PATIENT INFORMATION

As you have been advised, your physician has determined that you require the medical services shown on the front of this form. These specific services are not available at this medical facility. After considering other sources of care available for you, your physician has recommended that you get the medical services you need from local civilian sources. The Uniformed Services regulation covering payment for civilian medical care requires that claims for the civilian care recommended by your physician be sent to:

- a. [] THIS MEDICAL FACILITY. Charges to you will be the same as if you received the care in this facility.
b. [] CHAMPUS. Charges to you will be as prescribed under current terms of the CHAMPUS program.

The Health Benefits Coordinator at this facility will answer any questions you have concerning this determination. If the charges are being submitted for CHAMPUS consideration, insure that the Health Benefit Coordinator fully explains program cost-sharing provisions, allowable charges, provider participation, and claim filing procedures for your particular case. You should also:

- a. Make arrangements to see the type of civilian provider recommended by your physician at this facility.
b. File your CHAMPUS claims regularly (every 30 days.). Attach a copy of this form with each CHAMPUS claim submitted for care recommended.
c. Your signature on the front of this form indicates your understanding of how payment will be made for the medical services recommended on the front of the form.
