Mississippi Home Corporation

Home Saver Program

Summary Guidelines

1. Program Overview	Mississippi Home Corporation (MHC) will offer its Home Saver Program (HSP) to borrowers that are unemployed or substantially underemployed. MHC will pay 100% of the monthly mortgage payment for up to 12 months and up to an additional 12 months if a borrower (at their own expense) enters an educational program that leads to a certification or degree from one of the state's Community Colleges or a 4-year institution if the program can be completed within 24 months. If borrower ceases to participate in the educational program within the first 12 months, mortgage support continues through the first 12 months. If borrower ceases to participate in the educational program after 12 months, benefits end no later than end of quarter or semester the client stopped education program. Borrowers in distressed counties will be eligible for up to 6 additional months of monthly mortgage payment assistance to find a job after they complete the educational program of their choice. Assistance may also be provided to pay arrearage accumulated during a period of unemployment or substantial underemployment. Borrowers can not be more than 6 months behind at date of application. Borrowers will enter the HSP through the intake process of the housing counseling agencies that MHC will contract with. MHC will not limit the monthly mortgage payment amount per month, but will limit the total HSP assistance to \$44,000. The assistance can be paid for a total up to 30 months plus arrearage if necessary. The borrowers will not make any payments.
2. Program Goals	The goal of the HSP is to provide borrowers the time necessary to improve their chances of finding a job that pays them enough to cover their monthly mortgage payments.
3. Target Population / Areas	The HSP will allow borrowers in distressed counties, those with unemployment rates above 11.4% (Mississippi's June 2010 average unemployment rate) to receive up to 6 additional months of monthly mortgage payment assistance. Distressed counties account for 79%, or 65 of Mississippi's 82 counties.
4. Program Allocation (Excluding Administrative Expenses)	\$89,123,115.00

<p>5. Borrower Eligibility Criteria</p>	<ul style="list-style-type: none"> • The borrower must have a monthly mortgage payment that they cannot afford due to unemployment or a reduction in income for underemployment that can be documented, as specified in the HSP guidelines. • Job loss had to occur on or after January 1, 2008. • The borrower must have a monthly mortgage payment greater than 28 percent of gross monthly income and the borrower must be a resident of the State of Mississippi. • The borrower must have a mortgage against the property and be delinquent on their mortgage or face imminent risk of default. • The maximum income level for participation must not exceed 120% of the Area or State Median Family Income, whichever is greater and liquid asset limitations up to three months of mortgage payments (excluding retirement funds). • The housing counseling agencies will review applications and make a recommendation to MHC about eligibility and require all borrowers to submit a hardship affidavit documenting inability to pay their mortgage.
<p>6. Property / Loan Eligibility Criteria</p>	<ul style="list-style-type: none"> • The property must be located in the State of Mississippi. • The property must be occupied as the borrower's primary residence. • The property must be a single-family, one to five unit dwelling, condominium or townhome, must be classified as real estate and affixed on a permanent foundation if a manufactured or mobile home. • Borrower must have been the property owner for a minimum of 12 months prior to applying for HSP funds except if borrower is seeking to use HAMP UP program, where mortgage must have been closed prior to January 1, 2009. • Mortgage must be 6 months or less delinquent at time of application. • The unpaid principal balance of first mortgage must be no greater than the FHA limit of \$271,000 for a one-unit dwelling.

<p>7. Program Exclusions</p>	<ul style="list-style-type: none"> • Income of all borrowers on the mortgage note exceeds 120% of the Area or State Median Family Income. • Although a borrower with a second mortgage may be eligible for HSP, HSP payments will only be made towards the first mortgage. • Borrowers in active bankruptcy. • Seasonal workers. • Servicers that are not a state- or federally-regulated financial institution. (effective with applications after 8/09/2011)
<p>8. Structure of Assistance</p>	<p>The HSP will be made available as assistance in the form of a five-year, 0% interest, non recourse, non amortizing, subordinate loan, secured by a junior lien recorded against the property, where 20% of the principal will be forgiven each year so long as the eligible borrowers continue to occupy the house as their primary residence and meet all terms and conditions of the loan. This loan will only be repayable if the borrower sells the property before the period expires and there is sufficient equity to pay the loan. All funds returned to the HSP will be recycled until December 31, 2017, thereafter they will be returned to Treasury.</p>
<p>9. Per Household Assistance</p>	<p>The estimated median amount that the typical borrower will receive is \$24,500. The maximum amount of assistance that a borrower can receive from the HSP is: 1) \$22,000 during a 12-month period; 2) \$36,000 during a 24-month period; and 3) \$44,000 for a 30-month period.</p>
<p>10. Duration of Assistance</p>	<p>In non-distressed counties, borrowers can receive: 1) a one time payment for arrearage accumulated during the period of unemployment or substantial underemployment, not to exceed the maximum assistance the borrower is eligible for; 2) up to 12-months of monthly mortgage payment assistance; and 3) up to 12 additional months for participation at their own expense in an educational program that leads to a certification or degree at one of the state's Community Colleges or a 4-year institution. In distressed counties, borrowers can receive: 1) a one time payment of arrearage accumulated during the period of unemployment or substantial underemployment, not to exceed the maximum assistance the borrower is eligible for; 2) up to 12-months of monthly mortgage payment assistance; 3) up to 12 additional months for participation in an educational program that leads to a certification or degree at one of the state's Community Colleges or a 4-year institution; and 4) up to 6 additional months for extended job search after completion of an</p>

	<p>educational program that leads to a certification or degree at one of the state's Community Colleges or a 4-year institution. Assistance will end when: 1) the HSP term ends; 2) the eligible borrower becomes able to resume payments; 3) the eligible borrower sells or abandons the property, or; 4) an unanticipated event occurs deeming the eligible borrower or the property ineligible to receive assistance, i.e., death or fire. Assistance will end no later than end of quarter or semester if a borrower stopped education program.</p>
11. Estimated Number of Participating Households	The HSP will assist approximately 3,800 borrowers.
12. Program Inception / Duration	MHC will launch a pilot program within 30 days after approval from the Treasury, and the full program within 120 days after approval. The HSP will be available to offer assistance up to 3 years from inception.
13. Program Interactions with Other Programs (e.g. other HFA programs)	MHC expects that some borrowers will come out of the National Foreclosure Mitigation Counseling program, which program is not funded with HHF funds.
14. Program Interactions with HAMP	Borrowers would still be eligible for HSP funds if eligible under HAMP UP. HSP assistance will be available to borrowers preceding or following UP assistance.
15. Program Leverage with Other Financial Resources	MHC will not solicit matching funds for the HSP due to the short time frame required to submit the HHF application.
