

contract in Article VI, Section 11A of its By-Laws for options contracts that were originally listed in share amounts greater than 100 shares.

OCC believes the proposed rule change is consistent with the purposes and requirements of Section 17A of the Act⁸ and the rules and regulations thereunder applicable to OCC because the proposed modification would help assure that the By-Laws and Rules of OCC are designed to perfect the mechanism of a national system for the prompt and accurate clearance and settlement of securities transactions.⁹ The proposed change will achieve this by allowing options with a unit of trading that is less than 100 shares to be adjusted in response to any Distribution that would result in an adjustment of Standard Options, while also maintaining an appropriate *de minimis* threshold for options with units of trading that are larger than Standard Options.

B. Self-Regulatory Organization's Statement on Burden on Competition

OCC does not believe the proposed rule change would impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (A) By order approve or disapprove the proposed rule change or
- (B) institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

**II. Self-Regulatory Organizations
 Statement of the Purpose of, and
 Statutory Basis for, the Proposed Rule
 Change**

In its filing with the Commission, CME included statements concerning the purpose and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified

in Item IV below. CME has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

CME offers clearing services for certain credit default swap index products. Currently, CME offers clearing of the Markit CDX North American Investment Grade Index Series 9, 10, 11, 12, 13, 14, 15, 16, 17 and 18 and also offers clearing of the Markit CDX North

American High Yield Index Series 11, 12, 13, 14, 15, 16, 17 and 18.

The proposed rule changes that are the subject of this filing are intended to expand CME's Markit CDX North American Investment Grade Index and Markit CDX North American High Yield Index product offerings by incorporating the upcoming Series 19 for both sets of index products.

The proposed rule changes that are the subject of this filing became immediately effective upon filing the proposed rule change with the Commission but will become operational as follows: CME will accept

CDX IG Series 19 for clearing on September 20, 2012 and will accept CDX HY Series 19 for clearing on September 27, 2012. CME notes that it has also certified the proposed rule changes that are the subject of this filing to its primary regulator, the Commodity Futures Trading Commission (“CFTC”), in CFTC Submission 12–283. The text of the CME proposed rule amendments is included above, with additions underlined and deletions in brackets.

The proposed CME rule amendments merely incorporate one additional series to CME’s existing offering of broad-based Markit CDX North American Investment Grade and High Yield Index credit default swaps. As such, the proposed amendments simply effect changes to an existing service of a registered clearing agency that (1) do not adversely affect the safeguarding of securities or funds in the custody or control of the clearing agency or for which it is responsible and (2) do not significantly affect the respective rights or obligations of the clearing agency or persons using its clearing agency services. Therefore, the proposed rule change is properly filed under Section 19(b)(3)(A) and Rule 19b–4(f)(4)(i) thereunder.

B. Self-Regulatory Organization’s Statement on Burden on Competition

CME does not believe that the proposed rule change will have any impact or impose any burden on competition.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

CME has not solicited, and does not intend to solicit, comments regarding this proposed rule change. CME has not received any unsolicited written comments from interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change was filed pursuant to Section 19(b)(3)(A)⁵ of the Act and paragraph (f)(4)(i) of Rule 19b–4⁶ thereunder and therefore became effective on filing. At any time within 60 days of the filing of such rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of

investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission’s Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

- Send paper comments in triplicate to Elizabeth M. Murphy, Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549–1090.

All submissions should refer to File Number SR–CME–2012–36. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission’s Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission’s Public Reference Room, 100 F Street NE., Washington, DC 20549 on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of such filing also will be available for inspection and copying at the principal office of CME and on CME’s Web site at http://www.cmegroup.com/market-regulation/files/SEC_19B-4_12-36.pdf. [File No. 500–1]

Titan Resources International, Corp.; Order of Suspension of Trading

September 26, 2012.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Titan Resources International, Corp. (“Titan”). Titan is a Wyoming corporation purportedly based in Ontario, Canada. Questions have arisen concerning the adequacy and accuracy of press releases and other public statements concerning Titan’s business operations and financial condition.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of Titan.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed company is suspended for the period from 9:30 a.m. EDT, on September 26, 2012 through 11:59 p.m. EDT, on October 9, 2012.

By the Commission.

Jill M. Peterson,
Assistant Secretary.
