National Wildland Fire Outlook

The current Monthly and Seasonal Outlooks are available at the following web site:

<http://www.nifc.gov/nicc/predictive/outlooks/outlooks.htm>

Complete Geographic Area assessments are available at each GACC website. These websites can also be accessed through the NICC webpage at: <http://www.nifc.gov/nicc/>

National Monthly and Seasonal Wildland Fire Outlooks for 2012 are updated and posted on the first business day of each month. The monthly maps delineate areas of below-normal, normal, and above-normal significant fire potential. This includes a seasonal map covering months 2-4 and a discussion of fuel conditions, climate outlooks and other pertinent information.
