Federal employees or retirees.

Federal Long Term Care Insurance Program (FLTCIP)

What does this Program offer?

The FLTCIP offers insurance that helps cover the costs of certain long term care services. Long term care is the assistance you receive to perform activities of daily living – such as bathing or dressing yourself – or supervision you receive because of a severe cognitive impairment, such as Alzheimer's disease. Long term care can be provided in a facility, like a nursing home, but is most often provided at home.

Key FLTCIP facts

- The FLTCIP is **not** part of the annual Federal Benefits Open Season.
- You must apply and answer questions about your health to find out if you are approved to enroll.
- You can apply for coverage at any time using the full underwriting application; you do not have to wait for an Open Season.
- New/newly eligible employees and their spouses and newly married spouses of employees can apply with abbreviated underwriting (fewer questions about their health) within 60 days of becoming eligible.
- Qualified relatives, including same-sex domestic partners can also apply, with full underwriting.
- Once enrolled, you can keep your coverage even if you are no longer in an eligible group (for example, you leave your job with the Federal Government).

How much does it cost?

If you are approved for coverage, your premium is based on your age on the date your application is received and on the benefit options you select. You may pay your premiums through deductions from pay or annuity, by automatic bank withdrawal, or by direct bill.

PLEASE NOTE: Your premiums do not change because you get older or your health changes after your coverage becomes effective. However, premiums are not guaranteed. We may only increase premiums if you are among a group of enrollees whose premium is determined to be inadequate.

Am I eligible to apply?

Most Federal employees are eligible to apply for coverage; those who are not eligible usually have limited appointments of short duration, or work sporadically only during certain seasons or when needed by their Federal agency. If you are eligible for the FEHB Program you are eligible to apply for coverage under the FLTCIP, even if you are not enrolled in the FEHB Program. Retirees are eligible to apply.

Federal Long Term Care Insurance Program (FLTCIP)

Which family members are eligible?

Enrollment in the FLTCIP is on an individual basis. If you are eligible as a Federal employee or annuitant, your spouse, same-sex domestic partner, and your adult children at least 18 years old are eligible to apply for coverage. If you are a Federal employee, your parents, parents-in-law, and step parents are also eligible to apply.

For more information on eligibility, visit www.ltcfeds.com/eligibility.

How do I apply?

You apply by completing an application found at www.ltcfeds.com or by calling 1-800-LTC-FEDS. You must pass a medical screening (called underwriting). Certain medical conditions, or combinations of conditions, will prevent some people from being approved for coverage. By applying while you're in good health, you could avoid the risk of having a future change in your health disqualify you from obtaining coverage. Also, the younger you are when you apply, the lower your premiums.

If you are a new or newly eligible employee, you (and your spouse, if applicable) have 60 days to apply using the abbreviated underwriting application, which asks fewer questions about your health. Newly married spouses of employees also have 60 days to apply using abbreviated underwriting. You and your qualified relatives, including same-sex domestic partners may apply anytime using the full underwriting application.

What should I consider in making my decision to participate in this Program?

Remember that FEHB plans do not cover the cost of long term care. While Medicare covers some care in nursing homes and at home, it does so only for a limited time, subject to restrictions. The need for long term care can strike anyone at any age and the cost of care can be substantial.

Be sure to visit www.ltcfeds.com for the most up-to-date information about the FLTCIP before deciding whether to apply.

How do I get more information about this Program?

Call 1-800-LTC-FEDS (1-800-582-3337), (TTY 1-800-843-3557) or visit www.ltcfeds.com.

FEHB Program Features

No waiting periods. You can use your benefits as soon as your coverage becomes effective. There are no pre-existing condition limitations even if you change plans.

A choice of coverage. You can choose Self Only coverage just for you, or Self and Family coverage for you, your spouse, and children under age 26. Under certain circumstances, your FEHB enrollment may cover your disabled child 26 years old or older who is incapable of self-support.

A choice of plans and options. The FEHB Program offers Fee-for-Service plans, plans offering a Point-of-Service product, Health Maintenance Organizations, High Deductible Health Plans, and Consumer-Driven Health Plans.

Salary deduction. You pay your share of the premium through a payroll deduction and have the choice of doing so using pre-tax dollars.

Annual enrollment opportunities. Each year you can enroll or change your health plan enrollment during Open Season. Open Season runs from the Monday of the second full work week in November through the Monday of the second full work week in December. Other events allow for certain types of changes throughout the year; see your human resources office or retirement system for details.

Continued group coverage. The FEHB Program offers continued FEHB coverage:

- * for you and your family when you retire from Federal service (normally you need to be covered under the FEHB Program for the five years of service immediately before you retire),
- * for your former spouse if you divorce and he or she has a qualifying court order (see your human resources office for more information),
- * for your family if you die, or
- * for you and your family when you move, transfer, go on leave without pay, or enter military service (certain rules about coverage and premium amounts apply; see your human resources office).

Coverage after FEHB ends. The FEHB Program offers temporary continuation of coverage (TCC) and conversion to non-group (private) coverage:

- * for you and your family if you leave Federal service (including when you are not eligible to carry FEHB into retirement),
- * for your covered child if he or she turns age 26, or
- * for your former spouse if you divorce and he or she does not have a qualifying court order (see your human resources office for more information).

If you lose coverage under the FEHB Program, you should automatically receive a Certificate of Group Health Plan Coverage from the last FEHB plan to cover you. If not, the plan must give you one on request. This certificate may be important to qualify for benefits if you join a non-FEHB plan.

Appendix B

Choosing an FEHB Plan

What type of health plan is best for you?

You have some basic questions to answer about how you pay for and access medical care.

Here are the different types of plans from which to choose.

| | Choice of doctors, hospitals, pharmacies, and other providers | Specialty care | Out-of-pocket costs | Paperwork |
|--|--|---|--|--|
| Fee-for-Service w/PPO (Preferred Provider Organization) | You must use the plan's network to reduce your out-of-pocket costs. For BCBS Basic Option, you must use Preferred providers for your care to be eligible for benefits. | Referral not required to get benefits. | You pay fewer costs if you use a PPO provider than if you don't. | Some, if you don't use network providers. |
| Health Maintenance Organization | You generally must use the plan's network to reduce your out-of-pocket costs. | Referral generally required from primary care doctor to get benefits. | Your out-of-pocket costs are generally limited to copayments. | Little, if any. |
| Point-of-Service | You must use the plan's network to reduce your out-of-pocket costs. You may go outside the network but you will pay more. | Referral generally required to get maximum benefits. | You pay less if you use a network provider than if you don't. | Little, if you use the network. You have to file your own claims if you don't use the network. |
| Consumer-Driven Plans | You may use network and non-network providers. You will pay more by not using the network. | Referral not required to get maximum benefits from PPOs. | You will pay an annual deductible and cost-sharing. You pay less if you use the network. | Some, if you don't use network providers. |
| High Deductible Health Plans w/Health Savings Account (HSA) or Health Reimbursement Arrangement (HRA) | Some plans are network only, others pay something even if you do not use a network provider. | Referral not required to get maximum benefits from PPOs. | You will pay an annual deductible and cost-sharing. You pay less if you use the network. | If you have an HSA or HRA account, you may have to file a claim to obtain reimbursement. |

Appendix B

Choosing an FEHB Plan

What should you consider when choosing a plan?

Having a variety of plans to choose from is a good thing, but it can make the process confusing. We have a tool on our website that will help you narrow your plan choice based on the benefits that are important to you; go to www.opm.gov/insure/health/search/plansearch.aspx. You can also find help in selecting a plan using tools provided by PlanSmartChoice and Consumer's Checkbook at www.opm.gov/insure/health/planinfo/index.asp.

Ask yourself these questions:

- 1. How much does the plan cost?** This includes the premium you pay.
- 2. What benefits does the plan cover?** Make sure the plan covers the services or supplies that are important to you, and know its limitations and exclusions.
- 3. What are my out of pocket costs?** Does the plan charge a deductible (the amount you must first pay before the plan begins to pay benefits)? What is the copayment or coinsurance (the amount you share in the cost of the service or supply)?
- 4. Who are the doctors, hospitals, and other care providers I can use?** Your costs are lower when you use providers who are part of the plan; these are “in-network” providers.
- 5. How well does my plan provide quality care?** Quality care varies from plan to plan, and here are three sources for reviewing quality.

* Member survey results – evaluations by current plan members are posted within the health plan benefit charts in this Guide.

* Effectiveness of care – how a plan performs in preventing or treating common conditions is measured by the Healthcare Effectiveness Data and Information Set and is found at www.opm.gov/insure/health/planinfo/quality/hedis.aspx.

* Accreditation – evaluations of health plans by independent accrediting organizations. Check the cover of your health plan's brochure for its accreditation level or go to <http://reportcard.ncca.org/plan/external/plansearch.aspx>.

Appendix B

Choosing an FEHB Plan

Definitions

Brand name drug - A prescription drug that is protected by a patent, supplied by a single company, and marketed under the manufacturer's brand name.

Coinsurance - The amount you pay as your share for the medical services you receive, such as a doctor's visit. Coinsurance is a percentage of the plan's allowance for the service (you pay 20%, for example).

Copayment - The amount you pay as your share for the medical services you receive, such as a doctor's visit. A copayment is a fixed dollar amount (you pay \$15, for example).

Deductible - The dollar amount of covered expenses an individual or family must pay before the plan begins to pay benefits. There may be separate deductibles for different types of services. For example, a plan can have a prescription drug benefit deductible separate from its calendar year deductible.

Formulary or Prescription Drug List - A list of both generic and brand name drugs, often made up of different cost-sharing levels or tiers, that are preferred by your health plan. Health plans choose drugs that are medically safe and cost effective. A team including pharmacists and physicians determines the drugs to include in the formulary.

Generic Drug - A generic medication is an equivalent of a brand name drug. A generic drug provides the same effectiveness and safety as a brand name drug and usually costs less. A generic drug may have a different color or shape than the brand name, but it must have the same active ingredients, strength, and dosage form (pill, liquid, or injection).

In-Network - You receive treatment from the doctors, clinics, health centers, hospitals, medical practices, and other providers with whom your plan has an agreement to care for its members.

Out-of-Network - You receive treatment from doctors, clinics, health centers, hospitals, and medical practices other than those with whom the plan has an agreement at additional cost. Members who receive services outside the network may pay all charges.

Premium Conversion - A program to allow Federal employees to use pre-tax dollars to pay health insurance premiums to the Federal Employees Health Benefits (FEHB) Program. Based on Federal tax rules, employees can deduct their share of health insurance premiums from their taxable income, which reduces their taxes.

Provider - A doctor, hospital, health care practitioner, pharmacy, or health care facility.

Qualifying Life Events - An event that may allow participants in the FEHB Program to change their health benefits enrollment outside of an Open Season. These events also apply to employees under premium conversion and include such events as change in family status, loss of FEHB coverage due to termination or cancellation, and change in employment status.

Additional definitions are located at the beginning of the sections introducing the different types of health plans

Appendix C

Qualifying Life Events (QLEs) that May Permit a Change in Your FEHB Enrollment

Premium Conversion allows employees who are eligible for FEHB the opportunity to pay their share of FEHB premiums with pre-tax dollars. Premium conversion plans are governed by the Internal Revenue Code, and IRS rules govern when a participant may change his or her enrollment outside of the annual Open Season. When an employee experiences a qualifying life event, changes to the employee's FEHB enrollment may be permitted. Individuals who don't participate in Premium Conversion (retirees and employees who waived participation) may cancel their enrollment or change to Self Only at any time.

Below is a brief list of the more common QLEs. Be aware that time limits apply for requesting changes. A complete listing of QLEs can be found at www.opm.gov/forms/pdf_fill/sf2809.pdf. For more details about these and other QLEs, contact the human resources office of your employing agency.

| | From Not Enrolled to Enrolled | From Self Only to Self and Family | From One Plan or Option to Another | Cancel or Change to Self Only |

FEHB Member Survey Results

Each year Federal Employees Health Benefits plans with 500 or more subscribers mail the Consumers Assessment of Healthcare Providers and Systems (CAHPS)¹ to a random sample of plan members. For Health Maintenance Organizations (HMO)/Point-of-Service (POS) and High Deductible Health Plans (HDHP) and Consumer-Driven Health Plans (CDHP), the sample includes all commercial plan members, including non-Federal members. For Fee-for-Service (FFS)/Preferred Provider Organization (PPO) plans, the sample includes Federal members only. The CAHPS survey asks questions to evaluate members' satisfaction with their health plans. Independent vendors certified by the National Committee for Quality Assurance administer the surveys.

OPM reports each plan's scores on the various survey measures by showing the percentage of satisfied members on a scale of 0 to 100. Also, we list the national average for each measure. Since we offer HMO plans, FFS/PPO plans, HDHP, and CDHP plans, we compute a separate national average for each plan type.

Survey findings and member ratings are provided for the following key measures of member satisfaction:

- Overall Plan Satisfaction – This measure is based on the question, “Using any number from 0 to 10, where 0 is the worst health plan possible and 10 is the best health plan possible, what number would you use to rate your health plan?” We report the percentage of respondents who rated their plan 8 or higher.
- Getting Needed Care – How often was it easy to get an appointment, the care, tests, or treatment you thought you needed through your health plan?
- Getting Care Quickly – When you needed care right away, how often did you get care as soon as you thought you needed? Not counting the times you needed care right away, how often did you get an appointment at a doctor's office or clinic as soon as you thought you needed?
- How Well Doctors Communicate – How often did your personal doctor explain things in a way that was easy to understand? How often did your personal doctor listen carefully to you, show respect for what you had to say, and spend enough time with you?
- Customer Service – How often did the written materials or the Internet provide the information you needed about how your health plan works? How often did your health plan's customer service give you the information or help you needed? How often were the forms from your health plan easy to fill out?
- Claims Processing – How often did your health plan handle your claims quickly and correctly?
- Plan Information on Costs – How often were you able to find out from your health plan how much you would have to pay for a health care service or equipment, or for specific prescription drug medicines?

In evaluating plan scores, you can compare individual plan scores against other plans and against the national averages. Generally, new plans and those with fewer than 500 FEHB subscribers do not conduct CAHPS. Therefore, some of the plans listed in the Guide will not have survey data.

Nationwide Fee-for-Service Plans (Pages 34 through 37)

Fee-for-Service (FFS) plans with a Preferred Provider Organization (PPO) – A Fee-for-Service plan provides flexibility in using medical providers of your choice. You may choose medical providers who have contracted with the health plan to offer discounted charges. You may also choose medical providers who do not contract with the plan, but you will pay more of the cost.

Medical providers who have contracts with the health plan (Preferred Provider Organization or PPO) have agreed to accept the health plan's reimbursement. You usually pay a copayment or a coinsurance amount and do not file claims or other paperwork. Going to a PPO hospital does not guarantee PPO benefits for all services received in the hospital, however. Lab work, radiology, and other services from independent practitioners within the hospital are frequently not covered by the hospital's PPO agreement. If you receive treatment from medical providers who are not contracted with the health plan, you either pay them directly and submit a claim for reimbursement to the health plan or the health plan pays the provider directly according to plan coverage, and you pay a deductible, coinsurance or the balance of the billed charge. In any case, you pay a greater amount in out-of-pocket costs.

PPO-only – A PPO-only plan provides medical services only through medical providers that have contracts with the plan. With few exceptions, there is no medical coverage if you or your family members receive care from providers not contracted with the plan.

Fee-for-Service plans open only to specific groups – Several Fee-for-Service plans that are sponsored or underwritten by an employee organization strictly limit enrollment to persons who are members of that organization. If you are not certain if you are eligible, check with your human resource office first.

The Health Maintenance Organization (HMO) and Point-of-Service (POS) section begins on page 39.

Nationwide Fee-for-Service Plans

How to read this chart:

The table below highlights selected features that may help you narrow your choice of health plans. *Always consult plan brochures before making your final decision.* The chart does not show all of your possible out-of-pocket costs.

The **Deductibles** shown are the amount of covered expenses that you pay before your health plan begins to pay.

Calendar Year deductibles for families are two or more times the per person amount shown.

In some plans your combined **Prescription Drug** purchases from Mail Order and local pharmacies count toward the deductible. In other plans, only purchases from local pharmacies count. Some plans require each family member to meet a per person deductible.

The **Hospital Inpatient** deductible is what you pay each time you are admitted to a hospital.

Doctors shows what you pay for inpatient surgical services and for office visits.

Your share of **Hospital Inpatient Room and Board** covered charges is shown.

Prescription Drug Payment Levels Plans use a variety of terms to define what you pay for prescription drugs such as *generic, brand name, Tier I, Tier II, Level I, etc.* The 2 to 3 payment levels that plans use follow: **Level I** includes most generic drugs, but may include some preferred brands. **Level II** may include generics and preferred brands not included in Level I. **Level III** includes all other covered drugs, with some exceptions for specialty drugs. Many plans are basing how much you pay for prescription drugs on what they are charged.

Mail Order Discounts If your plan has a Mail Order program and that program is superior to the purchase of medications at the pharmacy (e.g., you get a greater quantity or pay less through Mail Order), your plan's response is "yes." If the plan does not have a Mail Order program or it is not superior to its pharmacy benefit, the plan's response is "no."

The prescription drug copayments or coinsurances described in this chart do not represent the complete range of cost-sharing under these plans. Many plans have variations in their prescription drug benefits (e.g., you pay the greater of a dollar amount or a percentage, or you pay one amount for your first prescription and then a different amount for refills). **You must read the plan brochure for a complete description of prescription drug and all other benefits.**

FEHB Plan Comparison Charts

Health Maintenance Organization Plans and Plans Offering a Point-of-Service Product (Pages 40 through 63)

Health Maintenance Organization (HMO) – A Health Maintenance Organization provides care through a network of physicians and hospitals in particular geographic or service areas. HMOs coordinate the health care service you receive and free you from completing paperwork or being billed for covered services. Your eligibility to enroll in an HMO is determined by where you live or, for some plans, where you work.

- The HMO provides a comprehensive set of services – as long as you use the doctors and hospitals affiliated with the HMO. HMOs charge a copayment for primary physician and specialist visits and sometimes a copayment for in-hospital care.
- Most HMOs ask you to choose a doctor or medical group as your primary care physician (PCP). Your PCP provides your general medical care. In many HMOs, you must get authorization or a “referral” from your PCP to see other providers. The referral is a recommendation by your physician for you to be evaluated and/or treated by a different physician or medical professional. The referral ensures that you see the right provider for the care appropriate to your condition.
- Medical care from a provider not in the plan’s network is not covered unless it’s emergency care or your plan has an arrangement with another plan.

Plans Offering a Point-of-Service (POS) Product – A Point-of-Service plan is like having two plans in one – an HMO and an FFS plan. A POS allows you and your family members to choose between using, (1) a network of providers in a designated service area (like an HMO), or (2) Out-of-Network providers (like an FFS plan). When you use the POS network of providers, you usually pay a copayment for services and do not have to file claims or other paperwork. If you use non-HMO or non-POS providers, you pay a deductible, coinsurance, or the balance of the billed charge. In any case, your out-of-pocket costs are higher and you file your own claims for reimbursement.

The tables on the following pages highlight what you are expected to pay for selected features under each plan. *Always consult plan brochures before making your final decision.*

Primary care/Specialist office visit copay – Shows what you pay for each office visit to your primary care doctor and specialist. Contact your plan to find out what providers it considers specialists.

Hospital per stay deductible – Shows the amount you pay when you are admitted into a hospital.

Prescription drugs – Plans use a variety of terms to define what you pay for prescription drugs such as generic, brand, Level I, Level II, Tier I, Tier II, etc. In capturing these differences we use the following: **Level I** includes most generic drugs, but may include some preferred brands. **Level II** may include generics and preferred brands not included in Level I. **Level III** includes all other covered drugs with some exceptions for specialty drugs. The level in which a medication is placed and what you pay for prescription drugs is often based on what the plan is charged.

Mail Order Discount – If your plan has a mail order program and that program is superior to the purchase of medications at the pharmacy (e.g., you get a greater quantity or pay less through mail order), your plan’s response is “yes.” If the plan does not have a mail order program or it is not superior to its pharmacy benefit, the plan’s response is “no.”

High Deductible and Consumer-Driven Health Plans With a Health Savings Account or Health Reimbursement Arrangement (Pages 68 through 79)

A High Deductible Health Plan (HDHP) provides comprehensive coverage for high-cost medical events and a tax-advantaged way to help you build savings for future medical expenses. The HDHP gives you greater flexibility and discretion over how you use your health care benefits.

When you enroll, your health plan establishes for you either a Health Savings Account (HSA) or a Health Reimbursement Arrangement (HRA). The plan automatically deposits the monthly “premium pass through” into your HSA. The plan credits an amount into the HRA. (This is the “Premium Contribution to HSA/HRA” column in the following charts.)

Preventive care is often covered in full, usually with no or only a small deductible or copayment. Preventive care expenses may also be payable up to an annual maximum dollar amount (up to \$300 for instance). As you receive other non-preventive medical care, you must meet the plan deductible before the health plan pays benefits. You can choose to pay your deductible with funds from your HSA or you can choose instead to pay for your deductible out-of-pocket, allowing your savings to continue to grow.

The HDHP features higher annual deductibles (a minimum of \$1,200 for Self and \$2,400 for Family coverage) and annual out-of-pocket limits (not to exceed \$6,050 for Self and \$12,100 for Family coverage) than other insurance plans. Depending on the HDHP you choose, you may have the choice of using In-Network and Out-of-Network providers. There may be higher deductibles and out-of-pocket limits when you use Out-of-Network providers. Using In-Network providers will save you money.

Health Savings Account (HSA)

A health savings account allows individuals to pay for current health expenses and save for future qualified medical expenses on a pre-tax basis. Funds deposited into an HSA are not taxed, the balance in the HSA grows tax free, and that amount is available on a tax free basis to pay medical costs. You are eligible for an HSA if you are enrolled in an HDHP, not covered by any other health plan that is not an HDHP (including a spouse’s health plan, but does not include specific injury insurance and accident, disability, dental care, vision care, or long-term coverage), not enrolled in Medicare, not received VA benefits within the last three months, not covered by your own or your spouse’s flexible spending account (FSA), and are not claimed as a dependent on someone else’s tax return. If you are enrolled in a High Deductible Health Plan with an HSA you may not participate in a Health Care Flexible Spending Account (HCFSA), but you are permitted to participate in a Limited Expense (LEX) HCFSA. HSA’s are subject to a number of rules and limitations established by the Department of the Treasury.

Visit www.ustreas.gov/offices/public-affairs/hsa for more information. The 2012 maximum contribution limits are \$3,100 for Self Only coverage and \$6,250 for Self and Family coverage. If you are over 55, you can make an additional “catch up” contribution. You can use funds in your account to help pay your health plan deductible.

FEHB Plan Comparison Charts

High Deductible and Consumer-Driven Health Plans With a Health Savings Account or Health Reimbursement Arrangement

Features of an HSA include:

- Tax-deductible deposits you make to the HSA. Your own HSA contributions are either tax-deductible or pre-tax (if made by payroll deduction). See IRS Publication 969.
- Tax-deferred interest earned on the account.
- Tax-free withdrawals for qualified medical expenses.
- Carryover of unused funds and interest from year to year.
- Portability; the account is owned by you and is yours to keep – even when you retire, leave government service, or change plans.

Health Reimbursement Arrangement (HRA)

Health Reimbursement Arrangements are a common feature of Consumer-Driven Health Plans. They may be referred to by the health plan under a different name, such as personal care account. They are also available to enrollees in High Deductible Health Plans who are not eligible for an HSA. HRAs are similar to HSAs except:

- An enrollee cannot make deposits into an HRA;
- A health plan may impose a ceiling on the value of an HRA;
- Interest is not earned on an HRA; and
- The amount in an HRA is not transferable if the enrollee leaves the health plan.

If you are enrolled in a High Deductible Health Plan with an HRA you may participate in a Health Care Flexible Spending Account (HCFSA).

The plan will credit the HRA different amounts depending on whether you have a Self Only or a Self and Family enrollment. You can use funds in your account to help pay your health plan deductible.

Features of an HRA include:

- Tax-free withdrawals for qualified medical expenses.
- Carryover of unused credits from year to year.
- Credits in an HRA do not earn interest.
- Credits in the HRA are forfeited if you leave federal employment or switch health insurance plans

FEHB Plan Comparison Charts

High Deductible and Consumer-Driven Health Plans With a Health Savings Account or Health Reimbursement Arrangement

A Consumer-Driven plan provides you with freedom in spending health care dollars the way you want. The typical plan has features such as: member responsibility for certain up-front medical costs, an employer-funded account that you may use to pay these up-front costs, and catastrophic coverage with a high deductible. You and your family receive full coverage for In-Network preventive care.

High Deductible and Consumer-Driven Health Plans With a Health Savings Account or Health Reimbursement Arrangement

The tables on the following pages highlight what you are expected to pay for selected features under each plan. The charts are not a complete statement of your out-of-pocket obligations in every individual circumstance. Unlike many regular medical plans, the covered out-of-pocket expenses under a High Deductible Health Plan, including office visit copayments and prescription drug copayments, count toward the calendar year deductible and the catastrophic limit. *You must read the plan's brochure for details.*

Premium Contribution (pass through) to HSA/HRA (or personal care account) shows the amount your health plan automatically deposits or credits into your account on a monthly basis for Self Only/Self and Family enrollments. (Consumer-Driven Health Plans credit accounts annually.) The amount credited under “Premium Contribution” is shown as a monthly amount for comparison purposes only.

Calendar Year (CY) Deductible Self/Family is the maximum amount of covered expenses an individual or family must pay out-of-pocket, including deductibles, coinsurance and copayments, before the plan pays catastrophic benefits.

Catastrophic (Cat.) Limit Self/Family is the maximum amount of covered expenses an individual or family must pay out-of-pocket, including deductibles and coinsurance and copays, before the Plan pays catastrophic benefits.

Office Visit shows what you pay for a visit to a primary care physician after the deductible is met for other than preventive care.

Inpatient Hospital shows what you pay after the deductible is met for hospital services when an inpatient. The amount could be a daily copayment up to a specified amount (e.g., \$50 a day up to three days), a coinsurance amount such as

FEHB Plan Comparison Charts

High Deductible and Consumer-Driven Health Plans With a Health Savings Account or Health Reimbursement Arrangement

20%, or a flat deductible amount (e.g., \$200 per admission). This amount does not include charges from physicians or for services that may not be charged by the hospital such as laboratory or radiology.

Outpatient Surgery shows what you pay the doctor for surgery performed on an outpatient basis.

Preventive Services are often covered in full, usually with no or only a small deductible or copayment. Preventive services may also be payable up to an annual maximum dollar amount (e.g., up to \$300 per person per year).

Prescription Drugs are categorized using a variety of terms to define what you pay such as generic, brand, Level I, Level II, Tier I, Tier II, etc. In capturing these differences we use the following: **Level I** includes most generic drugs, but may include some preferred brands. **Level II** may include generics and preferred brands not included in Level I. **Level III** includes all other covered drugs with some exceptions for specialty drugs. The level in which a medication is placed and what you pay for prescription drugs is often based on what the plan is charged.

High Deductible Health Plans and Consumer Driven Health Plans are much different from the other types of plans shown in this Guide. You can use in-network providers to save money. If you use out-of-network providers, however, you not only pay more of the costs but you are also usually responsible for any difference between the amount billed for a service and what the plan actually allows. (For example, you receive a bill from an out-of-network provider for \$100 but the plan allows \$85 for the service. You pay the higher copayment for out-of-network care plus the \$15 difference between \$100 – the billed amount – and the plan’s allowance of \$85.) In addition, the difference you pay between the billed amount and the plan’s allowance does not count toward satisfying the catastrophic limit.

FEDVIP Program Features

Waiting Periods

Dental - limited only to orthodontic services on most plans; for all other services, you may use your benefits as soon as your coverage becomes effective. There are very few pre-existing condition limitations.

Vision - no waiting period, you may use your benefits as soon as your coverage becomes effective. There are no pre-existing condition limitations.

A Choice of Coverage

Choose between Self Only, Self Plus One or Self and Family.

Contributions

There are no Government contributions. The enrollee pays 100% of the premium.

Salary Deduction

You automatically pay your premium through a payroll deduction using pre-tax dollars; employees cannot elect to waive this pre-tax option and annuitants are not eligible for this option. When premium contributions are withheld on a pre-tax basis, Internal Revenue Service (IRS) guidelines affect your ability to change coverage, i.e., you may cancel or change coverage levels only during a FEDVIP Open Season. You may also make changes throughout the plan year if a qualified life event occurs.

Annual Enrollment Opportunity

Each year, you may enroll or change your dental and/or vision plan enrollment. Open Season runs from the Monday of the second full work week in November through the Monday of the second full work week in December. Other events allow for certain types of changes throughout the year.

Continued Coverage

Eligibility for you or your family member may continue following your retirement or changes in employment status.

Claim Dispute Resolution

The claim review process will differ among plans. Upon written request from the enrollee and as a final option, the carrier will submit a dispute for resolution through a binding arbitration process. OPM will not review nor resolve disputes regarding FEDVIP. Please see your plan brochure for details.

Appendix G

FEDVIP Definitions

Eligible Dependents – Your spouse and unmarried dependent children under age 22. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support. **PLEASE NOTE:** *The health care law does not change the age or unmarried requirement for dependents under FEDVIP.*

First Payer – Under this rule, the FEHB plan is considered the primary payer and pays first, while the FEDVIP plan is considered the secondary payer. No more than 100% of any claim is paid by both plans.

In-Network Services – Services provided by members of the plan's provider network.

Nationwide Plan – A plan which provides services throughout the United States and around the world.

Out-of-Network Services – Services provided by health care professionals who are not a member of the plan's provider network.

Plan – The insurance company which participates in the FEDVIP program. Also called carrier.

Precertification – Also called predetermination. This is the procedure used by dental offices to determine what services a plan will cover and how much will be paid before the service is rendered.

Provider – A licensed health care professional; for example: dentists, oral surgeons, optometrists and ophthalmologists.

Provider Network – A group of health care providers who have a contract with a specific plan to provide services at an agreed upon cost.

Qualifying Life Event (QLE) – An event that allows you to enroll, or if you are already enrolled, allows you to change your enrollment outside of an Open Season. There is no QLE under FEDVIP which allows for cancellation, except upon deployment to active military duty or transfers to other agencies.

Regional Plan – A plan which provides services only in specified geographic regions.

Usual, Customary and Reasonable – A widely used method, which may vary from company to company, for determining benefit reimbursement levels. The initials simply mean:

Usual. The fee that an individual dentist most frequently charges for a given dental service.

Customary. A fee determined by the insurance company based on the range of usual fees charged by dentists in the same geographic area.

Reasonable. A fee which is justifiable considering special circumstances of the particular care rendered.

Waiting Period – The length of time a person must be covered under the plan before they are eligible for certain benefits. For example, most plans have a 24 month waiting period for orthodontic benefits. This means that you must be covered continuously by the same plan and option for 24 months before your child is eligible for orthodontic coverage.

Appendix H

FEDVIP Qualifying Life Events for Enrollment Changes

A qualifying life event (QLE) is an event that allows you to enroll, or if you are already enrolled, allows you to change your enrollment outside of an Open Season.

The following chart lists the QLEs and the enrollment actions you may take.

| Qualifying Life Event | From Not Enrolled to Enrolled | Increase Enrollment Type | Decrease Enrollment Type | Cancel | Change from One Plan to Another |
|--|-------------------------------|--------------------------|--------------------------|--------|---------------------------------|
| Acquiring an eligible family member | No | Yes | No | No | No |
| Losing a covered family member | No | No | Yes | No | No |
| Losing other dental/vision coverage (eligible or covered person) | Yes | Yes | No | No | No |
| Moving out of regional plan's service area | No | No | No | No | Yes |
| Going on active military duty, non-pay status (enrollee or spouse) | No | No | No | Yes | No |
| Returning to pay status from active military duty (enrollee or spouse) | Yes | No | No | No | No |
| Annuity/compensation restored | Yes | Yes | Yes | No | No |
| Transferring to an eligible position | No | No | No | Yes | No |

The time frame for requesting a QLE change is from 31 days before to 60 days after the event. There are two exceptions:

- There is no time limit for a change based on moving from a regional plans service area; and
- You cannot request a new enrollment based on a QLE before the QLE occurs except for enrollment due to a loss of dental or vision insurance. You must make the change no later than 60 days after the event.

Generally, enrollments and enrollment changes made based on a QLE are effective on the first day of the pay period following the one in which BENEFEDS receives and confirms the enrollment or change. BENEFEDS will send you confirmation of your new coverage effective date. BENEFEDS is a secure enrollment website sponsored by OPM.

Cancelling an enrollment

You can cancel your enrollment only during the annual Open Season, upon deployment to active military duty, or transfers to certain agencies. An eligible family members coverage also ends upon the effective date of the cancellation.

FEDVIP Plan Comparison Charts

This is a brief summary of the features of the dental and vision plans. Before making a final decision, please read the plan brochures and provider directories thoroughly. All plans are not the same. All benefits are subject to the definitions, limitations, copayments, annual maximums and exclusions set forth in the individual plan brochures. Go to our website at www.opm.gov/insure/dental/rates to find the rating region assigned to the area where you live and the related premium cost you will pay for dental coverage. Go to www.opm.gov/insure/vision/rates to see the premium cost for vision coverage.

Reading the Chart:

The table on the following pages highlights the selected features/classes of dental and/or vision services. Always consult plan brochures before making a decision. The chart does not show all of your possible out-of-pocket costs.

Dental Insurance

The deductibles shown for the dental plans are the amount of covered expenses that you pay before the plan begins to pay. Service Class refers to the level of benefits for each plan. The Service Classes are listed below. Calendar year maximum refers to the annual amount of benefits that you can receive per person.

Please Note: Most plans require that you are continuously enrolled in the same dental plan and/or option for the full waiting period before accessing orthodontia services. There are no other waiting periods for services.

Dental plans provide a comprehensive range of services, including but not limited to the following:

- Class A (Basic) services, which include oral examinations, prophylaxis, diagnostic evaluations, sealants and x-rays.
- Class B (Intermediate) services, which include restorative procedures such as fillings, prefabricated stainless steel crowns, periodontal scaling, tooth extractions, and denture adjustments.
- Class C (Major) services, which include endodontic services such as root canals, periodontal services such as gingivectomy, major restorative services such as crowns, oral surgery, bridges and prosthodontic services such as complete dentures.
- Class D (Orthodontic) services with up to a 24-month waiting period for children up to age 19.

Please review the dental plans' benefits material for detailed information on the benefits covered, cost-sharing requirements and provider directories.

Vision Insurance

Vision plans provide comprehensive eye examinations and coverage for lenses, frames and contact lenses (in lieu of eye glasses). Other benefits, such as discounts on lasik surgery, may also be available.

Please review the vision plans' benefits material for detailed information on the benefits covered, cost-sharing requirements and provider directories.

Medicaid and the Children's Health Insurance Program (CHIP) Offer Free or Low-Cost Health Coverage to Children and Families

- If you are eligible for health coverage from your employer, but are unable to afford the premiums, some States have premium assistance programs that can help pay for coverage. These States use funds from their Medicaid or CHIP programs to help people who are eligible for employer-sponsored health coverage, but need assistance in paying their health premiums.
- If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, you can contact your State Medicaid or CHIP office to find out if premium assistance is available.
- If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, you can ask the State if it has a program that might help you pay the premiums for an employer-sponsored plan.
- Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, your employer's health plan is required to permit you and your dependents to enroll in the plan – as long as you and your dependents are eligible, but not already enrolled in the employer's plan. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance.**

If you live in one of the following States, you may be eligible for assistance paying your employer health plan premiums. The following list of States is current as of January 31, 2011. You should contact your State for further information on eligibility –
