

# HOW TO READ YOUR **Annual TSP Participant Statement**

If you participated in the Thrift Savings Plan (TSP) last year, the TSP has prepared an annual TSP participant statement for you. You should receive your annual statement in the mail unless you submitted a request to opt out of having it mailed to you. Your statement is also available on the TSP website ([www.tsp.gov](http://www.tsp.gov)).

Since your statement replicates information that is in your TSP record, you should review it *carefully*. Report any errors regarding interfund transfers, withdrawals, your account profile, beneficiary information, or any other details that you believe are incorrect to the TSP.

Your annual TSP participant statement provides a comprehensive profile of your account activity between January 1 and December 31 of last year. It is also an excellent resource for information about the personal data the TSP has on file for you. For more detailed information on specific account transactions, please continue to refer to your quarterly participant statements.

The TSP is offering this leaflet to help you understand the information provided in your annual statement. Read the text shown in **red** for explanations of what each section of your statement means.
