- A. No later than five (5) days after the Agrium-CF Acquisition Date, Respondent Agrium shall terminate certain portions of the Agrium/Rentech Distribution Agreement, and modify and supplement the Agrium/Rentech Distribution Agreement pursuant to the Agrium/Rentech Distribution Amendment.
- B. The purpose of the terminations, modifications, and supplements described in Paragraph IV.A. of this Order, as agreed-to by Respondent Agrium and Rentech in the Agrium/Rentech Distribution Amendment, is to (1) establish Rentech as a viable distributor and marketer of Anhydrous Ammonia similar to the competitive position Respondent Agrium had pursuant to the Agrium/Rentech Distribution Agreement including, but not limited to, the ability to receive, store, and transport Anhydrous Ammonia for customers in the areas where Respondent Agrium had serviced customers pursuant to the Agrium/Rentech Distribution Agreement; and (2) to remedy the lessening of competition resulting from the Agrium-CF Acquisition as alleged in the Commission's Complaint.

V.

IT IS FURTHER ORDERED that Respondent Agrium and Respondent Agrium's employees shall not, after the divestiture of the Ritzville Terminal and the Marseilles Terminal, use or share, directly or indirectly, any Confidential Business Information Relating To the Ritzville Terminal or the Marseilles Terminal (including, but not limited to, the production, transportation, delivery, storage, distribution, marketing, and sale of Anhydrous Ammonia to or from such terminals) with any of Respondent Agrium's employees who manage, market, store, or sell Anhydrous Ammonia to or from Respondent Agrium's Terminals in the PNW or the Illinois-Iowa Area. *PROVIDED, HOWEVER*, the provisions of this Paragraph V apply except:

1. As otherwise allowed in this Order or the Hold Separate Order, in this matter;
2. As provided for in a transition services agreement;
3. As consented to by the Ritzville Terminal Acquirer or Marseilles Terminal Acquirer;
4. As required by law;
5. In negotiating agreements to divest assets pursuant to this Order and engaging in related due diligence;
6. In complying with this Order;
7. To the extent necessary to allow Respondent Agrium to comply with the requirements and obligations of the laws of the United States and other countries;
8. In defending legal claims, investigations or enforcement actions threatened or brought against or related to the Ritzville Terminal or the Marseilles Terminal; and
9. In obtaining legal advice.

VI.

IT IS FURTHER ORDERED that:

- A. If Respondent Agrium has not fully complied with the obligations as required by Paragraphs II., III., and IV. of this Order, the Commission may appoint a Divestiture Trustee to divest the Ritzville Terminal and the Marseille Terminal, and terminate the Agrium/Rentech Marketing Agreement, unless otherwise divested or terminated pursuant to this Order, and enter into other agreements, assignments, and licenses, in a manner that satisfies the requirements of this Order. In the event that the Commission or the Attorney General brings an action pursuant to § 5(l) of the Federal Trade Commission Act, 15 U.S.C. § 45(l), or any other statute enforced by the Commission, Respondent Agrium shall consent to the

appointment of a Divestiture Trustee in such action to effectuate the divestitures and other obligations as described in Paragraphs II, III, and IV. Neither the appointment of a Divestiture Trustee nor a decision not to appoint a Divestiture Trustee under this Paragraph VI shall preclude the Commission or the Attorney General from seeking civil penalties or any other relief available to it, including a court-appointed Divestiture Trustee, pursuant to § 5(l) of the Federal Trade Commission Act, or any other statute enforced by the Commission, for any failure by Respondent Agrium to comply with this Order.

- B. The Commission shall select the Divestiture Trustee, subject to the consent of Respondent Agrium, which consent shall not be unreasonably withheld. If any other competition authority has appointed a Person to aid in the divestiture of assets that are the same as the assets to be divested pursuant to this Order, the Commission will consider that Person as a possible Divestiture Trustee. The Divestiture Trustee shall be a person with experience and expertise in acquisitions and divestitures. If Respondent Agrium has not opposed, in writing, including the reasons for opposing, the selection of any proposed Divestiture Trustee within ten (10) days after notice by the staff of the Commission to Respondent Agrium of the identity of any proposed Divestiture Trustee, Respondent Agrium shall be deemed to have consented to the selection of the proposed Divestiture Trustee.
- C. Not later than ten (10) days after the appointment of a Divestiture Trustee, Respondent Agrium shall execute a trust agreement that, subject to the prior approval of the Commission, transfers to the Divestiture Trustee all rights and powers necessary to permit the Divestiture Trustee to effect the divestitures and contract termination required by this Order.
- D. If a Divestiture Trustee is appointed by the Commission or a court pursuant to this Paragraph VI, Respondent Agrium shall consent to the following terms and conditions regarding the Divestiture Trustee's powers, duties, authority, and responsibilities:
 - 1. Subject to the prior approval of the Commission, the Divestiture Trustee shall have the exclusive power and authority to divest the Ritzville Terminal, and/or divest the Marseilles Terminal, and/or terminate the Agrium/Rentech Marketing Agreement, and enter into all agreements, licenses and assignments as described in Paragraphs II, III, and IV of this Order.
 - 2. The Divestiture Trustee shall have one (1) year after the date the Commission approves the trust agreement described herein to divest the Ritzville Terminal, and/or divest the Marseilles Terminal, and/or terminate the Agrium/Rentech Marketing Agreement, and enter into all agreements, licenses and assignments as described in Paragraphs II, III, and IV of this Order, absolutely and in good faith, at no minimum price, to one or more acquirers that receives the prior approval of the Commission and in a manner that receives the prior approval of the Commission. If, however, at the end of the one (1) year period, the Divestiture Trustee has submitted a plan of divestiture or believes that the divestiture can be achieved within a reasonable time, the divestiture period or

periods may be extended by the Commission; *PROVIDED, HOWEVER*, the Commission may extend the divestiture period only two (2) times.

3. Subject to any demonstrated legally recognized privilege, the Divestiture Trustee shall have full and complete access to the personnel, books, records and facilities related to the relevant assets that are required to be divested by this Order and to any other relevant information, as the Divestiture Trustee may request. Respondent Agrium shall develop such financial or other information as the Divestiture Trustee may request and shall cooperate with the Divestiture Trustee. Respondent Agrium shall take no action to interfere with or impede the Divestiture Trustee's accomplishment of the divestiture. Any delays in divestiture caused by Respondent Agrium shall extend the time for divestiture under this Paragraph VI in an amount equal to the delay, as determined by the Commission.
4. The Divestiture Trustee shall use best efforts to negotiate the most favorable price and terms available in each contract that is submitted to the Commission, subject to Respondent Agrium's absolute and unconditional obligation to divest expeditiously and at no minimum price. The divestiture shall be made in the manner and to an acquirer as required by this Order. *PROVIDED, HOWEVER*, if the Divestiture Trustee receives bona fide offers from more than one acquiring entity for assets and businesses to be divested pursuant to Paragraph II and Paragraph III, respectively, and if the Commission determines to approve more than one such acquiring entity, the Divestiture Trustee shall divest to the acquiring entity selected by Respondent Agrium from among those approved by the Commission. *PROVIDED FURTHER, HOWEVER*, that Respondent Agrium shall select such entity within five (5) days after receiving notification of the Commission's approval.
5. The Divestiture Trustee shall serve, without bond or other security, at the cost and expense of Respondent Agrium, on such reasonable and customary terms and conditions as the Commission or a court may set. The Divestiture Trustee shall have the authority to employ, at the cost and expense of Respondent Agrium, such consultants, accountants, attorneys, investment bankers, business brokers, appraisers, and other representatives and assistants as are necessary to carry out the Divestiture Trustee's duties and responsibilities. The Divestiture Trustee shall account for all monies derived from the divestiture and all expenses incurred. After approval by the Commission of the account of the Divestiture Trustee, including fees for the Divestiture Trustee's services, all remaining monies shall be paid at the direction of the Respondent Agrium, and the Divestiture Trustee's power shall be terminated. The compensation of the Divestiture Trustee shall be based at least in significant part on a commission arrangement contingent on the divestiture of all of the relevant assets that are required to be divested by this Order.
6. Respondent Agrium shall indemnify the Divestiture Trustee and hold the Divestiture Trustee harmless against any losses, claims, damages, liabilities, or expenses arising out of, or in connection with, the performance of the Divestiture Trustee's duties, including

all reasonable fees of counsel and other expenses incurred in connection with the preparation for, or defense of, any claim, whether or not resulting in any liability, except to the extent that such losses, claims, damages, liabilities, or expenses result from gross negligence, malfeasance, willful or wanton acts, or bad faith by the Divestiture Trustee.

7. The Divestiture Trustee shall have no obligation or authority to operate or maintain the relevant assets required to be divested by this Order.
 8. The Divestiture Trustee shall act in a fiduciary capacity for the benefit of the Commission.
 9. The Divestiture Trustee shall report in writing to Respondent Agrium and to the Commission every sixty (60) days concerning the Divestiture Trustee's efforts to accomplish the divestiture.
 10. Respondent Agrium may require the Divestiture Trustee and each of the Divestiture Trustee's consultants, accountants, attorneys and other representatives and assistants to sign a customary confidentiality agreement; *PROVIDED, HOWEVER*, such agreement shall not restrict the Divestiture Trustee from providing any information to the Commission.
 11. The Commission may, among other things, require the Divestiture Trustee and each of the Divestiture Trustee's consultants, accountants, attorneys, and other representatives and assistants to sign an appropriate confidentiality agreement relating to Commission materials and information received in connection with the performance of the Divestiture Trustee's duties.
- E. If the Commission determines that a Divestiture Trustee has ceased to act or failed to act diligently, the Commission may appoint a substitute Divestiture Trustee in the same manner as provided in this Paragraph VI.
- F. The Commission or, in the case of a court-appointed Divestiture Trustee, the court, may on its own initiative or at the request of the Divestiture Trustee issue such additional orders or directions as may be necessary or appropriate to accomplish the obligations under Paragraphs II, III, and IV of this Order.
- G. The Divestiture Trustee(s) appointed pursuant to Paragraph VI of this Order may be the same Person appointed as the Hold Separate Trustee or Monitor pursuant to the Hold Separate Order.

VII.
