Dear Sir/Madam:

I am writing on behalf of the Professional Firefighters of Wisconsin (PFFW) and request an opportunity to appear and testify before the FTC Committee in June on the Telemarketing Sales Rule proposed changes.

We are a nonprofit organization that would be adversely affected by the creation of a national "do-not-call" registry. We are truly concerned that not only the PFFW but all nonprofits and charitable organizations that use telephone solicitation will be dramatically impacted.

We look forward to hearing from you on this request.

Sincerely,

A handwritten signature in black ink that reads 'Robert Baird'. The signature is written in a cursive style.
