

FEDERAL LAW ENFORCEMENT TRAINING CENTER

Tuition-Free Training Schedule

For State, Local, Campus, Tribal and Territorial

Law Enforcement

(October 2012 – September 2013)

Advanced Interviewing for Law Enforcement Investigators Training Program (AILEITP)

This three day Advanced Interviewing for Law Enforcement Investigators Training Program is designed to enhance the skills of law enforcement criminal investigators as they conduct interviews of victims, witnesses and suspects.

Miami, FL	01/29/2013 – 01/31/2013	Minneapolis, MN	03/26/2013 – 03/28/2013
Eden Prairie, MN	02/05/2013 – 02/07/2013	★ London, OH	04/23/2013 – 04/25/2013
★ Holland, MI	02/12/2013 – 02/14/2013	Little Rock, AR	06/04/2013 – 06/06/2013

★ This training location gives priority to students from rural agencies. Non-rural applicants will be admitted on a space available basis.
Go to www.fletc.gov and put "AILEITP" in the search box for additional program and registration information.

Anti-Terrorism Intelligence Awareness Training Program (AIATP)

This 1-day introductory awareness program is designed to provide line officers and first-line supervisors with a working knowledge of the criminal intelligence process and applicable laws, guidelines, policies, tools and techniques. Knowledge gained in this course will aid in the detection of pre-incident indicators related to terrorist activity in the community that may be encountered during the course of their law enforcement duties. Other topics include Terrorist Use of the Internet and an Overview of Terrorism.

Chaska, MN	12/04/2012	Picatinny, NJ	04/23/2013
★ Caramel, NY	12/13/2012	★ London, OH	05/07/2013
Detroit, MI	01/08/2013	★ London, OH	05/09/2013

Berrien Springs, MI	02/27/2013	★ Glen Ellyn, IL	08/08/2013

★ This training location gives priority to students from rural agencies. Non-rural applicants will be admitted on a space available basis.
Go to www.fletc.gov and put "AIATP" in the search box for additional program and registration information.

★ Basic Criminal Investigations Workshop

The criminal investigation process is one of the most challenging aspects of the law enforcement profession. Thorough and comprehensive investigations often yield successful criminal prosecutions, resulting in safer and healthier communities. The first step in delivering a comprehensive case for prosecution involves understanding and adhering to the core principles of the investigative process. This three day course will provide attendees with such principles and will provide a platform from which both novice and experienced law enforcement officers can develop further skills and abilities to conduct professional criminal investigations.

Layton, UT	11/08/2012
Wichita, KS	01/23/2013 – 01/24/2013
Ponca City, OK	02/05/2013 – 02/07/2013
Billings, MT	03/20/2013 – 03/21/2013
Carson City, NV	06/18/2013 – 06/20/2013
Coeur d'Alene, ID	08/27/2013 – 08/29/2013

★ All iterations of this training program give priority to students from rural agencies. Non-rural applicants will be admitted on a space available basis.
Go to www.fletc.gov and put "Basic Criminal Investigations" in the search box for additional program and registration information.

★ Basic Digital Photography for Law Enforcement Workshop

The goal of this program is to provide introductory Digital Photography training to uniformed patrol officers, and law enforcement first responders, who have the potential of encountering, documenting, and/or collecting physical evidence in conjunction with a traffic stop, street encounter, or as a result of a routine call for service.

Redwood Valley, CA	10/10/2012	Rancho Cucamonga, CA	04/18/2013
Ft. Yates, ND	11/07/2012	Elko, NV	04/24/2013
Isleta, NM	11/28/2012	Perkins, OK	05/08/2013
Monroe, WA	12/11/2012	Pine Ridge, SD	05/22/2013

Seminole, OK	02/20/2013	Lubbock, TX	08/06/2013
Rosebud, SD	03/06/2013	Pojoaque, NM	08/21/2013
Twin Cities, CA	04/16/2013		

★ All iterations of this training program give priority to students from rural agencies. Non-rural applicants will be admitted on a space available basis. Go to www.fletc.gov and put "Basic Digital Photography" in the search box for additional program and registration information.

★ Basic Incident Response to Digital Evidence (BIRDE)

This 3-day program provides a sufficient overview of technology in order to adequately prepare the criminal investigator for taking proper steps necessary to assess, acquire, and preserve digital evidence during the conduct of an investigation.

Manheim, PA	03/26/2013 – 03/28/2013	Dover, PA	05/21/2013 – 05/23/2013
-------------	-------------------------	-----------	-------------------------

★ All iterations of this training program give priority to students from rural agencies. Non-rural applicants will be admitted on a space available basis. Go to www.fletc.gov and put "BIRDE" in the search box for additional program and registration information.

★ Bath Salts Synthetic Drug Abuse Workshop

This 8-hour course of instruction is designed for the first responder (law enforcement and EMS) who come into contact with subjects who are displaying acute influence symptomology of dissociative anesthetic or hallucinogenic stimulant drugs. This presentation will discuss the classes of drugs that produce symptoms of Excited Delirium, the biochemistry of these classes, influence recognition, drug and user identification, and the protocols for first responders to follow in making contact, subduing, and transporting subjects that are displaying Combative Presentations due to the level of influence by these drug compounds.

Canastota, NY	10/03/2012
---------------	------------

★ All iterations of this training program give priority to students from rural agencies. Non-rural applicants will be admitted on a space available basis. Go to www.fletc.gov and put "Bath Salts" in the search box for additional program and registration information.

Below 100 and Use of Force Workshop

This three day workshop focuses on the Below 100 and Use of Force training programs. The BELOW 100 is an awareness-based, impactful course focusing on preventing line of duty deaths where officers contribute to their own death through their actions. It's been more than 65 years since the annual number of line-of-duty police deaths was fewer than 100. Law Officer's BELOW 100 initiative will focus on areas that can most effectively save officers' lives. This course also dispels erroneous beliefs about Use of Force. Are officers required to use minimal force? Does violating agency policy cause civil liability? Do continuums help officers make better Use of Force decisions? These questions and more will be answered based on established case law and objective research.

Pierre, SD	07/09/2013 – 07/11/2013
------------	-------------------------

Go to www.fletc.gov and put "Below 100" in the search box for additional program and registration information.

Case Organization and Presentation Workshop

This two day program is designed to teach investigators and others how to organize complex and document intensive cases, utilizing various computer software programs.

Miami, FL	05/07/2013 – 05/08/2013
-----------	-------------------------

Go to www.fletc.gov and put "Case Organization" in the search box for additional program and registration information.

Clandestine Lab Awareness and Safety Workshop

This course is designed to provide first responders with the knowledge to recognize and survive a clandestine laboratory encounter. This course also addresses the many facets of methamphetamine history, effects new trends in production, diverted pharmaceuticals, and drug identification.

Utica, NY

10/16/2012

Go to www.fletc.gov and put "Clandestine" in the search box for additional program and registration information.

Cold Case Seminar

The Cold Case Seminar is a 3½-day course designed to provide investigators with an overview of the NCIS Cold Case Methodology and Protocol. A wide range of investigative steps, to include the use of non-traditional investigative techniques, will be covered in depth during the course of instruction. The methodology and protocol will be illustrated through case studies of successfully resolved cold homicide investigations. Upon completion of this course, the investigator will have a sound knowledge of how to prepare and conduct a cold homicide investigation. Information on the LINX, a database system that provides access to law enforcement incident and investigative data collected and contained within a central data warehouse.

Charleston, SC	03/26/2013 – 03/29/2013	Coeur d'Alene, ID	07/09/2013 – 07/11/2013
Houston, TX	06/04/2013 – 06/07/2013	Cincinnati, OH	09/10/2013 – 09/13/2013

Go to www.fletc.gov and put "Cold Case" in the search box for additional program and registration information.

Criminal Street Gangs Workshop

This training program examines every facet of the street gang subculture and provides valuable insight into why individuals become involved in gang behavior, how gang behavior is manifested and what law enforcement agencies, individuals, schools and communities can do to impact the problem. Topics to be covered include:

- An overview of the national gang problem
- The myths and truths of the street gang subculture
- The gangster mentality and gang value system
- Contributing factors and motivators to gang involvement
- Gang violence and gang weaponry
- The impact of gang activity on families, schools, communities and individuals
- National major gang trends and the "hybrid gang" connection
- Strategies for effectively addressing gang activity through suppression, intervention and prevention
- Gang identification and recognition

Honolulu, HI	04/01/2013 – 04/02/2013	★ Medford, OR	07/30/2013 – 07/31/2013
--------------	-------------------------	---------------	-------------------------

★This training location gives priority to students from rural agencies. Non-rural applicants will be admitted on a space available basis.
Go to www.fletc.gov and put "Criminal" in the search box for additional program and registration information.

★ Domestic Violence Workshop

This customized workshop provides the student with ways to effectively present the topics of Domestic Violence Basics that provide refresher information about domestic violence basics, Evidence Gathering is a refresher about how to take a case to trial without relying on victim testimony while focusing on student-learning principles, Effectively conduct interviews, and will provide officers with fundamental, knowledge and techniques necessary to conduct investigations of strangulation cases.

Egg Harbor, NJ	04/02/2013	Medford, OR	07/30/2013 – 07/31/2013
Shaftsbury, VT	07/23/2013 – 07/24/2013		

★All iterations of this training program give priority to students from rural agencies. Non-rural applicants will be admitted on a space available basis.
Go to www.fletc.gov and put "Domestic" in the search box for additional program and registration information.

Domestic Violence Instructor Trainer Program (DVITP)

This instructor development program is designed to increase the effectiveness of those law enforcement professionals tasked with delivering domestic violence related training. The primary focus of this program is to develop adjunct FLETC instructors who will be required to redeliver this material in their respective jurisdictions. Participants attending this program will learn new and creative ways to present various domestic violence related topics such as Dynamics of Domestic Violence, Officer Safety, Law Enforcement Liability and Determining the Predominant Aggressor. The students attending this course represent law enforcement, prosecution, victim advocacy, probation, courts and other law enforcement professionals tasked with training agencies in domestic violence prevention. FLETC will provide the students with all necessary training aids to set up in-service training and regional training in domestic violence.

Bismarck, ND	10/22/2012 – 10/26/2012	Charleston, WV	05/27/2013 – 05/31/2013
Pocatello, ID	11/05/2012 – 11/09/2012	Plainfield, IN	07/08/2013 – 07/12/2013

Bennington, VT	02/25/2013 – 03/01/2013	Lancaster, PA	09/09/2013 – 09/13/2013
Little Rock, AR	04/01/2013 – 04/05/2013	Green Bay, WI	09/23/2013 – 09/27/2013

Go to www.fletc.gov and put "DVITP" in the search box for additional program and registration information.

★ Drug Endangered Children (DEC)

This course is designed to give the investigator the tools necessary to collect, preserve and present evidence to the prosecutor to prove the crime of felony child abuse and neglect. Drug Endangered Children investigations falls under the purview of a federal mandate and new drug strategy from the Office of National Drug Control Policy. Specifically designed to include law enforcement officers recognizing the evidence of a crime, the collection and preservation of evidence, understanding the careful methodology required for forensic interviews of children, presenting judicial authorities with the specific components required to obtain a search/arrest warrant and completing concise literary documentation or reports to substantiate child abuse in a drug environment.

Redwood Valley, CA	10/11/2012	Rosebud, SD	04/11/2013
Utica, NY	10/17/2012	Perkins, OK	05/09/2013
Ft. Yates, ND	11/08/2012	Pine Ridge, SD	05/23/2013
Isleta, NM	12/06/2012	Reserve, KS	06/20/2013
Pine Ridge, SD	01/24/2013	Pojoaque, NM	08/22/2013
Egg Harbor, NJ	04/02/2013		

★ All iterations of this training program give priority to students from rural agencies. Non-rural applicants will be admitted on a space available basis. Go to www.fletc.gov and put "DEC" in the search box for additional program and registration information.

★ Drug Interdiction/Officer Safety Workshop

This two day program is intended to provide law enforcement officers with the most current information regarding enforcement strategies and responses to a variety of drug crimes that may occur in their jurisdictions. The investigation and prosecution of drug crimes by patrol, interdiction, and drug task force officers is the focus of the program. The development of enforcement strategies to counter criminal trafficking patterns is presented and discussed.

★ Greenville, TN	04/09/2013 – 04/11/2013	Glynco, GA	09/24/2013 – 09/26/2013

★ *This training location gives priority to students from rural agencies. Non-rural applicants will be admitted on a space available basis. Go to www.fletc.gov and put "DLETP" in the search box for additional program and registration information.*

First Responder Training Program (FRTP)

This 3-day program covers the topics most applicable to first responders who include: law enforcement, firefighters and emergency medical services personnel. These emergency response professionals must be trained and equipped for virtually any situation, including criminal acts, natural disasters and other large-scale emergencies. A system of command will be needed to achieve a coordinated and effective incident response. Further, the psychological impact upon first responders needs to be considered following any critical incident. This program will provide training, guidelines, and resources to address these, as well as other important issues.

Palm Bay, FL	11/06/2012 – 11/08/2012	★ Suffern, NY	02/26/2013 – 02/28/2013
★ Laredo, TX	11/27/2012 – 11/29/2012	Picatinny, NJ	09/10/2013 – 09/12/2013
Randall's Island, NY	12/04/2012 – 12/06/2012	★ St. George, UT	09/24/2013 – 09/26/2013

★ *This training location gives priority to students from rural agencies. Non-rural applicants will be admitted on a space available basis. Go to www.fletc.gov and put "FRTP" in the search box for additional program and registration information.*

Fundamentals of Campus Emergency Planning/Developing a Campus Threat Assessment Team (FCEP)

This 1-day course will provide attendees with an understanding of key aspects of emergency plan development and testing. This will include learning how to identify (and differentiate between) threats and hazards, key components of an emergency plan, continuity of operations planning, common emergency management terminology, exercise planning and execution, and other considerations for universities and colleges. There will also be a panel discussion where attendees can ask questions of several campus public safety professionals in order to find out how issues and problems are handled at a variety of institutions. While this course covers the basics to help institutions get started, it is also a good review for those experienced in emergency planning.

Tuscaloosa, AL	11/13/2012	★ Lincoln, RI	08/06/2013
★ Glenn Ellyn, IL	08/06/2013	Picatinny, NJ	08/27/2013

★ *This training location gives priority to students from rural agencies. Non-rural applicants will be admitted on a space available basis. Go to www.fletc.gov/osl put "FCEP" in the search box for additional program and registration information.*

Hidden Weapons Workshop

This 1-day course will identify common and uncommon concealment areas in household items, internet purchased items, altered item and specially designed items all made with criminal intent to conceal dangerous weapons. This course will also give specific reminders of Officer Safety and tactical advantage procedures which all levels of law enforcement should utilize every day. Students gain knowledge and concepts where concealed dangerous weapons can be placed within numerous items. Varieties of tools are shown so that the student(s) comprehend how they are used to discover concealed weapons and how to survive these situations.

Milwaukee, WI

10/31/2012

Go to www.fletc.gov/osl put "Hidden Weapons" in the search box for additional program and registration information.

★ Human Trafficking/Drug Endangered Children Workshop

This 1-day training is law enforcement sensitive and available on the FLETC Electronic Learning Portal for law enforcement official with an account with the Regional information Sharing System. This course will teach officers how to recognize human trafficking encountered during routine duties, how to protect victims, and how to initiate human trafficking investigations. Drug Endangered Children is designed to give the investigator the tools necessary to collect, preserve and present evidence to the prosecutor to prove the crime of felony child abuse and neglect.

Manchester, VT

03/12/2013

★ All iterations of this training program give priority to students from rural agencies. Non-rural applicants will be admitted on a space available basis. Go to www.fletc.gov/osl put "Human Trafficking" in the search box for additional program and registration information.

★ Implementing Intelligence-Led Policing Training Program (IILPTP)

The Implementing Intelligence-Led Policing Training Program is a 1 ½ day program specifically for rural chief executives and command level personnel. The course examines the historical aspects of Intelligence-Led Policing (ILP) and promotes an understanding of the principles of this important law enforcement philosophy. The goal of this program is to provide students with the necessary tools to implement ILP in their respective agencies. The course closely looks at the critical elements of ILP and demonstrates how the law enforcement executive can use them to build their own program. The course focuses on the agency's ability to use ILP to effectively manage an information sharing environment and expounds on the laws regarding privacy and civil rights.

★ Glasgow, KY	10/02/2012 – 10/03/2012	Gulf Port, MS	02/12/2013 – 02/13/2013

★ All iterations of this training program give priority to students from rural agencies. Non-rural applicants will be admitted on a space available basis. Go to www.fletc.gov and put "Knowledge" in the search box for additional program and registration information.

★ Latent Fingerprint Development for First Responders Workshop

This 8-hour Workshop is designed to train the student in the primary latent print development and preservation techniques deployed in many crime scene investigations. This training emphasizes the sequential techniques used to identify, develop, enhance and preserve latent print impressions from non-porous surfaces – the most commonly encountered by first responders and crime scene investigators.

Isleta, NM	11/29/2012	Elko, NV	04/25/2013
Seminole, OK	02/21/2013	Holbrook, AZ	06/06/2013
Rosebud, SD	03/07/2013		

★ All iterations of this training program give priority to students from rural agencies. Non-rural applicants will be admitted on a space available basis. Go to www.fletc.gov and put "Latent" in the search box for additional program and registration information.

Leadership and Ethics Workshop

Through lecture, class discussion and small group exercises, this 2-day course examines the ethical standards for law enforcement officers. It stresses the importance of individual awareness and responsibility for ethical conduct within the law enforcement community. A practical definition of ethics is provided along with a discussion of the various influences on individual decisions that law enforcement officers make on and off the job. A general review of current day happenings is provided along with the importance of early intervention when warning signs are detected.

Looking Beyond the Ticket and Roadside Interviewing Workshop

This 8-hour program is an advanced course for officers seeking to enhance their criminal patrol mission. From identifying initial indicators of criminal activity to conducting effective roadside interviews, this course will change the way officers' conduct their traffic stops. In addition to criminal indicators and roadside interviewing, other topics include: obtaining valid consent to search, officer safety and legal issues related to advanced criminal patrol. This class is modeled for those assertive officers, whose primary duties include traffic enforcement and patrol.

★ Officer Safety Workshop

Surviving the First 3 Seconds: This Officer Safety Training Course provides students with basic skills in recognizing the characteristics of an armed individual during interactions with the public. Common characteristics associated with human behavior that will enable students to more rapidly recognize, identify, and articulate the ever present dangers presented by assailants through verbal and non-verbal cues will be discussed. The goal of this training is to enhance street level interrogation skills to promote effective communication.

Hidden Weapons – Sanding your slide to avoid the splinters during the ride: This Officer Safety Training Course will identify common and uncommon concealment areas in household items, internet purchased items, altered devices and specially designed armaments all made with criminal intent to conceal dangerous weapons. This course will also give specific reminders of Officer Safety and tactical advantage procedures. Students will gain knowledge and concepts where concealed dangerous weapons can be placed within numerous items. Varieties of tools will be shown so that the students can comprehend how they are used to discover concealed weapons.

Laflin, PA	04/16/2013 – 04/17/2013
