

Skills Matrix – Technical Committee

Please help us to ensure that IHTSDO Committees consist of a balanced and diverse set of expertise and experience. We know about some of your unique talents, but we may be unaware of other aspects of your background and experience. Accordingly, we would appreciate if you could complete the form below, marking each box for which you have relevant skills or experience.

Please send completed forms to the National Library of Medicine via e-mail (nichsr@nlm.nih.gov) no later than COB June 29th. Please use the subject “US Nominations – IHTSDO Standing Committees”.

Thank you for helping to ensure a strong advisory structure for IHTSDO and its Members.
