## ORDER CERTIFYING JOINT MOTION TO THE COMMISSION

I.

On March 9, 2009, the parties submitted a Joint Motion to Amend the Hearing Date and Certify the Question to the Commission for Determination ("Joint Motion"). For the reasons set forth below, the request to certify to the Commission is GRANTED.

II.

The Federal Trade Commission (the "Commission") issued the Complaint in this matter on November 25, 2008. In the Complaint, the Commission fixed March 31, 2009 as the date on which the hearing in this matter would commence. The Scheduling Order, issued on January 7, 2009, also sets March 31, 2009 as the date for the start of the hearing.

Also on November 25, 2008, pursuant to Section 13(b) of the FTC Act, the Commission filed a motion in the United States District Court for the District of Columbia ("District Court") seeking a preliminary injunction against the proposed merger between CCC Information Services, Inc. and Mitchell International, Inc. ("Mitchell") ("13(b) case"). CCC Holdings Inc. and Aurora Equity Partners III L.P., are the parent entities of CCC Information Systems Inc. and Mitchell. By order entered December 17, 2008, the District Court provided for expedited discovery and a six day evidentiary hearing, to conclude on January 23, 2009. The parties state that the District Court has not yet issued an opinion in the 13(b) case.

The parties state that an extension of the hearing date in this proceeding is necessary in order to properly address any issue that may arise from a decision in the 13(b) case. In addition, Respondents have indicated that they will abandon their attempts to consummate the transaction and will withdraw their Hart-Scott-Rodino filings, should the merger be preliminarily enjoined.

The parties argue that to proceed rapidly towards a March 31, 2009 hearing date before the parties know the outcome of the 13(b) case would unnecessarily waste the resources of the parties.

The parties seek to have the date of the hearing rescheduled to April 21, 2009, or such later date as determined by the Administrative Law Judge assigned to the matter. Such date would still be within five months of the issuance of the Complaint.

III.

It is hereby ORDERED that the Joint Motion is CERTIFIED to the Commission with the recommendation that the date of the hearing be rescheduled to April 21, 2009, or such later date as determined by the Commission or the Administrative Law Judge assigned to the matter.

ORDERED:
