

Approaching your 18th birthday?

18

The road to your future may seem uncertain. But if you're a guy turning 18, you can avoid some of the potholes by registering with Selective Service. Registration keeps you eligible for government jobs, job training, college loans, and citizenship if you're an immigrant. Plus it's the law. Visit WWW.SSS.GOV or the post office to fill out a registration card today.

Register with Selective Service.
