

1. Report title: Application for Employment with the Board of Governors of the Federal Reserve System ("Application")
Agency form number: FR 28
OMB Control number: 7100-0181
Frequency: on occasion
Reporters: applicants for employment with the Board
Annual reporting hours: 8,500
Estimated average hours per response: 1.0
Number of respondents: 8,500
 Small businesses are not affected.

General description of report: This information collection is required to obtain or retain a benefit (12 U.S.C. 244 and 248(1)) and is given confidential treatment under the Privacy Act (5 U.S.C. 552(a)) and the Freedom of Information Act (5 U.S.C. 552(b)(2) and (b)(6)).

Abstract: The purpose of the Application is to collect information to determine the qualifications, suitability, and availability of applicants for employment with the Board. The Application asks about education, training, employment, and other information covering the period since the applicant left high school.

Several items were substantially revised. No items were deleted. The Board revised the text of the Application to comply with current law, to reflect changes in societal language preferences, and to reflect changes in the Board's *Rules Regarding Equal Opportunity*.

2. Report title: Weekly Report of Eurodollar Liabilities Held by Selected U.S. Addressees at Foreign Offices of U.S. Banks

Agency form number: FR 2050
OMB control number: 7100-0068
Frequency: Weekly
Reporters: Large foreign branches and banking subsidiaries of U.S. banks
Annual reporting hours: 2,860
Estimated average hours per response: 1.0

Number of respondents: 54 branches, 1 subsidiary
 Small businesses are not affected.

General description of report: This information collection is voluntary (12 U.S.C. 248(a)(2), 353 et seq., 461, 602, and 625) and is given confidential treatment (5 U.S.C. 552(b)(4)).

Abstract: This report collects data on overnight and term Eurodollars held by certain U.S. residents in selected foreign branches and subsidiaries of U.S.

commercial banks and Edge and agreement corporations. The data are used for the construction of the Eurodollar component of the monetary aggregates and for analysis of banks' liability management practices.

The revised reporting threshold has been raised from a weekly average of \$200 million to \$350 million in Eurodollar liabilities. Additions and deletions to the reporting panel will be made only annually. The number of data items collected has been reduced from 4 to 2. As a result of the redefinition of the M2 monetary aggregate in February 1996, the overnight Eurodollar component of M2 was moved to the non-M2 component of M3, where the term component currently is included. Since the separation of the two nonnegotiable Eurodollar items (overnight and term) is no longer necessary, they have been combined into a single item, and the memorandum item has been dropped from the report.

The revised report will be implemented as of the reporting week ending Monday, March 31, 1997.

3. Report title: Quarterly Report of Assets and Liabilities of Large Foreign Offices of U.S. Banks

Agency form number: FR 2502q
OMB control number: 7100-0079
Frequency: Quarterly
Reporters: Large foreign branches and banking subsidiaries of U.S. banks
Annual reporting hours: 7,266
Estimated average hours per response: 3.5

Number of respondents: 483 branches, 36 subsidiaries
 Small businesses are not affected.

General description of report: This information collection is mandatory (12 U.S.C. 248(a)(2), 353 et seq., 461, 602, and 625) and is given confidential treatment (5 U.S.C. 552(b)(4)).

Abstract: This report collects assets and liability information from foreign branches and subsidiaries of U.S. commercial banks and Edge and agreement corporations. A separate schedule collects information on Eurodollar liabilities payable to certain U.S. addressees. The data are used in the construction of the monetary aggregates and to monitor flows of funds between banks and their branches. The data also are combined with data from other sources to develop a profile of the total exposure of U.S. banks to individual countries. Together with data

from the Department of the Treasury, the FR 2502q provides information that the Bank for International Settlements compiles from all G-10 countries on international banking market developments. In addition, data from the FR 2502q are used by the Department of Commerce to estimate the capital accounts portions of the balance of payments.

The revised reporting threshold for branches has been raised from \$150 million to \$500 million in total assets. The number of data items collected on the Eurodollar schedule has been reduced from three to one, and updates and clarifications were made to the reporting form and instructions.

The revised report will be implemented on the March 31, 1997, as-of date.

Board of Governors of the Federal Reserve System, March 11, 1997.

Jennifer J. Johnson,

Deputy Secretary of the Board.

FEDERAL TRADE COMMISSION

Granting of Request for Early Termination of the Waiting Period Under the Premerger Notification Rules

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by Title II of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Section 7A(b)(2) of the Act permits the agencies, in individual cases, to terminate this waiting period prior to its expiration and requires that notice of this action be published in the Federal Register.

The following transactions were granted early termination of the waiting period provided by law and the premerger notification rules. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice. Neither agency intends to take any action with respect to these proposed acquisitions during the applicable waiting period

BILLING CODE 6750-01-M

GENERAL SERVICES ADMINISTRATION**Change in Notice of Intent; To Prepare an Environmental Impact Statement for the Exterior Security of Federally Occupied Buildings in the District of Columbia**

The General Services Administration (GSA) announced its intent to prepare an Environmental Impact Statement (EIS) to evaluate the potential environmental impacts of vehicle restrictions near selected federally-occupied buildings in the District of Columbia in the Federal Register on March 6, 1997.

The public scoping meetings that were scheduled for April 9, 1997 at the General Services Administration Auditorium located at 18th and F Streets NW., Washington, DC and April 10, 1997 at the General Services Administration Regional Auditorium located at 7th & D Streets SW., Washington, DC 20407 are hereby postponed while the agency collects additional data. The new meeting dates will be announced in the Federal Register.

Dated: March 7, 1997.

William R. Lawson,

Assistant Regional Administrator, Public Buildings Service.

BILLING CODE 6820-23-M

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Office of the Secretary****Office of Minority Health; Notice Regarding the Bilingual/Bicultural Service Demonstration Program (Managed Care)**

AGENCY: Office of the Secretary.

ACTION: Correction of eligibility criteria and deadline for the Bilingual/Bicultural Service Demonstration Program (Managed Care).

SUMMARY: In the Federal Register of Wednesday, February 12, 1997, make the following corrections:

The eligibility criterion on page 6536 in the second column states:

“Applicants must be located within one of the following top 15 Metropolitan Statistical Areas identified from the 1990 U.S. Census as having the highest number of limited-English-proficient households experiencing linguistic isolation.” The 15 MSAs are identified as:

- Phoenix, AZ.
- Fresno, CA.
- Los Angeles/Anaheim/Riverside, CA.
- Sacramento, CA.
- Honolulu, HI.
- Boston/Lawrence/Salem, MA-NH.
- Detroit/Ann Arbor, MI.
- New York/North New Jersey/Long Island, NY-NJ-CT.
- Philadelphia/Wilmington/Trenton, PA-NJ-DE-MD.
- Dallas/Ft. Worth, TX.
- El Paso, TX.
- Houston/Galveston/Brazoria, TX.
- McAllen/Edinburg/Mission, TX.
- Seattle/Tacoma, WA.
- Washington, DC Metropolitan Statistical Area.

The 15 areas have been changed to:

- Los Angeles/Anaheim/Riverside, CA.
- San Diego, CA.
- San Francisco/Oakland/San Jose, CA.

- Miami/Ft. Lauderdale, FL.
- Chicago/Gary/Lake County, IL.
- Boston/Lawrence/Salem, MA-NH.
- Detroit/Ann Arbor, MI.
- New York/North New Jersey/Long Island, NY-NJ-CT.
- Philadelphia/Wilmington/Trenton, PA-NJ-DE-MD.
- Dallas/Ft. Worth, TX.
- El Paso, TX.
- Houston/Galveston/Brazoria, TX.
- McAllen/Edinburg/Mission, TX.
- San Antonio, TX.
- Washington, DC Metropolitan Statistical Area.

The deadline on page 6536 in the second column states that “grant applications must be received by the OMH Grants Management Office by April 11, 1997.” This is corrected to read “grant applications must be received by the OMH Grants Management Office by May 1, 1997.”

This Notice corrects the identification of the top 15 MSAs having the highest number of limited-English-proficient households experiencing linguistic isolation, according to the 1990 U.S. Census. The 15 MSAs were identified from data provided by the Bureau of the Census. The Office of Minority Health has since been advised by the Bureau of the Census that the database from which this information was drawn is inaccurate. Four MSAs with higher numbers of limited-English-proficient households experiencing linguistic isolation than some of those included in the February 12 announcement were not included in the database. A fifth was included in the database, but with inaccurate data on the numbers. As a consequence, all five were omitted from the February 12 announcement. Based on additional information provided by the Bureau of the Census, this Notice revises the list of the 15 MSAs which are eligible for funding.

The Office of Minority Health considered simply adding the 5 MSAs to the list of 15 published in the Federal Register of Wednesday, February 12.
