

## MEDICARE PROVIDER-SUPPLIER ENROLLMENT NATIONAL EDUCATIONAL PRODUCTS

---

The products listed below were developed in an effort to educate Medicare Fee-For-Service (FFS) providers about important Medicare enrollment information, including how to use Internet-based Provider Enrollment, Chain and Ownership System (PECOS) to enroll in the Medicare Program and maintain their enrollment information. All products are available to download, view, and print in [Adobe Acrobat /Portable Document Format \(PDF\)](#).

PUBLICATION TITLE	DESCRIPTION	DATE
<a href="#">How to Protect Your Identity Using the Provider Enrollment, Chain and Ownership System (PECOS)</a>	This fact sheet provides step-by-step instructions to help Fee-For-Service (FFS) providers protect their identity while using Internet-based PECOS.	August 2010
<a href="#">The Basics of Medicare Enrollment for Physicians Who Infrequently Receive Medicare Reimbursement</a>	This fact sheet provides general Medicare enrollment information specific to those physicians who are required to enroll in Medicare for the sole purpose of certifying or ordering services for Medicare beneficiaries and are therefore, not required to send claims to Medicare contractors for the services they furnish.
