DOCKET NO. C-4302

DECISION AND ORDER

The Federal Trade Commission having initiated an investigation of certain acts and practices of the Respondent named in the caption hereof, and the Respondent having been furnished thereafter with a copy of a draft Complaint that the Bureau of Consumer Protection proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge the Respondent with violation of the Rule Concerning Disclosures Regarding Energy Consumption and Water Use of Certain Home Appliances and Other Products Under the Energy Policy and Conservation Act, 16 C.F.R. Part 305 (“Appliance Labeling Rule”); and

The Respondent and counsel for the Commission having thereafter executed an Agreement Containing Consent Order (“Consent Agreement”), containing (1) an admission by the Respondent of all the jurisdictional facts set forth in the aforesaid draft Complaint; and (2) a statement that the Respondent waives any further procedural steps, the requirement that this Decision and Order contain a statement of findings of fact and conclusions of law, and all rights to seek judicial review or otherwise to challenge or contest the validity of this Decision and Order; and

The Commission having thereafter considered the matter and having determined that it has reason to believe that the Respondent has violated the Appliance Labeling Rule, and that a Complaint should issue stating its charges in that respect, and having thereupon accepted the executed Consent Agreement, the Commission hereby issues its Complaint, makes the following jurisdictional findings and enters the following Order:
