TALKS

Critter Chat This Abundant Life

Get to know some creatures that live in the most diverse ecosystem in California -the oak woodlands- and discover the oak's important role in this ecosystem.

Meet near the flagpole at the Foothills Visitor Center to learn more. 20 minutes.

Critter Chat Bear Essentials

Intelligent and opportunistic, the American black bear may be found at a variety of elevations throughout Sequoia and Kings Canyon National Parks. Meet near the flagpole at the Foothills Visitor Center to learn more. 20 minutes.

Critter Chat Ravens Rule

Ravens are smart and crafty creatures that have fascinated humans for generations. Meet near the flagpole at the Foothills Visitor Center to learn more. 20 minutes.

Solar Eclipse

It's not every day the moon blocks out a significant portion of the sun and you're taught how to view it safely! Join a ranger for an event full of information and awe. Meet at the Foothills Visitor Center. 1 hour 15 minutes.

WALKS

People, Places, & the Past

Discover Hospital Rock! Step back in time and learn more about the people who called this area home. Meet near the bear box in the Hospital Rock Picnic Area. 30 minutes.
