Quarter-End Adjusted Baseline Calculation

All bank holding companies and savings and loan holding companies participating in the Small Business Lending Fund must complete this section. All figures are to be reported in thousands of dollars. Amounts should reflect the aggregated information from the Call Reports of each insured depository institution for the applicable quarter. For ease of use, lines pre-populated with zeros are automatically calculated and will not accept manual entry.

Net Charge-Off Adjustments

When completing this section, if net charge-offs are negative (i.e., recoveries exceed charge-offs), type a minus symbol (-) in the "Neg (-)" column that corresponds to that line. Amounts should reflect the net charge-offs reported on the Call Report(s) filed for the same period as this Quarterly Supplemental Report. Charge-off amounts must be reported below as quarterly figures and not on a year-to-date basis. For ease of use, lines pre-populated with zeros are automatically calculated and will not accept manual entry.
