

How to Use a CBP Trusted Traveler PASS ID to Access TSA Pre ✓™

U.S. citizens who have been approved for a U.S. Customs and Border Protection (CBP) Trusted Traveler program (Global Entry, NEXUS, SENTRI) may be eligible for expedited security screening with TSA Pre✓™. CBP Trusted Traveler members hold a unique PASS ID that is located on the back of their membership card. In order to participate in TSA Pre✓™ you must be a U.S. citizen flying domestically on a participating airline, including Alaska Airlines, American Airlines, Delta Air Lines, United Airlines or US Airways.
