

Sole Source Documentation for RadNet Service Contract

Contracting without Full and Open Competition Justification and Approval Form
(Reference FAR 6.303-2)

1. Agency: Environmental Protection Agency
Contracting Activity:
Requisition No.:
Contractor: Environmental Dimensions, Inc.

2. Nature and/or description of the action:

The contract provides service and repair of EPA's RadNet fixed monitoring systems distributed throughout the United States, subsequent to expiration of their one year manufacturer warranties. An existing service contract is in place until November 10, 2010. A new contract with full and open competition is in preparation. This action will provide continued service until the new contract is awarded.

3. Description of the supplies or services:

Services will include on-site repair and maintenance of air radiation monitoring systems and off-site repair of components. Environmental Dimensions, Inc., is recommended as the vendor for this procurement.

Estimated value: \$238,000

4. Authority: (Check appropriate exception.)

5. Describe how the contractor's unique qualifications or the nature of the acquisition requires use of the authority cited:

Environmental Dimensions, Inc., is recommended as the vendor for this procurement as a sole-source award.

Environmental Dimensions, Inc., (EDI) currently provides service of EPA RadNet monitors under a contract due to expire November 10, 2010.

6. Describe the efforts made to ensure that offers are solicited from as many potential sources as practicable:

No other firm has been identified subsequent to posting on Federal Business Opportunities.

7. The contracting officer determines that the anticipated cost to the Government will be fair and reasonable because a complete analysis of all costs using audits, commerciality, previous history, or other appropriate means will be fully utilized prior to award. Yes No

8. Description of the market research conducted (see FAR Part 10.) If no market research was conducted, state the reasons:

Market research indicates that the award can be made to EDI at a fair and reasonable price. The chief cost of this procurement [REDACTED] would be provided at a fair and reasonable price by the recommended vendor. Other significant costs of this procurement will be

Materials/Parts (obtained by the vendor from outside third-party vendors) and Travel. Both Materials/Parts and Travel are to be invoiced at actual cost (travel to be invoiced in accordance with IAW Joint Travel Regulation). Because these other costs will be invoiced at actual cost to the vendor, these other costs will be essentially independent of the vendor.

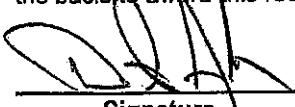

9. Other facts supporting the use of other than full and open competition.

10. List sources that expressed, in writing, an interest in the acquisition. If no sources expressed an interest in writing, indicate such.
None

11. Include a statement of the actions, if any, the Agency may take to remove or overcome any barriers to competition before any subsequent acquisition for the supplies or services required.

12. Technical Officer's Certification

I certify that the facts and representations stated in this justification are complete and accurate which form the basis to award this requirement.
