Information for Teams & Families

Maryland Children's Health Program is a free or low-cost health insurance program. Whether your kids need a physical to play in school or community sports, or you are worried about what happens if they get hurt, Maryland Children's Health Program can help.

Even if you've been turned down in the past, you may be able to get health coverage for your kids now. A family of four with an income up to \$66,000 a year can get their kids covered.

Getting started is easy.

Call our office today at 800-456-8900 or visit us online at InsureKidsNow.gov to get your questions answered and sign up.

Your kids will be covered on and off the field, long after the season ends. Signing up means your kids can get doctor and dentist visits, vision and hearing care, hospital care, mental health services, regular check-ups and shots and needed treatment, including prescription drugs.

Keep in mind you will need to renew your child's coverage. When it's time, a notice will come in the mail.

Apply online, by mail or over the phone.
