The preceding sentence may not be construed to authorize the expenditure of such a grant for the planning or evaluation of treatment services.

“(4) DATE CERTAIN FOR ISSUANCE OF REGULATIONS; FAILURE OF SECRETARY.—The Secretary shall issue the final rule for purposes of the regulations required in paragraph (1), and such rule shall be effective, not later than the expiration of the 180-day period beginning on the date of the enactment of the ADAMHA Reorganization Act. “SEC. 1241. GRANTS FOR CERTAIN TRAUMA CENTERS.

42 USC 300d-41.

Grants under this subsection may be made only to such trauma centers.

“(b) MINIMUM QUALIFICATIONS OF CENTERS.—

“(1) SIGNIFICANT INCIDENCE OF TREATING CERTAIN PATIENTS.—

“(A) The Secretary may not make a grant under subsection (a) to a trauma center unless the population of patients that has been served by the center for the period specified in subparagraph (B) includes a significant number of patients who were treated for—

“(i) trauma resulting from the penetration of the skin by knives, bullets, or any other implement that can be used as a weapon; or

“(ii) trauma that the center reasonably believes results from violence arising directly or indirectly from illicit trafficking in drugs.

“(B) The period specified in this subparagraph is the 2-year period preceding the fiscal year for which the trauma center involved is applying to receive a grant under subsection (a).

“(2) PARTICIPATION IN TRAUMA CARE SYSTEM OPERATING UNDER CERTAIN PROFESSIONAL GUIDELINES.—The Secretary may not make a grant under subsection (a) unless the trauma center involved is a participant in a system that—

“(A) provides comprehensive medical care to victims of trauma in the geographic area in which the trauma center is located;

“(2) made by a trauma center that, with respect to the system described in section 1241(b)(2) in which the center is a participant—

“(A) is providing trauma care in a geographic area in which the availability of trauma care has significantly decreased as a result of a trauma center in the area permanently ceasing participation in such system as of a date occurring during the 2-year period specified in section 1241(b)(1)(B); or

“(B) will, in providing trauma care during the 1-year period beginning on the date on which the application for the grant is submitted, incur uncompensated costs in an amount rendering the center unable to continue participation in such system, resulting in a significant decrease in the availability of trauma care in the geographic area.

“(b) FURTHER PREFERENCE FOR CERTAIN APPLICATIONS.—With respect to applications for grants under section 1241 that are receiving preference for purposes of subsection (a), the Secretary shall give further preference to any such application made by a trauma center for which a disproportionate percentage of the uncompensated costs of the center result from the provision of trauma care to individuals who neither are citizens nor aliens lawfully admitted to the United States for permanent residence.

42 USC 300d-43. **“SEC. 1243. CERTAIN AGREEMENTS.**

“(a) COMMITMENT REGARDING CONTINUED PARTICIPATION IN TRAUMA CARE SYSTEM.—The Secretary may not make a grant under subsection (a) of section 1241 unless the trauma center involved agrees that—

“(A) the amount of assistance provided to the center under subsection (a) of such section; and

“(B) an amount representing interest on the amount specified in subparagraph (A).

“(b) MAINTENANCE OF FINANCIAL SUPPORT.—With respect to activities for which a grant under section 1241 is authorized to be expended, the Secretary may not make such a grant unless the trauma center involved agrees that, during the period in which the center is receiving payments under the grant, the center will maintain expenditures for such activities at a level that is not less than the level maintained by the center during the fiscal year preceding the first fiscal year for which the center receives such payments.

“(c) TRAUMA CARE REGISTRY.—The Secretary may not make a grant under section 1241(a) unless the trauma center involved agrees that—

“(1) the center will operate a registry of trauma cases in accordance with the applicable guidelines described in section 1241(b)(2)(C), and will begin operation of the registry not later than 6 months after the date on which the center submits to the Secretary the application for the grant; and
