Per Jess Green,

In reconsideration of your regulations for 556.4 Background Investigations at (a)(6) the end of the sentence I would delete the semicolon and add:

and a list of all associations, including but not limited to those evidenced by: Internal Revenue Service reporting of income received or paid; memberships or affiliation announced in public forum; worldwide web or other social media; written membership or association listings and applications and/or payment of organization dues.

This addition would assure that each Indian Gaming Commission had a record of associations for each Key Employee. Moreover, the list would direct more inexperienced Gaming Commissions where to start in evaluating associations.

Thank you for the consideration.

Respectfully, Jess Green
