

UNITED STATES OF AMERICA
BEFORE FEDERAL TRADE COMMISSION

In the Matter of

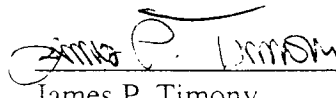

INTEL CORPORATION,

a corporation.

DOCKET NO. 9288

NOTIFICATION

By Order dated November 30, 1998, Intel's Motion to Certify Request for Enforcement of Subpoenas *Duces Tecum* issued to STMicroelectronics, Inc. was granted and certified to the Commission with a recommendation that the Commission seek court enforcement of the subpoenas. Counsel for Intel has represented that Intel and STMicroelectronics, Inc. have reached a compromise regarding the production of documents called for by the subpoenas. Accordingly, my recommendation that judicial enforcement of the subpoenas is necessary is hereby withdrawn.
