You'll receive three text messages each week, timed to your due date or your baby's first birthday. Messages begin during your pregnancy and go through your baby's first year. You'll get tips on prenatal and infant care, immunization, postpartum depression, nutrition, oral health, quitting smoking, safety and more.

Do you or your children need health insurance?

Medicaid and the Children's Health Insurance Program provide kids with regular checkups and shots, doctor visits, dental and vision care, hospital care, prescription medicines, and much more. Pregnant women can get coverage too. Learn more about these programs in your state by calling **1-877-Kids-Now** (1-877-543-7669) or going to **www.insurekidsnow.gov**.
