**A & E Acquisition Checklist – Unsuccessful Qualifications Statements**

File original copies of the unsuccessful organizations' SF-330s in this folder. List each organization by name and separate each SF-330 with a lettered tab. If a qualification statement is too large to be filed in this folder, list the name of the organization next to a lettered tab and reference in the blank provided the qualification statement's location and the identification of the folder/file it is in.
