- 2. If you receive a W-2 Form from the Peace Corps for 2006 and you were not a Volunteer or Trainee in any part of calendar year 2006, remember that the amount shown on the W-2 reflects Readjustment Allowance accrued from December 1, 2005 through November 30, 2006 or through your actual termination date, whichever came first.
- 3. The W-2 Form enclosed with these instructions represents only a portion of your Peace Corps income subject to tax: that of the Readjustment Allowance accrued during 2006. You are also responsible to pay taxes on a portion of monies received for living and leave allowances while in-country. If you are still serving overseas, your Country Director or Administrative Officer is responsible for advising which portion of other allowances received in-country is taxable. If you are no longer overseas and do not have this information, please refer to www.peacecorps.gov/docs under the heading "Tax Information for Trainees, Volunteers and Former Volunteers" for specific taxable allowance information pertaining to the country in which you served.
- 4. Form 1040 is the only IRS form which provides for reporting of "other income" not included on the W-2 Form.

 Because the taxable portion of living and leave allowance is not included on your W-2 Form, Peace Corps Volunteers must use Form 1040 to file a tax return.

Total lines #7 through #21 on IRS form 1040 and enter on line #22 of that form. This is your TOTAL INCOME.

To determine if you must file an income tax return this year, check the table on the front of this guide. If your TOTAL INCOME is equal to or greater than the amount listed for your filing status, YOU MUST FILE a tax return. If your TOTAL INCOME is less than the amount listed for your filing status, YOU ARE NOT REQUIRED to file a tax return.

If you file a return, attach the worksheet portion of this tax guide to your IRS 1040 Form, enclose all W-2 Forms, and mail to the IRS service center for home-of-record. A list of service centers and addresses can be found in the IRS 1040 instruction booklet.

Even though you may not be required to file a tax return this year, you should retain all of your W-2 Forms and this completed guide for your permanent records. <u>DO NOT RETURN THIS GUIDE TO PEACE CORPS WASHINGTON.</u>

II. FILING YOUR TAX RETURN

A. When to File

If you are in the United States on April 15, 2007, you must file your tax return by that date. If you are outside the United States on April 15, 2007, you are given an automatic extension of time until June 15, 2007 in which to file.

However, a note must be attached to your return stating that you are residing or traveling outside the U.S. as of April 15. Otherwise, the Internal Revenue Service may classify you as a delinquent and penalize you for late filing. <u>ALTHOUGH YOU RECEIVE AN AUTOMATIC EXTENSION OF TIME IN WHICH TO FILE, YOU SHOULD NOTE THAT THERE IS A STATUTORY CHARGE FOR INTEREST ON ANY TAX WHICH IS NOT PAID BY APRIL 15, 2007.</u>

If it is impossible for you to file your tax return before June 15 because of the complexities of your income sources, you may request an extension of time in which to file your tax return. Your Country Director or Administrative Officer can help you located IRS Form 4868, Application for Extension of Time, which must be submitted to IRS before April 15, 2007. You can also find this information on the Internal Revenue Service website at www.irs.gov. AGAIN, PLEASE BE REMINDED THAT THERE IS A STATUTORY CHARGE FOR INTEREST ON ANY TAX WHICH IS NOT PAID BY APRIL 15, 2007. Therefore, you must pay interest on any tax due at the time you do submit your return.

B. Where to File

The IRS instruction booklet contains the addresses of all IRS Centers. Pick out the office nearest your legal residence. If you do not claim a legal residence in the United States, use the Philadelphia address. (Do not send any tax form, W-2 Forms, or payments to the Peace Corps/Washington.)

C. Filing

Income must be reported on your tax return in United States dollars. For currently serving Trainees and Volunteers, your Country Director or Administrative Officer will advise you of the taxable portion of all allowances paid in U.S. dollars equivalence. For returned Volunteers, please visit the Peace Corps website at www.peacecorps.gov/docs under the heading "Tax Information for Trainees, Volunteers and Former Volunteers" for specific taxable allowance information pertaining to the country in which you served.

You must pay your tax in U.S. dollars. You may use personal or certified dollar checks, money orders or traveler's checks. You may also request that your Country Director deduct the appropriate sum from your Readjustment Allowance, providing the amount is \$350.00 or less. Your Country Director will request authorization from CFO/VPS by email or fax, followed by a Form PC-10, Application to Allot or Withdraw from RA. This request should be made to your Country Director at least one month prior to the date you want the check to be issued to insure timely filing of your tax return. Your Country Director cannot accept responsibility for late filing of tax returns.

At the time you request the deduction, you MUST enclose your tax return. When your Country Director has received the processed check from CFO/VPS, he/she will mail it ALONG WITH your return to the IRS office you have specified on the form. Do not send your tax return to Peace Corps/Washington.

III. EXEMPTIONS AND WITHHOLDING

Note that there was no withholding from the Readjustment Allowance during 2006 unless you elected optional withholding. The fact that no withholding has been made is generally to your advantage since you would have been required to file a tax return to obtain a refund even though your income as a single volunteer was less than \$8,450.00. You may elect optional withholding in \$5.00 increments from \$15.00 up to \$100.00 per month. Ask your Country Director for additional information.

IV. STATE AND LOCAL TAXES

This Tax Guide deals only with Federal Income Tax provisions. YOU ARE RESPONSIBLE FOR OBTAINING INFORMATION ON STATE AND LOCAL TAXES AND FOR PAYING ANY TAXES AS REQUIRED.

V. FORMS

For currently serving Trainees and Volunteers, the following forms and publications have been sent to your Country Director:

FORM 1040 U.S. INDIVIDUAL INCOME TAX RETURN (To be used by all Peace Corps

Volunteers that file a tax return.)

Schedule A To report itemized deductions

INSTRUCTION BOOKLET FOR FORM 1040

VI. CORRECTIONS AND QUESTIONS

If your name or social security number is incorrect on your Peace Corps W-2, cross out the error and write in the correction. You can still submit the W-2 with a marked correction to the IRS; you do not need a new W-2 issued by Peace Corps. However, you may not correct money amounts on your W-2. If you feel the readjustment allowance amount listed on our W-2 Form is incorrect, please contact Peace Corps' Volunteer & PSC Financial Services immediately at 1-800-424-8580 ext 1770 to allow us to investigate and re-issue if needed. If you do have a change to your name or social security number, also contact Peace Corps at the above number so we may also make the correction to our records.

If you have specific questions related to your Peace Corps wages and taxes, please contact Volunteer & PSC Financial Services at 1-800-424-8580 ext 1770 and follow the appropriate prompts. We are unable to provide tax and filing guidance beyond your Peace Corps service, so if you need additional tax information not addressed in this guide, please contact a tax professional.
