Rental Housing Assistance in Southeast Wisconsin

The enclosed document contains listings for the counties of Kenosha, Milwaukee, Racine, Ozaukee, and Waukesha. For properties in other Wisconsin counties, you may visit HUD's internet site at: www.hud.gov/apps/section8.

The facilities and amenities vary from complex to complex and one housing development to the next. Once you decide on where YOU want to call "home," we suggest you phone first to ask if they are accepting applications and what you will need to take with you when making application. HUD does not maintain waiting lists for these properties.

Applications are only available from the management companies or local housing authorities.

HUD funds three programs that provide monthly rental subsidies for qualified families and individuals.

- * **Section 8 Project-Based Rental Property** – HUD has contracts with some private landlords that subsidize the rents in particular buildings. Enclosed is a listing of the properties in Southeast Wisconsin with HUD contracts that charge rents based on the household's income sorted by county. Applications and income verification are done directly with the management of the individual properties. In most cases, you will pay 30% of your adjusted monthly income for rent. There are no asset limits, although income from your assets will be included in determining your eligibility for rental subsidies.
- * **Public Housing** – These are developments or scattered site houses owned and maintained by Public Housing Authorities (PHAs). A list of the PHA is on the back page of the enclosure.
- * **Vouchers** (sometimes called Section 8 vouchers or certificates) – A person who obtains a Housing Choice Voucher (HCV) takes it to any private landlord that is willing to accept the voucher. The vouchers are obtained through the Public Housing Authorities (PHA) who verify the eligibility of the tenant for the program and inspect the housing to be sure it is decent, safe, and sanitary. There are more people who qualify for vouchers than there is funding for the program, which can result in long waiting lists. Apply for a HCV through the local PHA or agency on the back page of the enclosed list.

Additional affordable housing can be found at Wisconsin's Front Door website: www.wifrontdoorhousing.org.

Good Luck on Your Housing Search!
