

PIH.RHIIP.TA Message # 2012-7 Distributed on February 21, 2012

The Office of Public and Indian Housing **CONGRATULATES** the 1,425 Public Housing Agencies (PHAs) that had zero (0) tenants on the Enterprise Income Verification (EIV) system's *Identity Verification Report* as of January 4, 2012. These HUD-Designated EIV Stars are identified in the attached list which is also posted on the HUD website at: http://portal.hud.gov/hudportal/HUD?src=/program offices/public indian housing/programs/ph/rhiip/uivsystem#stars.

PHAs whose *Identity Verification Report* contain tenants with a failed effective date check error or failed SSA identity test error are required to implement the appropriate corrective action as outlined in PIH Notice 2012-10; and as prescribed in the HUD letter sent to affected PHAs by email (from PIH.ImproperPayments@hud.gov), provide HUD with documentation for any tenant with a surname or name discrepancy, whose personally identifiable information as reported on the form HUD-50058 matches exactly as reported on the Social Security Administration's records. For additional guidance, visit:
