

Get the Facts About Children's Health Insurance

Information for Teams & Families

Florida KidCare is a free or low-cost health insurance program. Whether your kids need a physical to play in school or community sports, or you are worried about what happens if they get hurt, Florida KidCare can help.

Even if you've been turned down in the past, you may be able to get health coverage for your kids now. A family of four with an income up to \$44,000 a year can get their kids covered.

Getting started is easy.

Call our office today at 888-540-KIDS or visit us online at FloridaKidCare.org to get your questions answered and sign up.

Your kids will be covered on and off the field, long after the season ends. Signing up means your kids can get doctor and dentist visits, vision and hearing care, hospital care, mental health services, regular check-ups and shots and needed treatment, including prescription drugs.

Once signed up, your kids will receive the benefits of coverage for a year. When it's time to renew your child's coverage, a notice will come in the mail.

Apply online, by mail or over the phone.
