## RECORD GROUP 443: RECORDS OF THE NATIONAL INSTITUTES OF HEALTH (NIH) WNRC PROJECT

Items 1-Aprovide one-time disposition authority for the specific accessions listed

1 National Institute of Allergy and Infectious Diseases Laboratory of Infectious Diseases Epidemiological Section Influenza Study Data, 1951-57 27 cu ft

These files relate to epidemiological studies on influenza in familial and general population groups, conducted by Dr Joseph A. Bell Individual family folders contain forms that list names, ages, birth dates, and vaccination status of family members, the family's street address, and a physician's identification number. The records are arranged by geographical area, thereunder chronologically by year. The family forms do not always list the town or State of residence.

Disposition: TEMPORARY Destroy immediately on approval of this schedule.

Justification. The files consist of raw data There is no final report to summarize the results of the study or to indicate how the records were used Other patient records in the NIH schedule are temporary

## WITHDRAWN

2 Division of Research Services Medical Arts and Photography Branch Photography Section Patient Negatives, 1953-66 30 cu. ft

These records consist of patient negatives, photographic prints, and slides, used for research and treatment techniques The records are arranged numerically by negative number. Each negative contains an identification number and date but does not identify the physical condition or name of the patient.

Disposition TEMPORARY Destroy immediately on approval of this schedule.

Justification: There is no index to the photographs to identify the physical problems pictured. According to the NIH schedule (NIHM/3000A2), information revealed by the photographs is summarized in permanently retained patient clinical charts Other patient records in the NIH schedule are temporary.

WNRC Acc No 443-70A-1798 (Boxes 1-30)

3 Health Services and Mental Health Administration (HSMHA) Maternal and Child Health Service Office of Financial Management Budget Estimates, 1967-68 1 cu. ft.

These records consist of Bureau of the Budget, Congressional, and WIN supplemental budget submissions, Bureau of the Budget exhibits, Congressional hearings, and materials prepared for the House Appropriations Committee Included are notes, memorandums, budget estimates,

justifications, and internal correspondence The records relate to such subjects as personnel, grants, mental retardation, speech, hearing, cystic fibrosis, infant mortality, juvenile delinquency, aid to urban areas, and educational training

Disposition TEMPORARY Destroy immediately on approval of this schedule

Justification. The files are copies of materials submitted through the chain of command to the Bureau of the Budget Final budgets are published every year by the individual agency and OMB They cover routine administrative topics and internal procedures They have insignificant long-term historical interest

WNRC Acc No 443-73-000 (Box 1)

## WITHDRAWN

4 Public Health Service Health Services and Mental Health Administration Budget Files, 1963-71 13 cu ft

These records document the various phases of the history of the HSMHA's budget for each fiscal year. Included are preliminary justifications to the Department of Health, Education, and Welfare, amendments and supplemental information sent to the Bureau of the Budget and Congress; and documentation concerning House, Senate, and united Congressional final actions The files are arranged chronologically by appropriation account or year, thereunder by subject

Disposition TEMPORARY. Destroy immediately on approval of this schedule

Justification The files are copies of materials submitted through the chain of command to the Bureau of the Budget. Final budgets are published every year by the individual agency and OMB. These materials were collected during the preparation of the annual budget estimates and justification They consist of reference files and therefore have little enduring historical value.
