

**AMENDMENT TO POSTEROUS TERMS OF SERVICE
APPLICABLE TO U.S. GOVERNMENT USERS**

This Amendment is an agreement between Posterous, Inc. ("Posterous" or "Company") and General Services Administration ("GSA," "Agency," "You," or "User") and applies to Agency and other anticipated U.S. Government Agency users of the Company's Services provided on the Site www.posterous.com.

You, as a U.S. Government entity, are required, when entering into agreements with other parties, to follow applicable federal laws and regulations, including those related to ethics; privacy and security; accessibility; federal records; limitations on indemnification; fiscal law constraints; advertising and endorsements; freedom of information; and governing law and dispute resolution forum. Company and GSA (together, the "Parties") agree that modifications to the [Company's] standard Terms of Service, available at <http://posterous.com/tos> (the "TOS") are appropriate to accommodate Your legal status, Your public (in contrast to private) mission, and other special circumstances. Accordingly, the TOS are hereby modified by this Amendment as they pertain to GSA's use of the Company Site and services.

- A. **Government entity:** "You" within the TOS shall mean the GSA itself and shall not apply to, or bind (i) the individual(s) who utilize the Company site or services on GSA's behalf, or (ii) any individual users who happen to be employed by, or otherwise associated with, the GSA.
- B. **Public purpose:** Any requirement(s) set forth within the TOS that use of the Company site and services be for private, personal and/or non-commercial purposes is hereby waived.
- C. **Agency content serving the public:** Company hereby approves GSA's distribution or other publication via the Website of materials which may contain or constitute promotions, advertisements or solicitations for goods or services, so long as the material relates to the GSA's mission.
- D. **Advertisements:** Company hereby agrees not to serve or display any third party commercial advertisements or solicitations on any pages within the Company site displaying content created by or under the control of the GSA. This exclusion shall not extend to house ads, which Company may serve on such pages in a non-intrusive manner.
- E. **Indemnification:** All indemnification and damages provisions of the TOS are hereby waived. Liability of GSA for any breach of the TOS or this Amendment or any claim arising from the TOS or this Amendment, shall be determined under the Federal Tort Claims Act, or other governing authority. Liability of Company for any breach of the TOS or this Amendment, or any claim arising from the TOS or this Amendment, shall be determined by applicable federal law.
- F. **Governing law:** The dispute resolution provision in the TOS is hereby deleted. The TOS and this Amendment shall be governed, interpreted and enforced in accordance with the federal

laws of the United States of America. To the extent permitted by federal law, the laws of the State of California will apply in the absence of federal law.

- G. **Changes to standard TOS:** Language in the TOS reserving to Company the right to change the TOS without notice at any time is hereby amended to grant You at least three days advance notice of any material change to the TOS. Company shall send this notice to the email address You designate at the time You sign up for service, and You shall notify Company of any change in the notification email address during the life of the Amendment.
- H. **Access and use:** Company acknowledges that the GSA's use of Company's site and services may energize significant citizen engagement. Language in the TOS allowing Company to terminate service, or close the GSA's account, at any time, for any reason, is modified to reflect the Parties' agreement that Company may unilaterally terminate service and/or terminate GSA's account only for breach of GSA's obligations under the TOS or its material failure to comply with the instructions and guidelines posted on the Site, or if Company ceases to operate its site or services generally. Company will provide GSA with a reasonable opportunity to cure any breach or failure on GSA's part.
- I. **Provision on crawlers:** Any provision(s) in the TOS prohibiting "crawl," "spider" or similar processes is amended to allow the GSA to apply such tools solely to its pages and solely to fulfill GSA's obligations under the Federal Records Act or other applicable federal law or regulation.
- J. **Ownership of names:** Any provision(s) in the TOS related to Company's ownership of and right to change Your selected user name(s), user ID(s), domain name(s), channel name(s), and group name(s), are modified to reasonably accommodate GSA's proprietary, practical, and/or operational interest in its own publicly-recognized name and the names of GSA programs.
- K. **License to and Modification of user content:** GSA shall retain all ownership rights in Your submissions; however, by submitting material to Posterous, You grant to Posterous, on a non-exclusive basis, all the rights and licenses necessary, if any, to host, cache, route, transmit, store, copy, distribute, perform, display, reformat, excerpt, analyze, and otherwise use GSA content on Posterous. Company agrees that its right to modify or prepare derivative works of Your content is limited to technical actions necessary to index, format and display that content. It does not include the right to substantively edit or otherwise alter the meaning of the content. Notwithstanding the foregoing, nothing in this Amendment shall result in an expansion of Your rights as a United States Government entity under the Copyright Act of 1976 (17 U.S.C. §§101 et seq.), specifically including Section 105 of the Act.
- L. **Limitation of liability:** The Parties agree that nothing in the Limitation of Liability provision or elsewhere in the TOS in any way grants Company a waiver from, release of, or limitation of liability pertaining to, any past, current or future violation of federal law.
- M. **Uploading, deleting:** The Parties understand and agree that You are not obligated to place any User Content on the Company site, and You reserve the right to remove any and all User

Content at Your sole discretion; such removal will serve to revoke the rights and licenses described in Clause K.

- N. **No endorsement:** Company agrees that Your seals, insignia, trademarks, logos, flags, program identifiers, service marks, trade names, and the fact that You have a presence on the Company site and use its services, shall not be used by Company in such a manner as to state or imply that Company's products or services are endorsed, sponsored or recommended by You or by any other element of the Federal Government, or are considered by these entities to be superior to the products or services of other providers. Except for pages whose design and content is under the control of GSA, or for links to or promotion of such pages, Company agrees not to display any GSA or government seal, insignia, logo, flag, program identifier, service mark or trade name on the Company's homepage or elsewhere on the Company Site, unless permission to do has been granted by GSA or by other relevant federal government authority. Company may list GSA's name in a publicly available customer list so long as the name is not displayed in a more prominent fashion than that of any other third party name.
- O. **No business relationship created:** The Parties are independent entities and nothing in the TOS or this Amendment creates an agency partnership, joint venture, or employer/employee relationship.
- P. **No cost agreement:** Nothing in the TOS or this Amendment obligates You to expend appropriations or incur financial obligations. The Parties acknowledge and agree that none of the obligations arising from the TOS or this Amendment are contingent upon the payment of fees by one party to the other.
- Q. **Provision of data:** In case of termination of service, within 30 days of such termination, and upon request by GSA, Company will provide You with all user-generated content that is publicly visible through the Sites You created at Company. Data will be provided in a commonly used file or database format as Company deems appropriate. Company will not provide data if doing so would violate its privacy policy, available at <http://posterous.com/privacy>.
- R. **Separate future action for fee based services:** Company provides services at a basic level free of charge to the public, but this may change in the future. You acknowledge that while Company will provide You with some services and features for free, Company reserves the right to begin charging for those services and features at some point in the future. Company will provide you with at least 30 days advance notice of a change involving the charging of fees for the basic level of service. You also understand that Company may currently offer other premium and enterprise services for a fee. The Parties understand that fee-based services are categorically different than free products, and are subject to federal procurement rules and processes. Before GSA decides to enter into a premium or enterprise subscription, or any other fee-based service that this Company or alternative providers may offer now or in the future, You agree to determine your agency has a need for those additional services for a fee, to consider the subscription's value in comparison with comparable services available elsewhere, to determine that GSA funds are available for payment, to properly use the Government

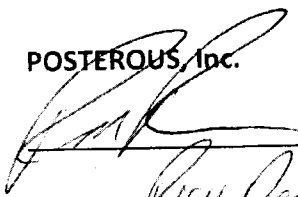

Purchase Card if that card is used as the payment method, to review any then-applicable TOS for conformance to federal procurement law, and in all other respects to follow applicable federal acquisition laws, regulations, and GSA guidelines when initiating that separate action.

- S. **Assignment:** If either party expects an acquisition, merger or sale to result in assigning its obligations under this Amendment or TOS to a third party, that party will inform the other in a timely fashion.
- T. **Precedence; Further Amendment; Termination:** This Amendment constitutes an amendment to the TOS; language in the TOS indicating it may not be modified or that it alone is the entire agreement between the Parties is waived. If there is any conflict between this Amendment and the TOS, or between this Amendment and other rules or policies on the Company site or services, this Amendment shall prevail. This Amendment may be further amended only upon written agreement executed by both Parties. GSA may close GSA's account and terminate this agreement at any time. Company may close GSA's account and terminate this agreement on 30 days written notice.
- U. **Posting and availability of this Amendment:** Any provision of the TOS requiring modifications to the TOS to be posted on Company's website is inapplicable since this Amendment is of limited, not general, application, and the rule is otherwise waived for this special circumstance. The Parties agree this Amendment contains no confidential or proprietary information, and You may release it to the public upon request and to other agencies interested in using Company Site and services, for example by posting the amendment on www.apps.gov.
- V. **Security:** Company will, in good faith, exercise due diligence using generally accepted commercial business practices for IT security, to ensure that systems are operated and maintained in a secure manner, and that management, operational and technical controls will be employed to ensure security of systems and data. Recognizing the changing nature of the Web, Company will continuously work with users to ensure that its products and services meet users' requirements for the security of systems and data. Company agrees to discuss implementing additional security controls as deemed necessary by GSA to conform to the Federal Information Security Management Act (FISMA), ("), 44 U.S.C. 3541 et seq..
- W. **Federal Records:** GSA acknowledges that use of Company's site and services may require management of Federal records. GSA- and user-generated content may meet the definition of Federal records as determined by the GSA. If the Company holds Federal records, the GSA and the Company must manage those Federal records in accordance with all applicable records management laws and regulations, including but not limited to the Federal Records Act (44 U.S.C. chs. 21, 29, 31, 33), and regulations of the National Archives and Records Administration (NARA) at 36 CFR Chapter XII Subchapter B). Managing the records includes, but is not limited to, secure storage, retrievability, and proper disposition of all Federal records including transfer of permanently valuable records to NARA in a format and manner acceptable to NARA at the time of transfer. The GSA is responsible for ensuring that the Company is compliant with

applicable records management laws and regulations through the life and termination of the Agreement.

Additional Items for Discussion and Possible Inclusion in this Agreement: Company understands current federal law, regulation and policy may affect GSA's use of the Company's products and services in ways not addressed in the list of clauses above. Much depends on the nature of the products and services offered by the Company (which may change from time to time), and how GSA intends to use those services (which also may change). Among the topics GSA may need to discuss with Company, and which may lead to the insertion of additional clauses in this Agreement, are the matters of privacy and accessibility.
