SUPPLEMENTARY INFORMATION: PACHA was established by Executive Order 12963, dated June 14, 1995 as amended by Executive Order 13009, dated June 14, 1996. The Council was established to provide advice, information, and recommendations to the Secretary regarding programs and policies intended to (a) promote effective prevention of HIV disease, (b) advance research on HIV and AIDS, and (c) promote quality services to persons living with HIV disease and AIDS. PACHA was established to serve solely as an advisory body to the Secretary of Health and Human Services.

The agenda for this Council meeting will be posted on the Council's website www.pacha.gov.

This meeting of the PACHA will be on White House property, thus, each person must be screened and cleared by the U.S. Secret Service. Pre-registration for public attendance is mandatory. Please contact: Natalie Pojman, Office of National AIDS Policy (202) 456-4533 or npojman@who.eop.gov. Members of the public will be accommodated on a first come first served basis as meeting room space is limited. Ms. Pojman will need your full name, social security number, date of birth, residency, and country of origin to process public access attendance. Pre-registration must be submitted by close of business Thursday April 22, 2010.

Members of the public will have the opportunity to provide comments at the meeting. If you plan to make a public comment you must pre-register with Natalie Pojman, Office of National AIDS Policy. Public comments will be limited to two minutes per speaker. Any members of the public who wish to have printed material distributed to PACHA members for discussion at the meeting should submit, at a minimum, 30 copies of the materials to the Committee Manager, PACHA, no later than close of business April 22, 2010. Contact information for the PACHA Committee Manager is listed above. Justification for filing notice less than 15 days prior to meeting: PACHA meetings are scheduled to be held in coordination with the White House Office of National AIDS Policy (ONAP), which partners with the HHS Office of HIV/AIDS Policy to provide management oversight for the Council's activities. Meeting dates are selected in consideration of the availability of meeting space and ONAP staff attendance. The designated date was recently identified because both the desired meeting site and ONAP staff are available.
