

# PCC OTC ALERT

January 2010

## PCC OTC Reports

Effective, February 6, 2010, all PCC OTC reports accessed through the Central Image Research Archive (CIRA) will use an Enterprise Reporting Solution, Web Focus. Although the content of the reports will not change, the look and feel will be slightly different. Additional details about the changes will be provided in a comprehensive *Navigation Guide* and through *User Manual* updates the first week of February.
