A. Eligible Entity shall (i) contemporaneously with the execution and delivery of this Agreement, deliver a fully executed Financial Instrument (the “Financial Instrument”) to Treasury evidencing its obligations under this Agreement, in the form attached hereto as Exhibit A; (ii) perform the duties and obligations set forth in this Agreement and the Financial Instrument; and (iii) provide and perform (or engage qualified vendors to provide and perform) the Services described in the Service Schedules (as defined below).

B. C. Contemporaneously with the execution and delivery of this Agreement, HFA and Eligible Entity shall also deliver to Treasury a budget detailing the administrative expenses necessary to carry out the Services (the “Permitted Expenses”). The budget detailing the Permitted Expenses is attached hereto as Schedule C. Neither HFA nor Eligible Entity shall expend HHF Program funds for administrative expenses in excess of the total amount of the Permitted Expenses (reasonable variances between line items being permitted) without the prior consent of Treasury, which may be withheld in Treasury’s sole discretion. Additionally, all administrative expenses paid with HHF Program funds shall be accounted for and are subject to OMB Circular A-87 (revised 5/4/95, as further amended 8/29/97), which can be found at <http://www.whitehouse.gov/omb/rewrite/circulars/a087/a087-all.html>.

### **2. Representations, Warranties and Covenants**

A. HFA and Eligible Entity. HFA and Eligible Entity, each for themselves, make the following representations, warranties and covenants to Treasury and the truth and accuracy of such representations and warranties and compliance with and performance of such covenants are continuing obligations of HFA and Eligible Entity, each as to itself. In the event that any of the representations or warranties made herein cease to be true and correct or HFA or Eligible Entity breaches any of its covenants made herein, HFA or Eligible Entity, as the case may be, agrees to notify Treasury immediately and the same shall constitute an Event of Default hereunder.

(1) HFA and Eligible Entity each represent and warrant that it is in compliance with, and covenants that all Services will be performed in compliance with, EESA and all Federal, state and local laws, regulations, regulatory guidance, statutes, ordinances, codes and requirements, applicable to the provision of the Services by HFA and Eligible Entity,

or its officers, employees, agents or contractors, including, but not limited to, the Truth in Lending Act, 15 U.S.C. §1601 et seq., the Home Ownership and Equity Protection Act, 15 U.S.C. § 1639, the Federal Trade Commission Act, 15 U.S.C. § 41 et seq., the Equal Credit Opportunity Act, 15 U.S.C. § 701 et seq., the Fair Credit Reporting Act, 15 U.S.C. § 1681 et seq., the Fair Debt Collection Practices Act, 15 U.S.C. § 1692 et seq., the Real Estate Settlement Procedures Act, 12 U.S.C. §2601 et seq., the Fair Housing Act, 42 U.S.C. §3601, the Gramm Leach Bliley Act, 15 U.S.C. §6801-6809, and §§ 114 and 315 of the Fair and Accurate Credit Transactions Act of 2003 (the “FACT Act”), 15 U.S.C. §§ 1681m(e) and 1681c(h), and all other Federal and state laws and regulations applicable thereto, including, without limitation, those designed to prevent unfair, discriminatory or predatory lending practices, tenant rights and licensing (collectively, the “Applicable Laws”).

(2) The performance of the Services will not conflict with, or be prohibited in any way by, the Applicable Laws or any agreement or restriction by which HFA or Eligible Entity is bound. Neither HFA nor Eligible Entity is aware of any other legal, financial or other impediments to performing the Services or its obligations under this Agreement, and shall promptly notify Treasury of any such impediments which may impair its ability to perform the Services or its obligations under this Agreement, as applicable. Neither HFA nor Eligible Entity is delinquent on any Federal tax obligation or any other debt owed to the United States or collected by the United States for the benefit of others, excluding any debts or obligations that are being contested by it in good faith.

(3) Neither HFA nor Eligible Entity has received written notice of any action, suit, restraining order, injunction, investigation, proceeding or inquiry at law or in equity, pending or threatened, by or before any judicial, quasi-judicial, legislative or administrative court, agency or authority, or any arbitrator, nor to the best of HFA's and Eligible Entity's knowledge is there any basis for any of the foregoing, wherein an unfavorable determination, ruling or finding would materially adversely affect the validity or enforceability of this Agreement, the Financial Instrument or the ability of HFA or Eligible Entity to perform its respective obligations hereunder and thereunder.

(4) HFA and Eligible Entity each covenants that: (i) it will perform its obligations in accordance with this Agreement and Applicable Laws, and will promptly provide such performance or other reporting as may be required by Treasury, the Government Accountability Office (“GAO”), Congressional Oversight Panel or the Special Inspector General of the Troubled Asset Relief Program (“SIGTARP”); (ii) it will maintain complete, accurate and appropriate records of, and supporting documentation for, all Services provided in connection with the HHF Program; (iii) all Services will be offered and performed in accordance with the Service Schedules, fully documented and serviced, or otherwise performed, in accordance with this Agreement and EESA; and (iv) all data, collection information and other information reported by HFA or Eligible Entity to Treasury under this Agreement, including, but not limited to, information that is relied upon by Treasury in calculating the Purchase Price (as defined below) or in performing any compliance review will be true, complete and accurate in all material respects, and consistent with all relevant business records, as and when provided.

(5) HFA and Eligible Entity each covenants that it will: (i) perform the Services and obligations required under this Agreement in accordance with the practices, high professional standards of care, and degree of attention used in a well-managed operation, and no less than that which HFA or Eligible Entity exercises or would exercise for itself under similar circumstances; and (ii) use qualified individuals with suitable training, education, experience and skills to perform the Services. HFA and Eligible Entity each acknowledges that HHF Program participation may require changes to, or the augmentation of, its systems, staffing and procedures, and covenants and agrees to take all reasonable actions necessary to ensure it has the capacity to implement the Services in accordance with this Agreement.

(6) HFA and Eligible Entity each covenants that it will comply with all regulations on conflicts of interest that are applicable to HFA or Eligible Entity, as the case may be, in connection with the conduct of its business and performance of the Services and all conflicts of interest and non-disclosure obligations and restrictions and related mitigation procedures set forth in this Agreement.

(7) HFA and Eligible Entity each acknowledges that the provision of false or misleading information to Treasury in connection with the HHF Program or the Services may constitute a violation of: (a) Federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in Title 18 of the United States Code; or (b) the civil False Claims Act (31 U.S.C. §§ 3729-3733). HFA and Eligible Entity each covenants to immediately disclose to Treasury any discovered credible evidence, in connection with this Agreement and the Services, that a management official, employee, or contractor of Eligible Entity has committed, or may have committed, a violation of the referenced statutes or other wrongdoing.

(8) HFA and Eligible Entity each covenants to disclose to Treasury any other material facts or information in its possession that Treasury should expect to know about HFA or Eligible Entity or its employees, management officials or contractors to help protect the reputational interests of Treasury in connection with the HHF Program.

(9) HFA and Eligible Entity shall each be responsible for the supervision and management of any contractor it engages to assist in the performance of the Services or any obligation under this Agreement. HFA or Eligible Entity, as applicable, shall remove and replace any contractor that it deems as failing to perform. HFA and Eligible Entity shall each ensure that all of its contractors comply with the terms and provisions of this Agreement. Each of HFA and Eligible Entity shall be responsible for the acts or omissions of its respective contractors as if the acts or omissions were by the HFA or Eligible Entity, respectively.

(10) HFA and Eligible Entity each covenants that it will timely inform Treasury of any anticipated or actual Event of Default and of any suspected or actual Act of Bad Faith (defined below).

(11) HFA and Eligible Entity each acknowledges that Treasury may be required to respond, pursuant to the Privacy Act of 1974 (the "Privacy Act"), 5 U.S.C. § 552a, to

inquiries from borrowers and, pursuant to the Freedom of Information Act (the “Freedom of Information Act”), 5 U.S.C. § 552, to inquiries from other parties, as well as formal inquiries from Congressional committees and members, the Government Accounting Office, Inspectors General and other government entities, as well as media and consumer advocacy group inquiries about the HHF Program and its effectiveness. HFA and Eligible Entity each covenants that it will respond promptly and accurately to all search requests made by Treasury, comply with any related procedures which Treasury may establish, and provide related training to employees and contractors.

(12) HFA and Eligible Entity each acknowledges that Treasury, SIGTARP, GAO and other parties designated by Treasury or under Applicable Laws shall have the right during normal business hours to conduct unannounced, informal onsite visits and to conduct formal onsite and offsite physical, personnel and information technology testing, security reviews, and audits of HFA and/or Eligible Entity and to examine all books, records and data related to the Services provided and Purchase Price received in connection with the Services.

(13) HFA and Eligible Entity each covenants that it will promptly take corrective and remedial actions associated with reporting and reviews as directed by Treasury or its designee and provide to Treasury evidence of the effective implementation of corrective and remedial actions as Treasury shall require. HFA and Eligible Entity each acknowledges that Treasury may conduct additional reviews based on its findings and the corrective actions taken by HFA and/or Eligible Entity.

(14) In addition to any obligation to retain financial and accounting records under Applicable Laws, HFA and Eligible Entity each covenants to retain all data, books, reports, documents, audit logs and records, including electronic records, or copies thereof, related to its obligations under this Agreement and the performance of the Services, as applicable. In addition, HFA and Eligible Entity each agrees to maintain a copy of all computer systems and application software necessary to review and analyze these electronic records or copies of such records. Unless otherwise directed by Treasury, HFA and Eligible Entity shall each retain these records for at least three (3) years from the End of Term, or for such longer period as may be required pursuant to Applicable Laws. Treasury may also notify HFA and/or Eligible Entity from time to time of any additional record retention requirements resulting from litigation and regulatory investigations in which Treasury or any agents of the United States may have an interest, and HFA and Eligible Entity each agrees to comply with these litigation and regulatory investigations requirements. “End of Term” shall mean the date that the Services performed under all Service Schedules are fully complete, excluding administrative functions (e.g. the last homeowner is assisted and any loan provided to such homeowner is either repaid or fully forgiven).

(15) HFA and Eligible Entity shall each provide a bring-down certificate as to its continuing compliance with, and the truth and accuracy of, the representations and warranties set forth in this Agreement and the Financial Instrument, as applicable, annually, on each anniversary of the Effective Date during the Term (as defined below), in the form attached hereto as Exhibit B-1 with respect to the HFA (the “HFA

Certification”) and Exhibit B-2 with respect to the Eligible Entity (the “Eligible Entity Certification”).

B. Eligible Entity. Additionally, Eligible Entity hereby makes the following representations, warranties and covenants to Treasury and the truth and accuracy of such representations and warranties and compliance with and performance of such covenants are continuing obligations of Eligible Entity. In the event that any of the representations or warranties made herein ceases to be true and correct or Eligible Entity breaches any of its covenants made herein, Eligible Entity agrees to notify Treasury immediately and the same shall constitute an Event of Default hereunder.

(1) Eligible Entity constitutes a “financial institution” as such term is defined in section 3(5) of EESA, has the legal power to receive funds from Treasury under the HHF Program, and has been designated by HFA to, and hereby agrees to, provide the Services and implement HFA’s proposal to Treasury under the HHF Program.

(2) Eligible Entity is established under the laws of the United States or any state, territory, or possession of the United States or the District of Columbia, has significant operations in the United States and is not an agency or instrumentality of, or owned directly or indirectly by, any foreign government.

(3) Eligible Entity is duly formed and validly existing and has the full corporate power and authority to enter into, execute, and deliver this Agreement, the Financial Instrument and any other closing documentation delivered to Treasury in connection with this Agreement or the Financial Instrument, and to perform its obligations hereunder and thereunder. Eligible Entity has, and its officers, employees, agents and contractors providing the Services have, or will have prior to performing the Services, obtained all licenses and any other approvals or consents required by law to carry on its business as now being conducted and as contemplated by this Agreement.

C. HFA. Additionally, HFA hereby makes the following representations, warranties and covenants to Treasury and the truth and accuracy of such representations and warranties and compliance with and performance of such covenants are continuing obligations of HFA. In the event that any of the representations or warranties made herein cease to be true and correct or HFA breaches any of its covenants made herein, HFA agrees to notify Treasury immediately and the same shall constitute an Event of Default hereunder.

(1) HFA is an instrumentality of the State as indicated in Schedule A.

(2) HFA has full legal power and authority to enter into, execute, and deliver this Agreement and any other closing documentation delivered to Treasury in connection with this Agreement, and to perform its obligations hereunder and thereunder.

D. Representations and Warranties. The foregoing representations and warranties set forth in this Section 2 are hereby qualified and/or limited by the provisions set forth in Schedule D attached hereto and incorporated herein.

3. **Agreement to Purchase Financial Instrument; Payment of Purchase Price; Grant of Security Interest**

A. Treasury shall purchase, and Eligible Entity shall sell to Treasury, the Financial Instrument that is executed and delivered by Eligible Entity in the form attached hereto as Exhibit A, in consideration for the payment by Treasury of such amount as shall be set forth in Schedule A as the Purchase Price (the "Purchase Price"). Payment of the Purchase Price by Treasury shall be made in draws (each, a "Capital Draw" and collectively, the "Capital Draws"). In order to make a Capital Draw, Eligible Entity shall submit to Treasury and its designee a request for payment (a "Capital Draw Request") no less than ten (10) business days prior to the date such Capital Draw is requested to be paid. Notwithstanding anything in the Service Schedules to the contrary, Treasury shall not approve a Capital Draw Request for a Capital Draw in an amount less than 2.5%, or more than 20%, of the Program Participation Cap (defined below). In addition, no Capital Draw Requests shall be approved by Treasury so long as Eligible Entity has HHF Program funds on hand of more than 5% of the Program Participation Cap. The form of Capital Draw Request is attached hereto as Exhibit C.

B. The conditions precedent Treasury's execution and delivery of this Agreement and the payment by Treasury of the first Capital Draw are: (i) HFA's execution and delivery of this Agreement with attached complete and approved Service Schedules, Exhibits and any other closing documents, certificates or legal opinions as shall be required by Treasury to be delivered by HFA; (ii) Eligible Entity's execution and delivery of this Agreement with attached complete and approved Service Schedules, Exhibits, the Financial Instrument and any other closing documents, certificates or legal opinions as shall be required by Treasury to be delivered by Eligible Entity; (iii) the delivery of a legal opinion of counsel to HFA, which may be internal legal counsel, in substantially the form attached hereto as Exhibit D-1; and (iv) the delivery of a legal opinion of counsel to Eligible Entity, which may be internal legal counsel, in substantially the form attached hereto as Exhibit D-2.

C. The conditions precedent to payment by Treasury of any subsequent Capital Draws are: (i) delivery to Treasury and its designee of an executed and completed Capital Draw Request using the form attached hereto as Exhibit C, without modification other than completing requested information fields, and any certifications or information as may be required by Treasury or its designee; (ii) the performance by Eligible Entity of the Services described in the Service Schedules, in accordance with the terms and conditions of this Agreement, to the satisfaction of Treasury; and (iii) the satisfaction by HFA and Eligible Entity of such other obligations as are set forth in this Agreement.

D. The value of this Agreement is limited to the amount set forth in Schedule A as the Purchase Price (the "Program Participation Cap"). Accordingly, the aggregate Purchase Price payable to Eligible Entity under this Agreement with respect to all Services described on the Service Schedules may not exceed the amount of the Program Participation Cap.

E. In the event of a discrepancy or error in the amount of the Purchase Price paid hereunder, at Treasury's election, (i) Eligible Entity shall remit to Treasury the amount of any overpayment within ten (10) business days of receiving a refund request from Treasury,

or (ii) Treasury may offset the amount of the overpayment against the next Capital Draw, upon written notice to Eligible Entity. It is understood that HFA shall not be required to advance any funds pursuant to this subsection.

F. At the election of Treasury and with prior notice to Eligible Entity, Treasury may deduct from any amount payable to Eligible Entity any amount that Eligible Entity or HFA is obligated to reimburse Treasury or the United States government.

G. The proceeds of each Capital Draw shall be deposited in an account (the “Depository Account”) held by The Bank of New York Mellon or such other depository institution chosen by Treasury in its sole discretion (the “Depository”), the account title, account number and other identifying information for which are provided in Schedule A. The Depository Account shall be used as Eligible Entity’s operating account for its performance of the Services and other obligations set forth in the Financial Instrument and this Agreement. As security for the performance of the Services and the other obligations of Eligible Entity under this Agreement and the Financial Instrument, Eligible Entity hereby grants to Treasury a first lien priority security interest in the Depository Account and in any moneys, or investments, if any, held therein. Eligible Entity shall enter into a deposit account control agreement with Treasury and the Depository, in form and substance acceptable to Treasury. Eligible Entity shall file a financing statement (and any continuation thereof required by law to maintain the perfection of the lien) identifying Eligible Entity as “debtor,” Treasury as “secured party” and describing the Depository Account in the UCC filing office for perfecting non-possessory security interests in tangible and intangible personal property of Eligible Entity or such other filing offices as Treasury may require. Copies of all filings and continuation statements shall be provided to Treasury promptly after filing. Funds held in the Depository Account may be invested in: (i) Cash, (ii) bank deposits, (iii) United States Treasury securities with maturities of not more than ninety (90) calendar days, (iv) money market mutual funds that (a) are registered with the SEC and regulated under Rule 2a-7 promulgated under the Investment Company Act of 1940 and (b) invested exclusively in direct obligations of the United States of America or obligations the prompt payment of the principal of and interest on which is unconditionally guaranteed by the United States of America and (v) any other investment approved by Treasury in writing.

#### **4. Oversight; Internal Control Program**

A. HFA shall develop and maintain operational and performance metrics and maintain a detailed financial reporting system to track, to the satisfaction of Treasury, homeowners receiving assistance from Eligible Entity, including metrics used to measure the effectiveness of the Services against the stated objectives of Treasury and HFA pursuant to the Service Schedules. Such information shall be compiled into a report in a form that will be provided by Treasury and may be modified from time to time as Treasury determines (the “Performance Report”); provided that Treasury, in its sole discretion, may modify the form of the Performance Report at any time. HFA shall submit the Performance Report to Treasury or its designee on a periodic basis and as otherwise requested by Treasury and shall also post the completed Performance Report to its website quarterly (based on a calendar year) by the fifteenth (15th) day of the second month following the end of such quarter. Treasury, in its sole discretion, may request that HFA modify its performance criteria or seek

additional metrics as necessary. Treasury may make any or all data reported by HFA available to the public. It is Treasury's policy not to release personal identifying information in its possession unless required to do so by law.

B. Eligible Entity shall develop, enforce and review on a quarterly basis for effectiveness, an internal control program designed to minimize the risk of fraud, mitigate conflicts of interest, maximize operational efficiency and effectiveness and ensure effective delivery of Services and compliance with this Agreement, EESA and Applicable Laws to the satisfaction of Treasury (the "Internal Control Program"). The Internal Control Program must include documentation of the control objectives for the Services, the associated control techniques, and mechanisms for testing and validating the controls. Eligible Entity shall monitor its contractors, if any, as part of the Internal Control Program. Eligible Entity shall certify, and provide an independent verification of the effectiveness of the Internal Control Program in accordance with a reporting form that will be provided by Treasury and may be modified from time to time as Treasury determines, at least annually no later than one hundred twenty (120) days after the end of Eligible Entity's fiscal year, including an assessment prior to the initial distribution of funds to perform Services, or at a reasonable time thereafter with the consent of Treasury, to ensure that Eligible Entity has taken appropriate steps to meet the HHF Program objectives. Said independent verification may be provided by a third party contractor or a governmental entity or department of the State so long as such entity or department is separate and distinct from HFA and Eligible Entity (e.g. the State Inspector General). Notwithstanding the foregoing, Eligible Entity shall be permitted to seek approval from Treasury to make a Capital Draw to conduct a pilot or test of certain or all of the Services prior to full launch of the same.

C. HFA and Eligible Entity acknowledge that Treasury may develop and implement practices to monitor and detect fraud related to loan modifications and any other programs contemplated pursuant to the Services and to monitor compliance with applicable consumer protection and fair lending laws, including among other laws, the Applicable Laws. HFA and Eligible Entity covenant that they will fully and promptly cooperate with Treasury's inquiries about any alleged, perceived or actual fraud and comply with any anti-fraud and legal compliance procedures which Treasury may require.

D. HFA and Eligible Entity covenant that they will together develop and implement an internal control program to ensure that HHF Program participants are meeting program requirements; to monitor, detect and prevent loan modification fraud; and to monitor compliance with applicable laws and regulations, including consumer protection and fair lending laws, among other things (the "Internal Antifraud and Compliance Monitoring Program"). The Internal Antifraud and Compliance Monitoring Program shall be developed and complete within ninety (90) days from the Effective Date, unless Treasury, in its sole discretion, consents to an extension of such time period. A copy of the plan for the Internal Antifraud and Compliance Monitoring Program, including, but not limited to, the approach, tools, techniques, staffing, cost and status of and time to implementation shall be submitted to Treasury within the time period set forth in the preceding sentence. HFA and Eligible Entity acknowledge that the Internal Antifraud and Compliance Monitoring Program will be monitored as provided in this Agreement. Each of HFA and Eligible Entity shall notify Treasury in writing if it desires to make any material modifications to its Internal Antifraud

and Compliance Monitoring Program and the same shall be subject to Treasury's approval. Additionally, HFA and Eligible Entity shall cooperate with Treasury with respect to its findings and any inquiries based on any review by Treasury or its designee of the Internal Antifraud and Compliance Monitoring Program or the results and data therefrom.

E. HFA and Eligible Entity shall provide Treasury or its designee with access to all internal control reviews and reports that relate to the Services, including those proposed by independent auditing firms, to enable Treasury to examine Eligible Entity and its contractors, if any, for compliance with applicable provisions of EESA, the HHF Program, this Agreement and Applicable Laws. A copy of the reviews and reports will be provided to Treasury upon request.

F. HFA and Eligible Entity shall respond promptly to Treasury's request for information regarding how the Eligible Entity's program(s) described in the Service Schedules will interact with new or changed housing programs funded by EESA's Troubled Asset Relief Program.

G. HFA shall provide annual audited financial statements to Treasury no later than one hundred eighty (180) days after the end of its fiscal year, commencing with the first fiscal year ending after the Effective Date. Eligible Entity shall provide (i) quarterly unaudited financial statements to Treasury no later than forty-five (45) days after the end of each quarter commencing with the first full quarter ending after the Effective Date and (ii) annual audited financial statements to Treasury no later than one hundred twenty (120) days after the end of its fiscal year, commencing with the first fiscal year ending after the Effective Date.

## 5. **Term**

A. The term of this Agreement shall begin on the Effective Date and extend to the End of Term or earlier termination of this Agreement by Treasury pursuant to the provisions hereof, or earlier suspension or termination of the Services by Treasury. Notwithstanding the foregoing, it is understood and agreed that certain administrative, monitoring, reporting, compliance and oversight obligations and requirements set forth in this Agreement and the Financial Instrument survive the expiration or termination of this Agreement or End of Term, and that funds are to be reserved as set forth in Schedule C to pay for the cost of the same.

B. This Agreement, or any of the Services implemented under this Agreement, may be terminated by Treasury prior to the end of the Term pursuant to Section 6 below.

## 6. **Defaults, Acts of Bad Faith and Early Termination; Remedies for and Effects of Defaults, Acts of Bad Faith and Early Termination**

(2) HFA is dissolved or its existence as a unit or instrumentality of state government is terminated (unless HFA's duties, responsibilities and obligations as the state's housing finance agency, including specifically its duties, responsibilities and obligations under this Agreement, are transferred to and assumed by a successor state unit or instrumentality of state government approved by Treasury).

B. Treasury, in its sole discretion, may take any or all of the following actions upon the occurrence of an Event of Default:

- (1) Treasury may withhold some or all of the Purchase Price until, in Treasury's determination, HFA and/or Eligible Entity (as the case may be) has cured such Event of Default.
- (2) Treasury may: (i) reduce the amounts payable to Eligible Entity under Section 3; and/or (ii) obtain repayment of prior payments made to Eligible Entity under Section 3 to the extent that such funds have not been expended or irrevocably committed by Eligible Entity.

D. Treasury, in its sole discretion, may take any or all of the following actions if an Act of Bad Faith involving an HHF Recipient occurs, or is believed by Treasury to have occurred, in connection with the Services:

(5) Treasury may require HFA and/or Eligible Entity to submit to additional information and reporting requirements with respect to its financial condition and ability to continue to meet its obligations under this Agreement.

E. In addition to the termination rights set forth above, Treasury may terminate this Agreement immediately upon written notice to Eligible Entity:

(1) in the event of a merger, acquisition, sale of substantially all assets or other change of control of Eligible Entity;

(2) in the event that a material term of this Agreement is determined to be prohibited or unenforceable as referred to in Section 13.C; or

(3) in the event the Financial Instrument is deemed to be unenforceable in its entirety.

F. In the event that this Agreement is terminated in connection with an Event of Default by HFA or Eligible Entity, no portion of the Purchase Price will be paid to Eligible Entity subsequent to termination.

G. Treasury may reduce the amounts payable to Eligible Entity under Section 3, or obtain repayment of prior Capital Draws made, in connection with: (a) an evaluation of HFA's and Eligible Entity's performance that includes any specific findings that HFA's or Eligible Entity's performance under any performance criteria set forth in the Service Schedules is materially insufficient, or (b) any failure by HFA or Eligible Entity to comply materially with any directive issued by Treasury with respect to documents or data requested, findings made, or remedies established, by Treasury in conjunction with such performance criteria or other HHF Program requirements; provided, however, Treasury will seek to obtain repayment of prior Capital Draws made under Section 3 only with respect to Services that are determined by Treasury to have been impacted by, or that Treasury believes may have been, or may be, impacted by, the findings giving rise to this remedy. Treasury may initially avail itself of this remedy in lieu of a specific declaration of an Event of Default; provided, however, that doing so shall not preclude Treasury from later declaring an Event of Default or exercising any other rights or remedies otherwise available to it under this Section 6, or at law or in equity, in connection with the event giving rise to this remedy, or any future events giving rise to this remedy. Notwithstanding anything in this Agreement to the contrary, Treasury may withhold payment of all or a portion of the Purchase Price if it determines, in its sole discretion, that Eligible Entity is incapable of performing the Services. It is understood that HFA shall not be required to advance or repay funds to Treasury unless and only to the extent that, HFA has received HHF Program funds from Eligible Entity and the

same would not cause HFA to violate state law or its enabling legislation or governing documents, as applicable, to do so.

H. The remedies available to Treasury upon an Event of Default or an Act of Bad Faith under this Section are cumulative and not exclusive; further, these remedies are in addition to, and not in lieu of, any other remedies available to Treasury at law or in equity.

I. In the event of the expiration or termination of this Agreement or any Service implemented under this Agreement under any circumstances, HFA, Eligible Entity and Treasury agree to cooperate with one another on an ongoing basis to ensure an effective and orderly wind-down of the Services, including the provision of any information, reporting, records and data required hereunder by Treasury.

J. Notwithstanding any provision to the contrary in this Agreement, temporary or permanent forbearance on Capital Draws of funds by the Eligible Entity shall not, in and of itself, constitute an Event of Default or an Act of Bad Faith by the HFA or the Eligible Entity nor trigger a demand for repayment under this Section. The HFA or the Eligible Entity shall provide Treasury with timely notice of any determination that such forbearance is necessary and in such event Treasury may elect to reduce the Purchase Price to the aggregate of Capital Draw Requests funded to date plus an amount for Administrative Expenses reasonably required to comply with the surviving terms of this Agreement.

## **7. Governing Law; Venue**

This Agreement shall be governed by and construed under Federal law and not the law of any state or locality, without reference to or application of the conflicts of law principles; provided, however, that the powers and authority of the HFA shall be governed by and construed in accordance with the laws of its state. Any and all disputes between the parties that cannot be settled by mutual agreement shall be resolved solely and exclusively in the United States Federal courts located within the District of Columbia. All parties hereto consent to the jurisdiction and venue of such courts and irrevocably waive any objections thereto.

## **8. Notices**

All legal notices, reports, requests, demands and other communications under this Agreement shall be in writing and referred to each party's point of contact or to such other point of contact at such other address as may be designated in writing by such party. Performance Reports and Capital Draw Requests shall be sent to Bank of New York Mellon only by email at the address listed below. ## **9. Modifications**

A. Subject to Section 9.B., modifications to this Agreement shall be in writing and signed by Treasury, HFA and Eligible Entity.

B. Treasury reserves the right to unilaterally modify or supplement the terms and provisions of this Agreement that relate (as determined by Treasury, in its discretion) to the compliance and performance requirements of the HHF Program, and/or to technical, administrative, or procedural matters or compliance and reporting requirements that may impact the administration of the HHF Program. For the avoidance of doubt, reasonable incremental administrative expenses of the HFA or Eligible Entity associated with such a modification or supplement shall be Permitted Expenses.

C. In the event that Treasury agrees that (i) Eligible Entity may provide additional services under the HHF Program (a “New Service”), or (ii) the Services described in the Service Schedules shall be modified in any way, a replacement service schedule describing such additional or modified services, in substantially the form of the Service Schedules shall be executed and delivered by Eligible Entity. Concurrently with the delivery of such service schedule, HFA and Eligible Entity shall execute and deliver any such certificates, documents and/or legal opinions as may be required by Treasury. No additions, modifications or amendments to the Services shall be made without Treasury’s prior approval. Additionally, Eligible Entity may not propose any New Service after September 1, 2010 without Treasury’s and the Office of Management and Budget’s consent, which may be withheld in either party’s sole discretion.

## **10. Publicity**

HFA and Eligible Entity shall consult with Treasury to develop a communication and outreach strategy to ensure that any public messages related to the Services is consistent with the intent of the HHF Program. HFA, Eligible Entity and their respective affiliates, subcontractors or servicers shall notify Treasury at least two (2) business days in advance and provide a copy of any proposed press releases (or other public statements) that refers to the HHF Program, their participation therein or the results thereof. Treasury shall have the right to object to or modify such press release or statement, in its sole discretion. In the event Treasury does not respond to the press release or statement within such two (2) business day period then it shall be deemed permissible to publish. This Section shall survive the termination or expiration of this Agreement.

## **11. Limitation of Liability**

IN NO EVENT SHALL TREASURY, OR ITS OFFICERS, EMPLOYEES, AGENTS OR AFFILIATES BE LIABLE TO ELIGIBLE ENTITY WITH RESPECT TO THE SERVICES OR

THIS AGREEMENT, OR FOR ANY ACT OR OMISSION OCCURRING IN CONNECTION WITH THE FOREGOING, FOR ANY DAMAGES OF ANY KIND, INCLUDING, BUT NOT LIMITED TO DIRECT DAMAGES, INDIRECT DAMAGES, LOST PROFITS, LOSS OF BUSINESS, OR OTHER INCIDENTAL, CONSEQUENTIAL, SPECIAL OR PUNITIVE DAMAGES OF ANY NATURE OR UNDER ANY LEGAL THEORY WHATSOEVER, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND REGARDLESS OF WHETHER OR NOT THE DAMAGES WERE REASONABLY FORESEEABLE; PROVIDED, HOWEVER, THAT THIS PROVISION SHALL NOT LIMIT TREASURY'S OBLIGATION TO REMIT PURCHASE PRICE PAYMENTS TO ELIGIBLE ENTITY IN ACCORDANCE WITH THIS AGREEMENT.

## **12. Indemnification**

HFA and Eligible Entity agree respectively as set forth on Schedule E attached hereto and incorporated herein.

## **13. Miscellaneous**

C. Any provision of this Agreement that is determined to be prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this Agreement, and no such prohibition or unenforceability in any jurisdiction shall invalidate such provision in any other jurisdiction.

D. Failure on the part of Treasury to insist upon strict compliance with any of the terms hereof shall not be deemed a waiver, nor will any waiver hereunder at any time be deemed a waiver at any other time. No waiver will be valid unless in writing and signed by an authorized officer of Treasury. No failure by Treasury to exercise any right, remedy, or power hereunder will operate as a waiver thereof or operate as a course of dealing as to which Eligible Entity may justifiably rely. The rights, remedies, and powers provided herein are cumulative and not exhaustive of any rights, remedies, and powers provided by law.

E. This Agreement shall inure to the benefit of and be binding upon the parties to this Agreement, and their permitted successors-in-interest. Treasury shall be permitted to assign its interest in this Agreement without the prior consent of HFA or Eligible Entity. Neither HFA, nor Eligible Entity shall be permitted to assign its interest in this Agreement without the prior written consent of Treasury, which may be withheld in Treasury's sole discretion.

F. This Agreement may be executed in two or more counterparts (and by different parties on separate counterparts), each of which shall be an original, but all of which together

shall constitute one and the same instrument. Facsimile or electronic copies of this Agreement, together with the Financial Instrument, the Service Schedules, and any certifications provided hereunder, shall be treated as originals for all purposes.

## EXHIBIT A

### FORM OF FINANCIAL INSTRUMENT

This Financial Instrument is delivered by the undersigned party ("Eligible Entity") as provided in Section 1 of the Commitment to Purchase Financial Instrument and HFA Participation Agreement (the "Agreement"), entered into as of the Effective Date, by and among the United States Department of the Treasury ("Treasury"), the party designated as HFA in the Agreement ("HFA") and Eligible Entity. This Financial Instrument is effective as of the Effective Date. All of the capitalized terms that are used but not defined herein shall have the meanings ascribed to them in the Agreement.

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Eligible Entity agrees as follows:

1. Eligible Entity Obligation; Purchase Price Consideration.
  - (a) Eligible Entity shall perform all Services described in the Service Schedules in consideration for the Purchase Price described in subsection (b) below, in accordance with the terms and conditions of the Agreement, to the satisfaction of Treasury. The conditions precedent to the payment by Treasury of the Purchase Price with respect to the Services are set forth in Section 3(B) of the Agreement.
  - (b) This Financial Instrument is being purchased by Treasury pursuant to Section 3 of the Agreement through the payment by Treasury of various payments referred to collectively in the Agreement as the "Purchase Price". This Financial Instrument is being purchased by Treasury in connection with Eligible Entity's participation in the Housing Finance Agency Innovation Fund for the Hardest Hit Housing Markets program (the "HHF Program") created under the Emergency Economic Stabilization Act of 2008 (P.L. 110-343), as amended, as the same may be amended from time to time ("EESA").
2. Repayment of Purchase Price. In the event a recipient of HHF Program funds repays any or all of the funds received from Eligible Entity in connection with the Services, Eligible Entity shall use such funds as follows:
  - (a) First, if such funds are repaid on or prior to December 31, 2017, Eligible Entity may use such repaid funds to continue to provide Services to other eligible homeowners up to and including December 31, 2017 or retain such repaid funds to fund the Permitted Expenses to the extent the full amount as indicated on Schedule C to the Agreement has not been drawn from Treasury pursuant to Section 3(A) of the Agreement. Any repaid funds retained by Eligible Entity to fund Permitted Expenses shall correspondingly reduce the amount that Eligible Entity may draw from Treasury pursuant to Section 3(A) of the Agreement to fund Permitted Expenses.
  - (b) Second, if such funds are repaid on or prior to December 31, 2017 and Eligible Entity is no longer providing the Services to new homeowners and the Permitted

Expenses have been fully funded, then Eligible Entity shall remit such funds to Treasury, monthly on the 15th day of each month or first business day thereafter.

- (c) Third, if such funds are repaid after December 31, 2017, Eligible Entity shall remit such funds to Treasury, monthly on the 15<sup>th</sup> day of each month or first business day thereafter.
3. Final Repayment. In the event Eligible Entity is holding any HHF Programs funds, including, but not limited to, excess cash and amounts on deposit in the administrative reserve, as of December 31, 2017, such funds shall be returned to Treasury or its designee prior to 1:00 p.m. Eastern Standard Time on December 31, 2017.
4. Security Interest. As security for the performance of the Services and the other obligations of Eligible Entity under the Agreement, as such obligations are evidenced in this Financial Instrument, Eligible Entity has granted to Treasury a first lien priority security interest in the Depository Account and in any moneys, or investments, if any, held therein.
5. Representations, Warranties and Covenants. Eligible Entity represents and warrants that the representations and warranties set forth in the Agreement, on the date hereof, are, and on the date of each Capital Draw hereunder, shall be, true, correct, accurate and complete in all material respects. The truth and accuracy of such representations and warranties are continuing obligations of Eligible Entity. Additionally, all covenants of Eligible Entity set forth in Section 2 of the Agreement are incorporated herein by reference and Eligible Entity, on the date hereof, is not, and on the date of each Capital Draw hereunder, shall not be in breach of any such covenants. In the event that any of the representations or warranties made herein or in the Agreement cease to be true and correct, or the Eligible Entity breaches any of the covenants made herein or in the Agreement, Eligible Entity agrees to notify Treasury immediately and the same shall constitute an Event of Default hereunder.
6. Limitation of Liability

IN NO EVENT SHALL TREASURY, OR ITS OFFICERS, EMPLOYEES, AGENTS OR AFFILIATES BE LIABLE TO ELIGIBLE ENTITY WITH RESPECT TO THE SERVICES OR THE AGREEMENT, OR FOR ANY ACT OR OMISSION OCCURRING IN CONNECTION WITH THE FOREGOING, FOR ANY DAMAGES OF ANY KIND, INCLUDING, BUT NOT LIMITED TO DIRECT DAMAGES, INDIRECT DAMAGES, LOST PROFITS, LOSS OF BUSINESS, OR OTHER INCIDENTAL, CONSEQUENTIAL, SPECIAL OR PUNITIVE DAMAGES OF ANY NATURE OR UNDER ANY LEGAL THEORY WHATSOEVER, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND REGARDLESS OF WHETHER OR NOT THE DAMAGES WERE REASONABLY FORESEEABLE; PROVIDED, HOWEVER, THAT THIS PROVISION SHALL NOT LIMIT TREASURY'S OBLIGATION TO REMIT PURCHASE PRICE PAYMENTS TO ELIGIBLE ENTITY IN ACCORDANCE WITH THE AGREEMENT.

7. Indemnification

Eligible Entity agrees as set forth on Schedule E to the Agreement, which Schedule E is hereby incorporated into this Financial Instrument by reference.

IN WITNESS WHEREOF, Eligible Entity hereby executes this Financial Instrument on the date set forth below.
