SERVICE SCHEDULE B-1

Georgia Housing Finance Authority

Mortgage Payment Assistance (MPA)

Summary Guidelines

1. Program Overview	The Georgia Housing Finance Authority (GHFA) Mortgage Payment Assistance (MPA) program will provide loans to unemployed and substantially under-employed homeowners to help them remain in their homes and prevent avoidable foreclosures despite loss of income due to involuntary job loss. Loan proceeds will be used to pay mortgage payments (including escrowed items) while the homeowner seeks employment or completes training for a new career. Full payments will be remitted to the homeowners' servicer each month. Homeowners will pay an affordable portion of the mortgage payment directly to GHFA.
2. Program Goals	The goal is to provide assistance over the next 5 years to 18,300 homeowners to prevent foreclosures. Mortgage Payment Assistance (MPA) will be provided as follows: <u>Short-Term Assistance</u> Monthly mortgage payments to assist unemployed or substantially under-employed homeowners while they look for a new job. <u>Reinstatement Assistance</u> One-time payment for homeowners who have found a new job and can make ongoing payments, but need help to bring their mortgage current and avoid foreclosure due to arrearages accumulated during a period of unemployment or substantial underemployment.
3. Target Population/Areas	Homeowners who are unemployed or substantially underemployed, and/or re-employed but need help bringing their mortgage current due to arrearages accumulated during a period of unemployment or substantial underemployment. GHFA has determined that 65% of the counties throughout the state are "hard hit" due to the county's unemployment rate exceeding the state average for the past 12 months. As a result, this Program will be available statewide.
4. Program Allocation (Excluding Administrative Expenses)	\$311,972,813.00

<p>5. Borrower Eligibility Criteria</p>	<p>Homeowners who, through no fault of their own, are unemployed or substantially under-employed and are at risk of foreclosure, but with temporary assistance are likely to be successful in retaining their homes. Homeowners will be required to provide a financial hardship affidavit with appropriate documentation on the cause of their hardship. For most homeowners, this will be documentation from the Georgia Department of Labor confirming a job loss and receipt of unemployment benefits.</p> <p>Homeowners with a history of timely mortgage payments prior to the job loss/income loss.</p> <p>Homeowners must be legal U.S. Residents.</p> <p>Underwriting Criteria</p> <ul style="list-style-type: none"> ✓ Homeowner became unemployed through no fault of his/her own. ✓ Satisfactory mortgage payment history prior to the job loss/income loss. ✓ Monthly mortgage payments (including escrowed items) are greater than 31% of household income after job loss. ✓ Total Unpaid Principal Balance less than or equal to \$417,000. ✓ Property must be owner occupied as homeowner's principal residence. ✓ Homeowner must be a legal resident of the United States. ✓ Applicant must be the owner of subject property. ✓ Homeowner has obtained a new job with sufficient income to support their current mortgage payment. (Reinstatement Only)
<p>6. Property / Loan Eligibility Criteria</p>	<p>Existing single-family homes or condominiums (attached or detached) including manufactured homes (permanently affixed to a foundation on real estate owned by the borrower.)</p> <p>Owner-occupied, primary residences located in Georgia.</p> <p>Mortgages with:</p> <ul style="list-style-type: none"> ✓ Total Unpaid Principal Balance less than or equal to \$417,000.
<p>7. Program Exclusions</p>	<p>Mortgages with:</p> <ul style="list-style-type: none"> ✓ Total Unpaid Principal Balances (all mortgages on property) greater than \$417,000. ✓ Total monthly payments (including escrowed items) less than 31% of current income are not eligible.

	<p>Manufactured homes that are not considered real property.</p> <p>Homeowners who are non-legal U.S. residents.</p>
8. Structure of Assistance	<p>5 year, 0% interest, non-recourse, deferred-payment, forgivable, subordinate loan. A forgiveness clause will reduce the loan amount by 20% per year for 5 years. The 5-year term begins the month following the final assistance payment to the borrower. The loan will only be repaid if the borrower sells or refinances the property before the period expires and there are equity proceeds from the sale available to pay towards the portion of the loan that has not yet been forgiven. At the end of the 5 years, the note will be considered satisfied and the lien will be released.</p> <p>If the property is sold and does not generate proceeds sufficient to repay the entire note, the portion of the note remaining unpaid after the proceeds are applied will be forgiven.</p> <p>The loan will be in the form of a subordinate mortgage evidenced by a promissory note and secured by a deed on the property. Borrowers will be required to sign and acknowledge the program guidelines via written agreement.</p> <p>Any funds returned according to established program guidelines will be recaptured and used to assist additional homeowners through December 31, 2017. After December 31, 2017, all remaining and recaptured funds will be returned to Treasury.</p>
9. Per Household Assistance	<p>The maximum household assistance amount is the total of 18 times the monthly mortgage payment (including escrowed items.)</p> <p>GHFA expects the average loan amount will be \$16,750.</p> <p>The Reinstatement Assistance is not separately capped, but the assistance may only cover prior periods of unemployment or substantial underemployment.</p>
10. Duration of Assistance	<p>Up to 18 months or until the homeowner secures adequate employment (sufficient to pay the mortgage payment with 31% of total income) plus two months, whichever is less.</p> <p>The homeowner may continue to receive assistance for up to 2 months after reemployment (not to exceed 18 months in total.)</p>

11. Estimated Number of Participating Households	<p>18,300 homeowners over the next 5 years, with recycled funds, if any, to be used for additional homeowners until December 31, 2017.</p> <p>Estimated number served based on an average loan amount of \$16,750.</p>
12. Program Inception / Duration	<p>Program will start-up within 45-90 days of Treasury approval and is expected to last up to 7 years from inception, with the vast majority of assistance provided in years 1 and 2. Years 3 through 5 will be primarily funded with payments received from homeowners assisted in years 1 and 2. Any funds returned according to established program guidelines will be recaptured and used to assist additional homeowners and may extend the program.</p>
13. Program Interactions with Other HFA Programs	<p>N/A</p>
14. Program Interactions with HAMP	<p>The MPA will help borrowers who need more than the 3-6 months of assistance available to them through the Home Affordable Unemployment Program (UP). Borrowers may receive UP assistance prior to, or after, receiving assistance under the MPA program.</p> <p>The MPA program will provide assistance to eligible unemployed or substantially underemployed homeowners first, and then the servicer would follow with any eligible programs offered by the investor, servicer, or GSE.</p> <p>In addition, MPA will help borrowers who don't qualify for assistance under the new UP because they are more than 3 months behind in mortgage payments.</p> <p>To the maximum extent possible, GHFA will coordinate with eligible homeowners' servicers to assist them in obtaining a loan modification from HAMP, if needed.</p>
15. Program Leverage with Other Financial Resources	<p>The program will strongly encourage servicers to waive late fees and any other non-3rd party expenses.</p>
