- ❑ Provides public and private health options in easy-to-use format for consumers
- ❑ Key preventive services now covered without cost sharing

HealthCare.gov

Take health care into
your own hands

**In Addition to Coverage, Quality, and
Cost...**

**The Affordable Care Act
is a
Unique Opportunity for
Prevention**

The National Prevention Council

□ *Role/Responsibility:*

- Prioritize and align prevention efforts across the federal government and the nation

□ *Composition:*

- Chaired by the Surgeon General
- Council members: 17 federal departments
- Advisory Group: 25 non-federal members

Council Members

Bureau of Indian Affairs	Department of Labor
Corporation for National and Community Service	Department of Transportation
Department of Agriculture	Department of Veterans Affairs
Department of Defense	Environmental Protection Agency
Department of Education	Federal Trade Commission
Department of Health and Human Services	Office of Management and Budget
Department of Homeland Security	Office of National Drug Control Policy
Department of Housing and Urban Development	White House Domestic Policy Council
Department of Justice	

National Prevention Council: Charge

1. Develop the National Prevention and Health Promotion Strategy (National Prevention Strategy)
2. Provide ongoing leadership and coordination of federal prevention and health promotion efforts
3. Produce an Annual Status Report on the National Prevention Strategy progress

National Prevention Strategy

- ❑ Provide Recommendations and Action Items
- ❑ Align and target federal prevention and health promotion efforts
- ❑ Align with existing national efforts, such as:
 - Healthy People 2020
 - National Quality Strategy
 - First Lady’s “Let’s Move!” campaign
 - America’s Great Outdoor Initiative

Approach

- ❑ Work across sectors
- ❑ Catalyze public and private partnerships:
 - Federal, state, tribal, local, and territorial
 - Private, non-profit, faith, community, labor
- ❑ Focus on where people live, learn, work, and play
 - Community, worksite, institutions, etc.
- ❑ Eliminate disparities

How Can You Be Involved?

“after obtaining input from relevant stakeholders, (The Council Shall) develop a national prevention (and) health promotion...strategy”

-Affordable Care Act

Draft Framework

Vision

Goals

Strategic Directions

Recommendations

Action Items

Draft Vision

Working together to improve the health and quality of life for individuals, families, and communities by moving the nation from a focus on sickness and disease to one based on wellness and prevention.

Draft Goals

Americans Living Healthier and Longer

- Healthy Communities
- Preventive Clinical and Community Efforts
- Empowered Individuals

10 Strategic Directions

Cross-Cutting (4):

1. Healthy Physical, Social and Economic Environments
2. Eliminate Health Disparities
3. Prevention and Public Health Capacity
4. Quality Clinical Preventive Services

10 Strategic Directions

Targeted (6):

5. Tobacco-Free Living
6. Reduce Alcohol and Drug Abuse
7. Healthy Eating
8. Active Living
9. Injury-Free Living
10. Mental and Emotional Wellbeing

Input Questions

- ❑ What are your suggestions on the Draft Vision, Goals or Recommendations?
- ❑ What evidence-based actions should the *federal government* take to address the Draft Recommendations? What actions can *national partners* take?
- ❑ What measures should be used to monitor progress on implementation of the Strategy's Vision, Goals, and Recommendations?

We Welcome Your Continued Input.
