HOW TO SIGN UP FOR MLN MATTERS®

MLN Matters® is the home of national articles that inform Medicare Fee-For-Service (FFS) Providers about the latest changes to the Medicare Program. These articles are part of the **Medicare Learning Network®** (MLN), a registered trademark of the Centers for Medicare & Medicaid Services (CMS) and the brand name for official CMS educational products and information for Medicare FFS Providers.

Articles are prepared in consultation with clinicians, billing experts, and CMS subject matter experts. They are tailored, by content and language, to specific provider type(s) who are affected by complex Medicare changes. MLN Matters® articles explain critical provider information in an effort to reduce the amount of time providers need to incorporate these changes into their Medicare-related business functions. Since 2004, CMS has issued over 4,500 articles.
