SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on September 2, 2009, based on a complaint filed by Samsung Electronics Co. ("Samsung") of Korea. The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain flash memory and products containing same by reason of infringement of certain claims of U.S. Patent Nos. 6,930,050 and the '065 patent. The Commission's notice of investigation named numerous respondents.

On October 29, 2010, Samsung moved for partial termination of the investigation as to claims 1-7 and 11 of the '065 patent, pursuant to 19 C.F.R. § 210.21(a)(1). Samsung indicated in its motion that none of the respondents or the Commission investigative attorney opposed the motion.

On November 2, 2010, the ALJ issued the subject ID, granting Samsung's motion for partial termination of the investigation as to claims 1-7 and 11 of the '065 patent. No petitions for review were filed.

The Commission has determined not to review the subject ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.42 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.42).

By order of the Commission.
