SERVICE SCHEDULE B-1

Illinois Housing Development Authority

Hardest Hit Fund Homeowner Emergency Loan Program (HHF HELP)

Summary Guidelines

1. Program Overview	Illinois' Homeowner Emergency Loan Program (HELP) will assist homeowners who have experienced an income reduction due to unemployment or underemployment in two ways: Monthly Mortgage Payment Assistance and Reinstatement Assistance. Monthly Mortgage Payment Assistance will be provided for up to 18 months. Reinstatement Assistance will pay a homeowner's delinquent balance and other associated fees and costs. Borrowers may be eligible for Reinstatement Assistance combined with Monthly Mortgage Payment Assistance or Reinstatement Assistance only as determined based on first mortgage DTI program parameters. For Monthly Mortgage Payment Assistance, IHDA will make full mortgage payments to the servicer on behalf of the borrower while the household remains eligible for assistance. While full mortgage payments are made on their behalf, the borrower must contribute partial mortgage payments to IHDA on a monthly basis, the amount of which is to be determined by program guidelines. Timely partial payments to IHDA are required for continued program assistance. After a maximum of 18 months of full mortgage payments, borrowers will resume making their mortgage payments independently. If borrowers regain employment and earn sufficient income to adequately afford their mortgage during the 18 months, borrowers will be transitioned from the program. If the household maximum assistance level available is reached, IHDA will end assistance. Borrowers will be referred to the program through the HHF HELP website and/or hotline, a housing counselor, or other entities. All client intakes of borrowers will be performed by IHDA approved intake agencies or IHDA staff. Intake agencies will screen applications and provide a full application package to IHDA for final approval.
2. Program Goal	The goal of the Program is to assist homeowners who have experienced an income reduction due to unemployment or underemployment with Monthly Mortgage Payment Assistance and Reinstatement Assistance that will allow them to pursue sustainable income and homeownership without the immediate threat of default or foreclosure.
3. Target Population / Areas	The Program aims to serve all areas of the State and all employment sectors as the foreclosure crisis and unemployment crisis in Illinois is diverse. Funds will only be available to households at or below the moderate income level for the State (120% of area median, as defined by HUD). The maximum levels of assistance will be higher in the hardest hit Illinois counties. A "hardest hit county" exceeds the state average in any of the following areas: foreclosure rate, 90-day default rate, unemployment rate, or home price reduction. The maximum

	assistance level per household in a "hardest hit county" is $25,000.
4. Program Allocation (Excluding Administrative Expenses)	$256,396,200.00
5. Borrower Eligibility Criteria	▪ Homeowners must meet the following Program criteria: ▪ Present income at or below 120% of area median; ▪ Experienced a substantial reduction in income due to unemployment or underemployment event; ▪ Certification that the loss of income was involuntary (hardship affidavit required); ▪ Fee simple title ownership on a property not exceeding four units; ▪ Liquid assets cannot exceed program guidelines; and ▪ Reinstatement assistance and monthly mortgage payment assistance will be made available to eligible borrowers based on first mortgage DTI program parameters.
6. Property / Loan Eligibility Criteria	Property criteria includes: ▪ Properties must be owner-occupied; ▪ Properties can be one, two, three, and four units; ▪ Properties must be the primary and residence of the borrowers; and ▪ Property types can include single-family homes, detached or attached houses, town homes, condos, mobile homes on permanent foundations recorded as real property. Loan criteria includes: ▪ Loan must be secured by a first position lien; ▪ Homeowners can have a maximum present mortgage amount of $500,000; and ▪ Homeowners must carry a fixed rate mortgage or an adjustable rate mortgage.
7. Program Exclusions	▪ Homeowners with interest-only or negative amortization mortgages; ▪ Assistance for subordinate mortgages; ▪ Homeowners that own and/or are a party to mortgages on multiple residential properties; and ▪ Applicants unable to substantiate past and current income or failing to provide required program documentation as requested.
8. Structure of Assistance	Assistance will be in the form of a non-recourse, non-amortizing, zero-percent interest, ten-year forgivable loan. The forgivable loan will be recorded as a subordinate lien and will only be repaid if net equity proceeds exist in the event of sale or refinance. Following the first five years, the forgivable loan will be forgiven on a monthly basis for the remaining five-year term. Any forgivable loan repayments will be returned to the program and used to provide additional assistance to eligible homeowners until the conclusion of the program on December 31, 2017. After December 31, 2017, any remaining or returned funds will be returned to Treasury.
9. Per Household Assistance	The maximum amount of assistance per homeowner is $25,000 in *Illinois' hardest hit counties as defined in Section 3 above.* The maximum assistance level in all other counties is $20,000.

10. Duration of Assistance	Homeowners can receive assistance for a maximum of 18 months. Upon expending the maximum amount per household, assistance will terminate. If borrowers regain employment and earn sufficient income to adequately afford their mortgage during the 18 months, borrowers will be transitioned from the program. Failure to make the partial monthly mortgage payment or any violation of program terms may terminate the homeowner's assistance.
11. Estimated Number of Participating Households	IHDA anticipates that 12,000 households will be assisted through the HHF HELP Program.
12. Program Inception / Duration	It is estimated that the Pilot/Readiness Test Program will begin approximately 120 -150 days after approval by Treasury. The Statewide Program launch will begin approximately 90 – 120 days post-Pilot/Readiness Test Program launch. Funds will likely be utilized within a 6-year period.
13. Program Interactions with Other HFA Programs	Households served under the National Foreclosure Mitigation Counseling (NFMC) Program may also be reviewed for HHF HELP eligibility.
14. Program Interactions with HAMP	Clients denied for a HAMP modification may be eligible for assistance through this program. Intake agencies evaluating eligibility for clients may also review for possible HAMP eligibility. Clients eligible for forbearance under the HAMP Unemployment Program may be eligible for assistance through HHF HELP. HHF HELP may precede, follow, or run concurrently with the HAMP UP forbearance.
15. Program Leverage with Other Financial Resources	The Program requires no financial contribution from servicers or lenders, but they will be encouraged to waive fees as the HHF HELP Program provides direct benefit to their loan portfolio. IHDA will work to collaborate with servicers and lenders to effectively manage payments and information of the borrowers.
16. Qualify as an Unemployment Program	☑ Yes ☐ No

<u>**SERVICE SCHEDULE B-2**</u>

Illinois Housing Development Authority

Mercy Housing, Inc.

Mortgage Resolution Fund Program (MRF)

Summary Guidelines

1. Program Overview	The Illinois Housing Development Authority (IHDA) will partner with MRF, LLC, a non-profit partnership formed by Mercy Portfolio Services; Mercy Housing, Inc.; Enterprise Community Partners, Inc.; the Housing Partnership Network; and the National Community Stabilization Trust, to use HHF funds to purchase delinquent loans in hardest-hit markets from lending institutions and capital markets trading desks at deeply discounted prices, modify such loans to an affordable level for the homeowner and then, assuming a successful trial modification period, rewrite the loan and if the market is amenable, sell the loan. Alternatively, MRF will provide households not eligible for modification with support through property disposition and transition to new housing and in certain limited circumstances the loan will have to be foreclosed. More specifically, the Mortgage Resolution Fund is designed to: 1) identify, source and perform loan level due diligence in order to purchase delinquent residential first mortgage loans from servicers/owners at a price consistent with the underlying property value and the mortgage's net present value; 2) upon purchase of the loan, offer qualifying homeowners an opportunity to enter a trial modification period where the loan will be restructured to achieve a front end debt ratio of not greater than 31 percent of the gross household income; 3) work with the qualifying household during the trial period to reduce their debt to achieve a total debt ratio no greater than 50% of the gross household income to strengthen the loan asset; 4) upon successful completion of the trial period, permanently modify the first mortgage by writing down the principal to an amount no less 75 percent and no greater than 95 percent of the current appraised value, with a monthly payment no greater than 31 percent of gross monthly income and a 30-year term and amortization; 5) attach a 0 percent, 10-year forgivable second mortgage equal to the difference between the current market value of the property and the permanently modified loan amount; 6) offer an alternative disposition to households with loans unable to be permanently modified; 7) secure title when owners, who are otherwise qualified to participate in the MRF program, walk away from the property or are uninterested in an alternative disposition; 8) secure title when owners/loans are not qualified to participate in the MRF program, in which event MRF, LLC will reimburse IHDA for any HHF monies expended with respect to that loan;

	9) provide asset management of all homes owned until a final disposition is reached; and 10) provide compliance and reporting functions from both a loan and fund level.
2. Program Goal	The MRF Program aims to keep families in their homes or provide families with support for an orderly property disposition and transition to new housing, which will help to stabilize neighborhoods and housing markets.
3. Target Population / Areas	The Program will be available in the six County Chicago-Metro areas, which includes Cook, DuPage, Kane, Kendall, Lake, and Will Counties, to low-to-moderate income households.
4. Program Allocation (Excluding Administrative Expenses)	$100,000,000.00 (All fees and costs, excluding IHDA HHF administrative expenses, are included within this allocation.)
5. Borrower Eligibility Criteria	Borrower circumstances will determine whether they are placed into one of three options: trial modification leading to permanent modification, alternative disposition or foreclosure. Specific eligibility criteria for each of the foregoing options are set forth in the MRF Program Guidelines. All borrowers will be required to sign a financial hardship affidavit.
6. Property / Loan Eligibility Criteria	The following waterfall process will be used to determine those loans eligible for purchase: Filter One: Geography ▪ The census tracts within each eligible county will be analyzed and those that score between 12 and 19, as defined by HUD NSP2-CIS, will be eligible. ▪ The selected census tracks will be evaluated and those with a USPS vacancy rate of 10 percent or less will be eligible. ▪ The selected census tracks will be evaluated to determine market viability by analyzing sales data to determine (1) if the market has stabilized; (2) velocity and absorption rates; and, (3) purchase price ranges for the area. Filter Two: Loan Terms and Status ▪ Owner-occupied, single family loans ▪ Secured with an FHA/VA/USDA/Conventional/Sub-prime product *(no exclusions will be made because of interest rate, amortization period, credit, documentation, mortgage insurance,*

	origination date, LTV) ▪ First lien position ▪ Payment delinquency of 30 days or greater but prior to judgment ▪ Property value equal to or less than $500,000 ▪ Principal balance at or below what a borrower earning 120 percent of area median income can afford (assuming 30 year term, 5 percent rate)
7. Program Exclusions	Any loans to homeowners that do not meet above criteria.
8. Structure of Assistance	A portion of the assistance representing the difference between the current market value of the property and the permanently modified loan amount will be structured as a 0 percent, 10-year forgivable second mortgage loan to the borrower in which a second lien is recorded against the property. Borrower payments made through the trial and permanent modification periods as well as any funds generated through the sale of the permanently modified loans, or sale or rental of properties, will be used to pay program costs, program fees and repay HHF. HHF monies returned to IHDA will undergo a close out review and, subject to IHDA's approval, will be re-distributed to MRF, LLC for the purchase of additional delinquent loans. After December 31, 2017 all repayments and profits, if any, will be returned to Treasury.
9. Per Household Assistance	The maximum refinance amount will be equal to or less than $500,000. The median refinance amount is expected to be approximately $130,000.
10. Duration of Assistance	Duration of assistance will vary from borrower to borrower based on circumstances surrounding each and market conditions. However, all borrowers will be refinanced or transitioned to another managed option prior to the expiration of the program in 2017 with exceptions permitted upon approval by MRF, LLC.
11. Estimated Number of Participating Households	Current models indicate that as many as 600 loans (60 percent of total loans purchased) will be permanently modified. Another 350 loans (35 percent of total loans purchased) will result in an alternative disposition (short sale or deed-in-lieu) and 50 loans (five percent of total loans purchased) will end in foreclosure. The total number of loans purchased is estimated at 1,000. However, if market conditions allow for the sale of the loans and the recycling of the HHF investment, approximately 2,000 loans will be purchased and as many as 1,200 loans (60 percent) will be permanently modified.
12. Program Inception / Duration	It is expected that the program will begin approximately 120 days from the date of Treasury approval and the first loans will be purchased within approximately 60 days thereafter. The Program will terminate in 2017.
13. Program Interactions with Other HFA Programs	It is expected that certain MRF Trial Modification Program (TMP) ineligible loans (those with inadequate income to support the required minimum mortgage loan amount) will be eligible for IHDA's standard HHF program and will be referred to IHDA to submit an application and have eligibility determined.
14. Program Interactions with HAMP	It is expected that some of the delinquent mortgages purchased under this Program may have been unsuccessful under HAMP. No currently performing loans under the HAMP program will be eligible.
15. Program Leverage with	Loans will be purchased at a discount.

SERVICE SCHEDULE B-3

Illinois Housing Development Authority

Hardest Hit Fund Home Preservation Program (HHF HPP)

Summary Guidelines

1. Program Overview	Illinois' Home Preservation Program (HPP) will leverage HHF dollars to facilitate a refinance, recast (for recast initial LTV must be 95% or higher), or permanent modification of the first mortgage through an escrow arrearage (including related fees and costs), principal reduction, and/or reinstatement payment to bring the household monthly payment to an affordable level (maximum housing DTI of 38%). A second lien payoff payment may also be provided to facilitate a first mortgage modification/recast/refinance. HPP will assist homeowners who are financially unable to make their mortgage payments due to a program-eligible hardship causing a decrease in income or an increase in expenses.
2. Program Goal	The goal of this program is to facilitate long-term mortgage sustainability by leveraging HPP funds with a servicer-specific loan reinstatement, modification, recast, and/or refinance. This will reduce the likelihood of continued mortgage delinquency, re-default, or long-term unaffordability due to negative equity.
3. Target Population / Areas	The program aims to serve all areas of Illinois. Funds will only be available to households at or below the moderate income level for the State (120% of area median, as defined by HUD).
4. Program Allocation (Excluding Administrative Expenses)	$25,000,000.00
5. Borrower Eligibility Criteria	Homeowners must meet the following Program criteria: ▪ Present income at or below 120% of area median; ▪ Current housing debt-to-income ratio of 25% or higher; ▪ Loan is delinquent or in imminent default; ▪ At least one person in the household must have consistent employment and/or income sources; ▪ Hardship reason must be affirmed through a signed affidavit and conform to program guidelines; and ▪ Liquid assets cannot exceed program guidelines.
6. Property / Loan Eligibility Criteria	▪ Owner-occupied and primary residence; ▪ Properties can be up to four units; ▪ Property types can include single-family homes, detached or attached houses, town homes, condos, mobile homes on permanent foundations recorded as real property; ▪ Homeowners must carry a fixed rate mortgage or an adjustable rate mortgage; ▪ Homeowners with interest-only or negative amortization mortgages can qualify if the modification/refinance places them in a fully amortizing product; and ▪ Unpaid principal balance at application cannot exceed $500,000.

7. Program Exclusions	Applicants unable to substantiate current income or failing to provide required program documentation as requested.
8. Structure of Assistance	Assistance will be in the form of a non-amortizing, zero-percent interest, five-year forgivable loan. The forgivable loan will be recorded as a subordinate lien and will only be repaid if net equity proceeds exist in the event of sale or refinance. The loan will be forgiven on a monthly pro-rata basis for the five-year term. Any program repayments will be returned to the program and used to provide additional assistance to eligible homeowners until the conclusion of the program.
9. Per Household Assistance	Eligible borrowers may receive up to $50,000.00, not including leveraged servicer dollars. If an applicant also receives or received assistance through Illinois' Hardest Hit Fund Program Homeowner Emergency Loan Program (HHF HELP), their maximum total assistance amount from HHF HELP and HPP cannot exceed $50,000.00.
10. Duration of Assistance	Assistance under HPP is intended to be a one-time payment to the servicer.
11. Estimated Number of Participating Households	Approximately 500 households. Program will be piloted with IHDA and expanded to other lenders if successful and funds are available.
12. Program Inception / Duration	It is estimated that HPP will begin approximately 120 days after approval.
13. Program Interactions with Other HFA Programs	Households served under the National Foreclosure Mitigation Counseling (NFMC) Program may also be reviewed for HPP. Notes purchased through the Mortgage Resolution Fund (MRF) program are ineligible for HPP assistance.
14. Program Interactions with HAMP	Clients denied for HHF HELP or Making Home Affordable (MHA) programs may be eligible for assistance through this program. Clients approved for any HAMP or HARP with or without investor match may be eligible. Intake agencies evaluating eligibility for clients may also review for possible eligibility in other programs.
15. Program Leverage with Other Financial Resources	The program will disburse funds up to $50,000.00 if the lien holder agrees to a loan modification, refinance, recast, or principal reduction that shows direct benefit to the borrower.
