Instructions for Completing the Agency Declaration of Verification Results (ADVR) Worksheet, ETA FORM 9065.

Background: The Omnibus Budget Reconciliation Act of 1990, P. L. 101-508, § 11405(c), extended indefinitely the \$5 million set-aside (cited below) for testing whether individuals certified as members of WOTC targeted groups are eligible for certification (including the use of statistical sampling techniques). As long as there is a WOTC appropriation, this requirement continues in force. These provisions apply in full force to the certification process under the consolidated WOTC Program. Section 261(f)(2) of the Economic Recovery Tax act of 1981 (P. L. 97-34), as amended, states that:

“(A) \$5,000,000, shall be used to test whether individuals certified as members of targeted groups under section 51 of such Code [Internal Revenue] are eligible for such certification (including the use of statistical sampling techniques), and (B) the remainder shall be distributed under performance standards prescribed by the Secretary of Labor.”

Note. Verification activities require testing the validity of all Certifications issued by the SWAs, including the Conditional Certifications issued by Participating Agencies (PAs) and other documentation, which results in Certifications. Quality reviews and audits are both parts of the certification process. A General Accounting Office (GAO) report recommended that verification activities be done by "other than the person who originally processed..." the Individual Characteristics [ETA Form 9061] or the Conditional Certification [ETA Form 9062] forms.

DEFINITIONS:

1. **Quality Reviews** - the reviews conducted at specific points in the eligibility determination/certification process of forms and other documentation including the Certification itself to ensure that the required information is complete, consistent and accurately recorded.
