BILLING CODE 6750-01-M

FEDERAL TRADE COMMISSION

Granting of Request for Early Termination of the Waiting Period Under the Premerger Notification Rules

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by title II of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Section

7A(b)(2) of the Act permits the agencies, in individual cases, to terminate this waiting period prior to its expiration and requires that notice of this action be published in the **Federal Register**.

The following transactions were granted early termination of the waiting period provided by law and the premerger notification rules. The grants were made by the Federal Trade Commission and the Assistant Attorney General of the Antitrust Division of the Department of Justice. Neither agency intends to take any action with respect to these proposed acquisitions during the applicable waiting period.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

[Program Announcement 00083]

National Trauma Information and Exchange Program; Notice of Availability of Funds

A. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of funds in Fiscal Year (FY) 2000 for a grant to develop a National Trauma Information and Exchange Program (TIEP).

The purpose of TIEP is to make data and information on trauma care in the United States more accessible to a broad spectrum of individuals and organizations, including trauma care professionals and professional associations, trauma centers and other

acute care hospitals, trauma care systems, emergency medical services (EMS) systems, injury researchers and research organizations, public health agencies, health care payers, and the general public. CDC is committed to achieving the health promotion and disease prevention objectives of “Healthy People 2010.”

This announcement is related to Injury and Violence Prevention focus areas.

B. Eligible Applicants

Applications may be submitted by public and private nonprofit organizations and by governments and their agencies; that is, universities, colleges, research institutions, hospitals, other public and private nonprofit organizations, State and local governments or their bona fide agents, and Federally recognized Indian tribal governments, Indian tribes, or Indian tribal organizations.

C. Availability of Funds

Approximately \$387,500 is available in FY 2000 to fund one new award. It is expected that the award will begin on or about September 30, 2000, and will be made for a 12-month budget period within a project period of up to 3 years. Funding estimates may change.

Continuation awards within an approved project period will be made on the basis of satisfactory progress as evidenced by required reports and the availability of funds.

D. Program Requirements

In conducting the activities to achieve the purpose of this program, the recipient will be responsible for the following activities:

1. Provide a full-time director/coordinator with authority and responsibility to carry-out the requirements of the program.
2. Provide qualified staff, other resources, and knowledge to implement the components of the program.
3. Develop and implement a comprehensive plan to periodically update a detailed description of trauma centers in the United States, including key personnel, as well as their capabilities.
4. Develop and implement a plan that enables an exchange of information among trauma centers and trauma organizations nationwide.
5. Develop and implement a plan for a uniform surveillance system for trauma centers that will enable researchers and research organizations to conduct research on quality of trauma care and trauma center and trauma system effectiveness.

6. Develop and implement a plan for the dissemination of available information on trauma, trauma centers, and trauma care systems to the public, researchers and healthcare practitioners.

E. Application Content

Use the information in the Program Requirement, Other Requirements, and Evaluation Criteria sections to develop the application content. Your
