

Canal Safety with Two Otters

OTTO: Hey hey hey hey! Hey kids! I'm Otto the Otter.

LORI: And I'm Lori Otter, Idaho's First Lady. But if you or your friends are thinking of cooling off in one of these canals... THINK AGAIN! Canals and ditches are dangerous and scary places for kids. So don't get in them. Parents, you need to know that canals, rivers, and ditches are not safe places for any children to play. So take it from two Otters: stay safe by staying out!

NARRATOR: A canal safety message from the following sponsors...
