PROGRAM DESCRIPTION: The 2012 1st National Immunization Conference Online is a three virtual conference comprising nine one-hour live workshop sessions. It will bring together health care professionals who work in and have an interest in the field of immunization from across the country and around the world.

OBJECTIVES: At the conclusion of the conference, the participant will be able to accomplish the following:

1. To describe emerging challenges in the field of immunization
2. Obtain, assess and apply patient information to determine the need for immunization.

CONTACT INFORMATION: M. Suzanne Johnson-DeLeon, National Immunization Conference Planning Team, Centers for Disease Control and Prevention 404-639-8817

ACCREDITATION STATEMENTS (for each one-hour session within the conference):

CME: The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

The Centers for Disease Control and Prevention designates this **live online conference and web-on-demand** for a maximum of **1 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Non-physicians will receive a certificate of participation.

CNE: The Centers for Disease Control and Prevention is accredited as a provider of Continuing Nursing Education by the American Nurses Credentialing Center's Commission on Accreditation.

This activity provides **1** contact hour.

CEU: The CDC has been approved as an Authorized Provider by the International Association for Continuing Education and Training (IACET), 1760 Old Meadow Road, Suite 500, McLean, VA 22102. The CDC is authorized by IACET to offer **0.1** ANSI/IACET CEU's for this program.

CECH: Sponsored by the *Centers for Disease Control and Prevention*, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designed for Certified Health Education Specialists (CHES) to receive up to **1** Category I CECH in health education. CDC provider number **GA0082**.

CPE: The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This program is a designated event for pharmacists to receive **1.0** Contact Hours in pharmacy education. The Universal Activity Number is:

- WCWD1961: 0387-0000-12-040-L04-P/0387-0000-12-040-H04-P
- WCWD1962: 0387-0000-12-041-L04-P/0387-0000-12-041-H04-P
- WCWD1963: 0387-0000-12-042-L04-P/0387-0000-12-042-H04-P
- WCWD1964: 0387-0000-12-043-L04-P/0387-0000-12-043-H04-P
- WCWD1965: 0387-0000-12-044-L04-P/0387-0000-12-044-H04-P
- WCWD1966: 0387-0000-12-045-L04-P/0387-0000-12-045-H04-P
- WCWD1967: 0387-0000-12-046-L04-P/0387-0000-12-046-H04-P
- WCWD1968: 0387-0000-12-047-L04-P/0387-0000-12-047-H04-P
- WCWD1969: 0387-0000-12-048-L04-P/0387-0000-12-048-H04-P

Course Category: This activity has been designated as Knowledge-Based.

DISCLOSURE: In compliance with continuing education requirements, all presenters must disclose any financial or other associations with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters as well as any use of unlabeled product(s) or product(s) under investigational use.

CDC, our planners, and our presenters wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters with the exception of those persons listed in Section A. Presentations will not include any discussion of the unlabeled use of a product or a product under investigational use.

A. Financial Interest or Relationship with Commercial Supporter

Fiks, Alexander	Co-inventor of the Care Assistant, a piece of software used to deliver clinical decision support for vaccinations. Dr. Fiks hold no patent and has received no income at all for the invention.
Kahn, Jessica	Co-PI of two clinical trials of HPV vaccines in HIV-infected individuals. Both studies are funded by NIH, but Merck is providing vaccine and immunogenicity testing. Dr. Kahn receives no salary or direct support from Merck; nor does she receive honoraria, speaker’s fees, etc.
Middleman, Amy	Has received grants to serve as the PI or Co-PI of studies from Sanofi Pasteur, MedImmune, and Novartis and has worked under contract for CDC.
Sevdalis, Nick	Has received an unrestricted educational research grant from Sanofi Pasteur (France)

Planning committee discussed conflicts of interest with presenters to ensure there is no bias.

CDC does not accept commercial support.

SUPPORT/FUNDING: CDC

METHOD OF PARTICIPATION: You may participate in the educational activity by viewing the program information above.

To evaluate this educational activity, receive a certificate, and be able to print-out an on-going transcript of all your TCEOnline CE activities for credits/contact hours, please go to: www.cdc.gov/TCEOnline.

FEES: No fees are charged for CDC’s CE activities.
