AHC Community Development, LLC

Controlling Entity Name: RBC Capital Markets Corporation

Headquarters (city, state): Cleveland, OH

Allocation Amount: \$10,000,000

Principal Financing Activity: Real estate financing: mixed-use (housing, commercial, or retail)

Profile: AHC Community Development, LLC (AHC) will make loans to finance three types of real estate projects: 1) higher education facilities; 2) commercial / retail projects in urban communities; 3) community oriented centers. The NMTC allocation will enable AHC to offer more favorable debt products to borrowers developing real estate projects in low-income communities. The loans provided by AHC will have preferable rates and terms, including interest rates that are 400 basis points below-market; interest only payments for a period of seven years; higher loan-to-value ratios; lower debt service coverage ratios; and no origination fees.

Controlling Entity Name: Bank of America, N.A.

Headquarters (city, state): Washington, DC

COMMUNITY DEVELOPMENT FINANCIAL INSTITUTIONS FUND

UNITED STATES DEPARTMENT OF THE TREASURY

Allocation Amount: \$70,000,000

Principal Financing Activity: Real estate financing: community facilities

Profile: Banc of America CDE, LLC plans to target retail, industrial, and office projects, as well as projects providing community services such as childcare centers, job training, charter schools, and theatres and arts facilities. Projects with job training or other educational components receive especially high priority. Banc of America CDE will use its NMTC allocation to finance two different product lines: the “Equity Builder Term Debt” product, which offers seven year interest-only subordinated debt with equity-like terms; and the New Market Investment Tax Credit, which provides equity investments that are twinned with other investment tax credits in support of historic rehabilitation and solar energy projects.

Beyond the Bottom Line, LLC

Controlling Entity Name: Aszkenazy Development, Inc.

Headquarters (city, state): San Fernando, CA

Allocation Amount: \$15,000,000

Principal Financing Activity: Real estate financing: mixed-use (housing, commercial, or retail)

Profile: Beyond the Bottom Line, CDE will provide low-cost, flexible financing to revitalize the downtown core of historic San Fernando, California. The NMTC benefit will allow local entrepreneurs to start or expand businesses because it will reduce rents and provide capital that is not currently available for tenant improvements, furnishings, and fixtures. It will also provide capital for community gathering spaces for the residents. Beyond the Bottom Line, CDE’s key personnel will use their long-time involvement in this community to meet local needs in collaboration with a local CDFI and other community partners.

Border Communities Capital Company, LLC

Controlling Entity Name: Chelsea Investment Corporation

Headquarters (city, state): Carlsbad, CA

Allocation Amount: \$50,000,000

Principal Financing Activity: Real estate financing: mixed-use (housing, commercial, or retail)

Profile: Border Communities Capital Company, LLC targets its products and services toward underserved communities located along the United States-Mexico border in the states of Arizona and California. Border Communities Capital makes equity investments, equity equivalent investments, and loans to real estate projects to finance land and infrastructure development, finance vertical building of office, retail, commercial, and service space. The products to be offered include primarily development and construction short-term loans and intermediate-term loans. Border Communities Capital will offer a blend of below market interest rates, longer than standard period of interest-only payments, more flexible borrower credit standards, loan loss reserves that are less than standard, non-traditional forms of collateral and other below market or non-conventional features. With this allocation, Border Communities Capital will continue providing capital and financing to projects that spur development, upgrade communities, and create services and opportunities for low-income communities and people.

Headquarters (city, state): Boston, MA

Allocation Amount: \$85,000,000

COMMUNITY DEVELOPMENT FINANCIAL INSTITUTIONS FUND

UNITED STATES DEPARTMENT OF THE TREASURY

Principal Financing Activity: Business financing

Profile: Boston Community Capital, Inc. (BCC) will use its NMTC allocation to: (i) increase its current lending capacity and offer better rates and terms to borrowers; (ii) increase the volume of investments made in high-impact, primarily rural businesses; and (iii) grow new lines of business, including a residential foreclosure prevention and neighborhood stabilization program. BCC will focus in particular on projects that are likely to be located in rural areas, including forest products, renewable energy and consumer distribution businesses. The NMTC allocation will enable BCC to offer subordinated debt products with significantly reduced interest rates.

Controlling Entity Name: Community Affordable Housing Equity Corporation

Headquarters (city, state): Raleigh, NC

Allocation Amount: \$30,000,000

Principal Financing Activity: Real estate financing: mixed-use (housing, commercial, or retail)

Profile: CAHEC New Markets, LLC (CNM) will support the development and redevelopment of commercial and mixed-use real estate primarily through the rehabilitation of historic buildings in distressed communities and in areas that have difficulty attracting revitalization investment capital. CNM's investments will offer a range of real estate financing, combining NMTC with historical rehabilitation credits to render feasible otherwise uneconomical projects. Both senior debt and subordinated debt will have lower interest rates and more flexible underwriting terms, including higher loan-to-value ratios, lower debt coverage ratios and non-traditional forms of collateral.

Controlling Entity Name: Great Lakes Capital Fund Nonprofit Housing Corporation

Headquarters (city, state): Lansing, MI

Allocation Amount: \$28,000,000

Principal Financing Activity: Real estate financing: mixed-use (housing, commercial, or retail)

Profile: CapFund New Markets LLC (CapFund) will finance mixed use and commercial real estate projects that achieve job creation and retention, especially those that support the creation of new viable regional industries to reduce the heavy reliance on the declining manufacturing/auto industry. CapFund will prioritize projects focused on the emerging sustainable energy industry and other 'new economy' jobs. To facilitate job creation, CapFund will offer products that are highly flexible and that provide beneficial terms to borrowers along with expertise and technical assistance. Additionally, CapFund will establish a Rural Revolving Loan Fund to offer below-market loans and/or equity investments to small but high-impact projects in rural areas.

CDF Development, LLC

Controlling Entity Name: None

Headquarters (city, state): Baltimore, MD

Allocation Amount: \$50,000,000 (Recovery Act Allocation)

Principal Financing Activity: Real estate financing: retail

Profile: CDF Development, LLC (CDF) is focused primarily on distressed urban districts. Its business strategy is to provide loans and equity investments to increase the number of developments of large-scale retail and mixed-use projects in low-income communities. CDF will only invest in projects that would not occur but for the addition of NMTC financing, and must be located in areas of particularly acute economic distress, as measured by poverty and income levels, unemployment, crime rates, and other measures. All of CDF's investments involve public-private partnerships whereby significant private sector investment is aided by state and/or city public sector efforts, in combination with NMTC financing.

Central Bank of Kansas City

Controlling Entity Name: None

Headquarters (city, state): Kansas City, MO

Allocation Amount: \$55,000,000

Principal Financing Activity: Real estate financing: mixed-use (housing, commercial, or retail)

Profile: Central Bank of Kansas City (CBKC) will use its NMTC allocation to provide equity investments and loans to support businesses, community facilities and housing. It will target real estate and operating businesses in highly distressed, underserved urban core neighborhoods of Kansas City, KS and urban areas throughout the state of Missouri. The NMTC transactions will be structured to greatly reduce debt service in the critical first years of project stabilization. The savings from lower annual debt service will be passed on to borrowers, enabling business stability and the extension of new financing opportunities to a greater diversity of small businesses, non-profits, and residents than would be possible without the NMTC subsidy.

Controlling Entity Name: JPMorgan Chase & Co.

Headquarters (city, state): New York, NY

Allocation Amount: \$40,000,000

Principal Financing Activity: Business financing

Profile: Chase New Markets Corporation (CNMC) will use its NMTC allocation to finance businesses, commercial real estate ventures, community based facilities, and CDFIs operating in low-income communities. With the NMTC allocation, CNMC will go into areas of higher economic distress and finance businesses that are otherwise unable to obtain adequate financing from conventional sources. CNMC assists these businesses by offering flexible financial products, including senior debt at below-market interest rates and with no fees; below-market interest rate loans; flexible loan structures and better than market underwriting terms.

Controlling Entity Name: City of Chicago

Headquarters (city, state): Chicago, IL

Allocation Amount: \$55,000,000

Principal Financing Activity: Real estate financing; Industrial/Manufacturing

Profile: The Chicago Development Fund (CDF) will focus on: a) facilitating industrial retention and expansion within the City; b) extending retail development into underserved areas; and c) increasing the availability of educational, cultural, and social service resources in low-income neighborhoods. CDF will emphasize environmentally sustainable practices such as green building features and renewable energy-based building systems. The financing products offered by CDF feature such attributes as below-market interest rates, higher than typical loan-to-value ratios, and/or mezzanine financing for projects that would not typically qualify for this type of financing.

Coastal Enterprises, Inc.

Controlling Entity Name: None

Headquarters (city, state): Wiscasset, ME

Allocation Amount: \$125,000,000

Principal Financing Activity: Business financing

Profile: Coastal Enterprises, Inc. (CEI) provides flexible debt for rural, natural resource-based businesses, high community-impact businesses, and real estate projects with capital needs between \$3 million and \$20 million. CEI will use its NMTC allocation to structure deals that make capital available at rates significantly below market and on more flexible and favorable terms, such as substantial interest-only payment periods, longer than standard amortizations, and higher-than-standard loan/value ratios. In addition, CEI will structure small and medium enterprise loan funds that will offer term debt in amounts of \$100,000 to \$2,500,000 to help fund smaller projects that traditionally have had difficulty accessing the lower-cost NMTC enhanced capital.

Profile: ShoreBank Enterprise Pacific (SEP) will use NMTC resources to provide loans and equity-like investments in severely distressed communities, especially rural and Native American communities. An NMTC allocation will support loans to businesses, Native entities and non-profit organizations undertaking business activities and real estate developments of various types that produce jobs, attract investment and deliver essential services that would not otherwise be available in these low-income communities. Larger investment amounts will complement the applicant's existing smaller loan products and result in a continuum of capital products available to low-income communities. The economic value of the credit will reduce interest rates and fees by 50 percent.
