

# I Speak... Language Identification Guide

This guide assists literate individuals who are not proficient in English to identify a preferred language.

# **Language Identification Guide for State and Local Law Enforcement**

You may encounter individuals who have limited English proficiency (LEP) in the performance of your duties as a law enforcement officer. Such encounters raise both practical issues and legal obligations.

Individuals with limited English proficiency must understand their legal rights and must be able to communicate effectively with law enforcement – whether as victims, members of the public, individuals accused of a crime, or convicted criminals.

Title VI of the Civil Rights Act of 1964 requires all recipients of federal assistance from any source (for example the Department of Justice, which provides funds to nearly all police and sheriff departments) to take reasonable steps to provide meaningful access to individuals with limited English proficiency.

This “I Speak” guide is a practical way to identify which language an individual speaks. Consult your local agency for your LEP plan and resources, such as over-the-phone interpretation.

*Contact the DHS Office for Civil Rights and Civil Liberties’ CRCL Institute at CRCLTraining@dhs.gov for digital copies of this guide or an “I Speak” poster.*
