

## EPA CAN HELP DEVELOP YOUR NEW TECHNOLOGY

EPA has many programs and resources to assist a company or individual in developing environmental technology.

### The Environmental Technology Opportunities Portal

[www.epa.gov/etop](http://www.epa.gov/etop)

*This web page is your gateway to learning about programs that help fund development of new environmental technologies and offer information on existing environmental technologies.*

### EPA's Environmental Technology Verification (ETV) Program

[www.epa.gov/etv](http://www.epa.gov/etv)

*This web page describes the ETV program, which develops testing protocols and verifies the performance of innovative technologies that have the potential to improve protection of human health and the environment.*

### Small Business Innovation Research Program

[www.epa.gov/ncer/sbir](http://www.epa.gov/ncer/sbir)

*This Web page provides information on EPA's Small Business Innovation research program that translates innovative ideas into commercial products to solve environmental problems.*

### Small Business Gateway

[www.epa.gov/smallbusiness](http://www.epa.gov/smallbusiness)

*This web page offers resources for small businesses including compliance assistance and technical help.*

### Small Business Opportunities

<http://www.epa.gov/osbp/>

*This web page provides acquisition forecasts, small business opportunities, and governing public laws from the Office of Small and Disadvantaged Business Utilization.*

### Grants and Fellowship Information

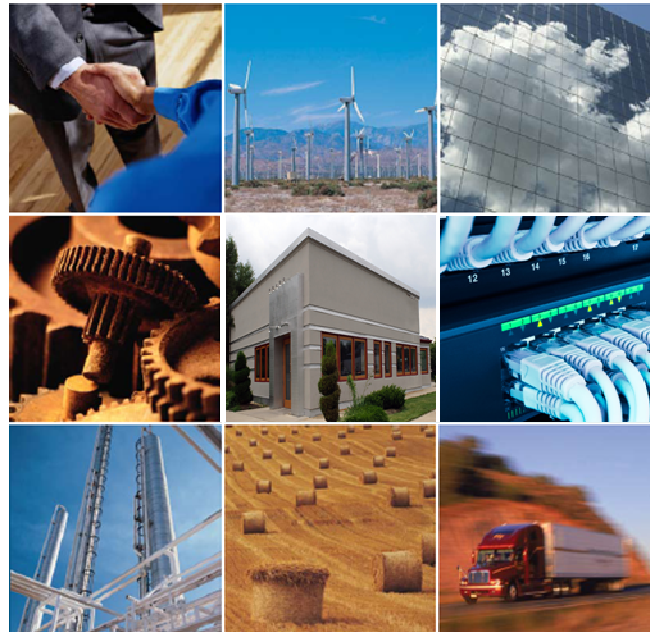

[www.epa.gov/epahome/grants.htm](http://www.epa.gov/epahome/grants.htm)

*This web page lists research grants, fellowships, and other financing opportunities.*

### Partnership Programs

[www.epa.gov/partners/index.htm](http://www.epa.gov/partners/index.htm)

*This web page provides information on EPA's partnership programs that enable flexible, collaborative, market-driven solutions to environmental issues. Learn more about the benefits of joining.*

In accordance with the Standards of Ethical Conduct for Employees of the Executive Branch (Part 5 Code of Federal Regulations, 2635.702(c)), the EPA does not test or endorse commercial products, services, or enterprises.
